

ONLY 20 SHOPPING DAYS REMAIN NOW TILL CHRISTMAS

Stop and think how short the time really is—less than three weeks of shopping time—and think of all the things you'll have to do in that short time. SHOP EARLY—get what you want before the rush begins, be one of the early ones and get the choice selections. Don't wait till some one else has taken what would have been your choice.

AN UNDERWEAR STYLE FOR EVERY GOWN—FROM TAILORED SUIT TO DANCE FROCK.

Not so many years ago we used to put on our winter flannels on the 10th of November. And we took them off on the 10th of May. We had just two kinds, heavy weight and light weight, and we wore the same style every day regardless of outer clothes.

But dress materials have gotten thinner and softer. Blouses have become transparent. Skirts have grown narrower and narrower. Necks are cut lower, sleeves shorter.

And no two frocks are made alike. You may go shopping in the morning in a cloth gown that fastens clear to your chin. And that very afternoon you'll have tea in a diaphanous crepe, cut low in front and with almost no sleeves.

Obviously one can't get along any more with one kind of underwear for winter, and one for summer. There must be a suit for every gown one has.

You can scarcely come to the end of styles in which Carter's Knit Underwear is made. A low neck, elbow sleeved, or sleeveless model for the slim, satin afternoon gown. A high or Dutch necked, long sleeved, ankle length suit for the tailored gown. And for the evening frock with fitted bodice and bouffant skirt a soft, sheer suit of silk or lisle with delicate ribbon shoulder straps. It comes with a plain tailored band top or with the Carter double crocheted edging. And if you prefer a narrow tape over your shoulder, you can have it instead of the ribbon straps.

A special knitting makes the Carter fabric unusually elastic. It stretches out with every movement so that you never feel it pulling or binding anywhere. But its peculiarly springy texture makes it slip back to its original form and keeps it from getting loose and baggy at wrist or ankle. Keeps it from wrinkling around the tops of your shoes or under your corset.

The Carter fabric is so soft and fine that even the warmest winter suits are never stuffy or bulky. No matter what model you buy, no matter what weight, you are sure that it will be comfortable, that it will stay soft and white as long as it lasts.

On display in the Underwear Section on the Balcony. Priced from \$2.00 to \$6.50 the suit.

NOTICE OF PROPOSED STREET IMPROVEMENT

Notice is hereby given that at a

regular meeting of the Common Council of the City of Pendleton held at the Council Chambers in Pendleton, Oregon on November 24, 1920 the following Resolution was duly adopted:

WHEREAS the City Surveyor of the City of Pendleton did on the 19th day of November, 1920, under directions and by requirement of the Common Council file in the office of the Recorder of the City of Pendleton, plans and specifications for an appropriate improvement of the following named streets in said city:
Lincoln street from the North line of Mark street to the South line of Raley street, together with the estimate of the work to be done and the probable cost thereof with a statement of the lots, parts of lots and parcels of land to be benefited by such improvement and the percentage of the total cost of improvement, when each of such lots, parts of lots and parcels of land should pay on account of the benefits to be derived from such improvement, and,

WHEREAS, the council has examined such plans and specifications and estimates and found the same satisfactory and the estimates therefor to be in accordance with the probable cost of such work, and

THEREAS, the property recommended by the City Surveyor to be included within the boundaries of the district benefited is in the judgment of the Common Council properly to be included within such improvement district and no property is excluded therefrom which should properly be included therein, and,

WHEREAS, the improvement of the hereinabove described portions of said street, either with Gravel Bitulithic Pavement, Concrete Pavement or Warrenite Bitulithic Pavement or Crushed Rock or Crushed Gravel foundation, is at this time necessary, therefore, be it

RESOLVED, by the Common Council of the City of Pendleton that it is expedient to improve and it is hereby proposed to improve said portions of said Lincoln Street by paving the same with either Gravel Bitulithic Pavement, Concrete Pavement or Warrenite Bitulithic Pavement on Crushed Rock or Crushed Gravel foundation, such pavement to be constructed and the surface thereof to be finished upon the established grade of said street and the street to have curbs and gutters and all other things in accordance with and as shown in the plans and specifications for the improvement of said portions of said Lincoln Street, prepared by F. B. Hayes, City Surveyor, filed with the Recorder of said city on the 19th day of November, 1920, which said plans and specifications are hereby particularly referred to, and be it further,

RESOLVED that the Engineer's estimates of the probable total cost of such improvement, which said City Engineer's estimates were made and prepared by F. B. Hayes, City Surveyor of said city, in the sum of \$25,983.25, and were filed with the Recorder of said city, on the 19th day of November, 1920, is hereby included and hereby referred to particularly, and be it further,

RESOLVED that the plans and specifications and estimates for such improvements, are prepared by the City Surveyor and filed with the Recorder of the City of Pendleton, on the 19th day of November, 1920, be and they are hereby adopted and approved, and be it further, resolved

and be it further, resolved that the cost of making such improvement shall be a charge and lien upon all lots, parts of lots and parcels of land to be benefited by such improvements, and the owners of such lots, parts of lots and parcels of land, especially benefited by such improvement shall be liable for the payment of the cost thereof, and be it further,

RESOLVED that an Assessment District is hereby created to be known as "Assessment District No. 74" embracing the property benefited and they be assessed for the payment of such improvements, which Assessment District shall include all lots, parts of lots and parcels of land lying and being within the district bounded and described as follows, to-wit:

Description of Assessment District No. 74

Commencing on the Southwest corner of Lot 81 (6) Block Fifteen (15) Raley's Addition to Pendleton; thence North 299 feet and parallel with the west line of Lincoln Street; thence East 260 feet on the South line of Raley Street; thence South 200 feet and parallel with the East line of Lincoln Street; thence West 260 feet on the North line of Mark street to the point of beginning.

And be it further
RESOLVED that a copy of this resolution together with the notice that the surveyor's estimates of the proportion of the cost of said work to be charged against each lot, part of lot and parcel of land is on file in the office of the City Recorder be published for a period of ten days in the East Oregonian, which newspaper is hereby designated by the Common Council for the publication thereof.

And further notice is hereby given that the City Surveyor's estimates of the probable cost of said improvement to be charged against each lot, part of lot and parcel of land on account of said improvement is now on file in the office of the City Recorder, subject to inspection and examination.
Dated this 26th day of November, 1920.

THOS. FITZ GERALD,
City Recorder.

COAST CONFERENCE TO START WORKING TODAY

BERKELEY, Cal., Nov. 29.—(A. P.)—The meeting of the Pacific Coast conference committee which was to have been held at the University of California here Monday was postponed until today because of the late arrival of the delegates from the University of Washington and Oregon Agricultural colleges.

The question of admitting the Uni-

versity of Southern California into the conference will be considered by the committee. The conference will last two days.

STATE SURVEY GETS MENTION
UNIVERSITY OF OREGON, Eugene, Nov. 26.—The Journal of the American Medical Association, for November 13, features the Oregon State Survey, now being conducted by the extension division of the University of Oregon. The article particularly mentions the part played by the physicians in Oregon in this statewide project in mental and social hygiene.

LIFE OF SARDINE STUDIED
UNIVERSITY OF OREGON, Eugene, Nov. 26.—Does the sardine lead

an adventurous life or does he find his existence muddy, stale and unprofitable? This question will be answered by Harlan Holmes, a senior in the zoology department of the University of Oregon, who has accepted an offer from the Fish and Game Commission of California to develop the life history of the sardine in his laboratory work.
