EASTERN GRID HONORS SOMEWHAT IN DOUBT

NEW YORK, Dec. 1.—(A. P.)—The close of the eastern college football season finds the task of selecting a championship eleven more complicated than usual.

In past years it has frequently been the case that one varsity team, with a remarkable record, stood out so prominently that it was the choice for titular honors among a large majority of the gridiron experts. Such a situation does not exist this year.

Six college or university eleven teams passed through the season without defeat, but in the case of five of these teams the record was marred by one or more tie games. Boston college is the only one which has an absolutely clean slate to date and that team still has one game to play, being scheduled to meet Holy Cross next Saturday.

Harvard, Princeton, Pittsburg, Pennsylvania State and Stevens all closed their schedule undefeated, but the tie contest between Princeton and Harvard left the question of supremacy unresolved.

Pennsylvania State played tie games with Pittsburg and Lehigh; Pittsburg was tied by Syracuse and Penn State while Middlebury held Stevens to a scoreless tie.

A second group but thinly separated from the first division, would naturally include Dartmouth, Syracuse, Navy, Army, Brown, Holy Cross, Lehigh, Williams and Yale.

An analysis of the records of the various college elevens of the east develops some interesting and confusing data. The West Point cadet team, although defeated by the navy and Notre Dame, managed to roll up an aggregate score of 214 points, which so far as scoring is concerned, gives the Army first place in the section totals. Williams, with Beny Boynton the star individual scorer of the east, is next in line, with 212 points, although defeated in three out of the eight games played. Penn State and Cornell are third and fourth, respectively, with 259 and 221.

while Harvard was a close third, with 28 points. Holy Cross was fourth with 50, but it still has the Boston college team to stand off. Eight games was the average on the eastern college schedule and the maximum ten.

MITCHELL RETURNS TO BOSTON

BOSTON, Dec. 1.—(A. P.)—The appointment of Fred Mitchell, who has been leader of the Chicago Cubs for the last three years, as field manager of the Boston Braves was announced by President G. W. Grant yesterday.

MAUPOME IS WINNER AT THREE CUSHIONS

CHICAGO, Dec. 1.—(A. P.)—Pierre Maupome, continued his steady play in the preliminaries for the national three-cushion billiard championship Tuesday and defeated Augie Kierckhefer of Chicago, 50 to 42, in 65 innings, each man making a high run of four. The defeat dropped Kierckhefer to fifth place.

WIGGINS AND GIBBONS MATCHED FOR TOLEDO

TOLEDO, Ohio, Dec. 1.—(A. P.)—Chuck Wiggins, Indianapolis light heavyweight boxer, will meet Tommy Gibbons of St. Paul in a 12-round non-decision bout here December 6, it was announced by the Toledo boxing commission last night.

Active Export Demand Bulls Wheat Market

CHICAGO, Dec. 1.—Active export demand had a bullish influence yesterday on the wheat market but the effect was partly counterbalanced later by an announcement of a big increase of the U. S. visible supply total. Prices closed unsettled, 3-4 to 13-4 net higher, with December 1.581-2 to 1.58 3-4 and March 1.521-2 to 1.53. Corn gained 1-8 to 5-8 and oats 3-8 to 3-4. In provisions the outcome varied from 17c decline to 7c advance.

The fact that export bids today for wheat were higher together with the unusually large amount of wheat purchased for Europe last week, led to considerable change of sentiment among traders here. In particular there was comment that wheat in this country was now lower than in other exporting countries and that there was danger of overselling the domestic surplus. Besides, offerings were notably small and the impending close of navigation from Canadian ports attracted attention. Furthermore, opinions were current that the majority of rural holders, who had been able to carry wheat up to the present time could carry it as long as they wished. In the last half hour of the session, though, bears seized on the news of 3,325,000

bushels increase in visible supply and were able to wipe out much of the early gains. Disappointing husking returns from Illinois gave some independent strength to feedstuffs.

Strength in hogs and grain tended to life provisions.
