Secretary of the Treasury Houston estimated that for 1921 the government departments will need 14,090,000,000,000.

Taggers hope to reduce this total by 11,000,000,000. This would make revisions of 12,000,000,000 necessary.

The belief prevails in reports reaching congressmen that the present taxes will soon be visiding at the rate of \$1,000,000,000 annually.
