### CHAMPIONSHIP NESTLES HERE

(Continued from page 1.)

The dead man play resulted in the second touchdown for Pendleton. A punt by La Grande was blocked and Hevel recovered for Pendleton. The team lined up for a pass and Terjeson went through tackle for about eight yards. He snapped the ball back to Hanley who started end for the second touchdown. The half ended with Pendleton on the long end of a 14 to 0 score and the ball in their possession.

In the third period the local line, which had not had considerable success in spots, started tearing things open in proper style. La Grande received the kickoff but after being unable to advance punted to Hanley, who returned 14 yards. Another march to the goal line started, with Terjeson reeling off a 15 yard gain behind excellent interference. He tossed a forward pass to Myron Hanley

which nestled in his arms for a net 20 yard gain. It was the only pass which succeeded for the green and gold.

Terjeson ate up half the distance to the goal on the next play but Davis was given the oval for the touchdown but was thrown at the line of scrimmage. The captain was called on again to run the total up and he contributed with his second touchdown. Hanley kicked goal making the points 21 for Pendleton.

After the kickoff, the visitors opened up and led by the stellar work of Horstman and Larson, worked the ball down the field, a penalty against Pendleton aided materially and the fumble on the fourth down, when the ball would have gone to the locals for holding on downs, gave the losers their chance to score.

La Grande drilled well. La Grande played hard all the way. The locals, on the other hand, lacked the smooth-oiled machinery of the games against Baker and Walthburg. Lawrence and Rogers were both hit hard by the visitors and played a part of the game somewhat "dizzy". Rogers was replaced by Atkinson in the last period.

The visitors were well coached in defense of the Pendleton style of play, the game at Baker having given them a line on the local offense. One dead man play and the triple pass ceasing by the locals were signified in short order.

Neither team deviated far from the straight football game. The locals completed one pass and the visitors two for short gains. Punting was also little resorted to. The local team made first down on 13 occasions but the score was kept down by fumbles and the whistles.

Whether Pendleton will play any more contests this season is problematical. In seven games the boys have had but 14 points scored against them, Pasco, in the first game, and La Grande, in the seventh, being the only ones to turn the trick. Pasco, Touchet, Hood River, Milton, Baker, Walthburg and La Grande were the teams met.

Crowd in Good Sized.  
A good size crowd enjoyed the game which was played in fast time.

Unimpeachable—if you were to see the unequalled volume of unimpeachable testimony in favor of Hood's Sarsaparilla you would upbraid yourself for so long delaying to take this effective medicine for that blood-disease from which you are suffering.
