NEWS OF THE COUNTY OFFICES AND OFFICERS

Grand Jury Called.

The circuit court grand jury has been called to meet two weeks hence, on December 13, to dispose of cases now in the county jail and to complete the investigation of the alleged third degree methods used on prisoners in the Taylor murder case. The same seven men will be obliged to meet for the fourth time since April.

Stonewall Jackson Admits Guilt.

Charles Jones, alias Stonewall Jackson, colored, held by the sheriff here on suspicion of being wanted for a robbery at Nampa, left for Caldwell Sunday morning in custody of Hugh Nickles, a deputy sheriff from the Idaho city. Jackson admitted his identity and his guilt when confronted by the officer. Nickles was sent to identify the man, whom he knew.

Three Licenses Issued.

Bannister of Athena, were licensed to marry in that city Sunday. Oscar Cutler, of Athena, and Iva Black, of Pendleton, were licensed to wed here on Sunday. Lester E. A Mother's Recommendation
Mrs. Kate Deata, Mayville, Mo., recommends Chamberlain's Cough Remedy as follows: "I gave Chamberlain's Cough Remedy to my children when they had croup and whooping cough and I and my husband have both taken it for colds and coughs and it has never failed to give the desired relief. I cannot praise this medicine too highly. This remedy contains no opiate and may be given to a child as a confidently as to an adult."

Beware of a Persistent Cold
When a cold hangs on week after week or when you contract a fresh cold before you are over the first one, there is great danger of some germ disease getting a start in your system. The average consumptive will tell you that "I had a hard cold last winter that was followed by a bad cough that I have not been able to get rid of," or something to that effect. Why take the chances of such a result when Chamberlain's Cough Remedy, famous for its cures of bad colds may be had for a trifle.

For an Impaired Appetite
Loss of appetite always results from faulty digestion. As a general rule, all that is needed is a few doses of Chamberlain's Tablets. They will strengthen the stomach, improve the digestion and give you a good appetite. They also cause a gentle movement of the bowels.

Despondency
When you feel blue and that everything goes wrong, take a dose of Chamberlain's Tablets. They will cleanse and invigorate your stomach, regulate your liver and bowels and make you feel that this old world is a good place to live in.

Case Probably Settled.

The case of Dan and Olive Lee vs. O. T. Lashrop was called for trial in circuit court this morning but after a conference between the attorneys, lasting more than an hour, parties to the suit exhibited an inclination to settle the matter out of court. The case was adjourned until 1:30 this afternoon when the principals again assembled in the court room, to effect, if possible a settlement without submitting the case. Peterson, Bishop & Clark are representing the plaintiffs and James A. Fee and C. H. Carter the defendants.

EAST AND WEST EACH SCORES ONE VICTORY IN DIVISIONAL GAMES

End of Disastrous Season at University of Washington Doubtless Means Coach Allison Will Give Way in 1921.

The score of east and west football wins for the 1920 season is now even up. Washington State College having proved superior to Nebraska and Dartmouth having conquered the University of Washington. While the New Hampshire eleven scored a more decisive win over their western adversaries, the relative strength of the teams was hardly 25 to 7.

Washington State won from Nebraska on straight football and Washington lost to Dartmouth on forward passes. Three touchdowns, or the difference in the final score, at Seattle, were registered by the forward pass route. Dartmouth put over one count on straight football.

It was no championship team that Dartmouth defeated, for Washington has won but one game during the present season, that from Whitman college. Montana, Oregon Aggies, Stanford and Oregon took their turn at defeating the Sun Dodgers. In the three last named games Washington never scored. The score against Dartmouth resulted from a punt which Abel blocked, scooped up and ran to a touchdown.

Lacked Offensive Power
The showing of Washington during the past season is expected to result in the hiring of a new coach for 1921. Leonard Allison, to all appearances, was not heavy enough for the job. A wealth of good material was on hand all year and the line showed remarkable defensive qualities all season. No scoring power was driven into the team.

Some of the old timers sigh for the days of Doble when scores were reeled off in virtually every game, regardless of opponents. Since the Scot was let out in 1916, Washington has had an up and down career. The mistake which Washington made when Doble went was to change systems.

Even Doble, this year, got his bumps. His Cornell team lost to Dartmouth and Pennsylvania smothered the Ithaca. Several other teams took their whack at Cornell. It is more than likely that not Doble but material, was responsible for the showing.

Elmer Henderson Mentioned
Elmer Henderson, coach at University of Southern California, is mentioned as a possible Washington man. He piloted Broadway high, Seattle, through seven seasons without a defeat before becoming navy athletic director at Seattle and then coach at U. S. C. Enoch Bagshaw, of Everett, who is mentioned every time a change is considered at Washington, would also look well handling the Sun Dodgers. It is almost certain a new man will coach at Seattle next fall.

Backers of Oregon's two teams were heard at times this season to say the scalps of Dick Rutherford and Shy Huntington, but both won their spurs in a couple of good games reeled off by their men. The Aggie coach put himself in strong in the Oregon game and Shy, in the Washington game, showed what he could do with a football team.

Schedules, coaches and other gossip of the conference, will be heard prominently next Monday when the coast conference convenes at San Francisco. The admission of U. S. C. is one of the problems to come up.
