### CONFERENCE REJECTS APPLICATION OF LOS ANGELES INSTITUTION

University of Southern California Denied Membership by Unanimous Vote; Action Was Totally Unexpected.

BERKELEY, Calif., Dec. 1.—(A. P.)—University of Southern California was unanimously excluded from the Pacific Coast inter-collegiate athletic conference meeting here Tuesday. The reason given by the conference was "the great distance between the Los Angeles school and the Oregon and Washington institutions involving time away from their respective schools to gether with the great financial problems involved." The conference was thoroughly satisfied with the applicants' scholastic standing. The decision was unexpected. Earlier in the day Dean Probert of the University of California had given out an unofficial statement that the University of Southern California would probably be admitted. The conference is in session behind closed doors.

### BOXING CLUB CHARTER IN NEW YORK REVOKED

NEW YORK, Dec. 1.—(A. P.)—The New York state boxing commission last night revoked the permit of the Central Manhattan Boxing club, which Monday night staged the lightweight contest between Willie Jackson and Johnny Dundee, because commissioners attending the contest said they were "wild infractions of the law, the laws of safety and a complete disregard of the rights and comfort of ticketholders."

The Central Manhattan club is the first club to have its permit revoked.

### BORLESKE IS BOOSTED AT WALLA WALLA FOR U. OF W. COACH JOB

Story Says Whitman Mentor is Offered Place at Salary of \$10,000; Len Allison Due to Walk Plank.

Walla Walla reports say that Nig Borleske, athletic coach at Whitman college, is considering an offer to coach the football team at the University of Washington next year at a salary of \$10,000. The story, beyond the rumor of an offer of the job to Borleske, has not developed further. The Whitman coach went to Seattle prior to the Dartmouth game to help coach the Sun Dodgers in the defense of the forward pass. He was on the job under Allison for several days, but from accounts of the game, the forward pass defense of Washington could not cope with the Dartmouth trial attack. Borleske has not committed himself particularly since returning to Walla Walla. While it is possible that he has been made an offer of the job, it is considered impossible that more than half the figure announced would be offered.

Before the war Gil Doble received in the neighborhood of \$2500 to coach the football team. At that time he was being paid more than any faculty member and nearly as much as the paid the president. President Henry Suzzalo went to work on a \$10,000 salary on a long contract and it is hardly possible that the athletic director would get the same stipend. Deans and heads of departments in northwestern universities are lucky to get \$1000 and it is a rule of the Washington president not to place athletics above scholastic considerations.

Len Allison, who took over the coaching job at Washington this fall, failed to make good. He had a bear of a defensive team but the Sun Dodgers could not score. It is felt certain that he will walk the plank. Borleske may be the man for the place but in these parts it is felt that Wash-

### GONZAGA WANTS GAME WITH NOTRE DAME 11

SPOKANE, Dec. 1.—A Gonzaga-Notre Dame Christmas day football game in Spokane appears a strong possibility, according to athletic authorities at Gonzaga university. Notre Dame is said to desire a western trip, and has proposed the Spokane game as one in Portland on New Year's day with Oregon Agricultural college.

As a first step the consent of the faculties of the three institutions is necessary, and it is understood that proposals to this end are now under consideration. The next matter is finance, as it is estimated the trip would necessitate an expenditure of between \$6000 and \$7000. Spokane's share would be in the neighborhood of \$2,400.

No eastern team is said to be more deserving of a western trip than Notre Dame. The eleven was successful uniformly last year, and during the season just closed took the measure of West Point, Penn State, Purdue and others. As an attraction Notre Dame would represent a strong drawing power, so that the matter of finance is temporarily secondary to faculty consent.

### WILLIAMS QUARTERBACK SCORES 22 TOUCHDOWNS

NEW YORK, Dec. 1.—(A. P.)—Benny Boynton, Williams College quarterback, leads the eastern college football players in point of individual scoring with a total of 143 points, accumulated in eight games of the 1920 season.

Boynton is the only player of the section to pass the hundred mark this year, his nearest rival being Pullback French of the army, whose score totaled 91. Halfback Mayer of Cornell finished third and his team mate Kay was fourth with 7.

La Salle's Williams is the foremost goal kicker, with a total of 27. While Boynton scored 22 touchdowns, which equals the record made by Barrett of Cornell in 1915, his total of 143 points is not up to the standard of recent
