GILL UPHOLDS HONOR OF FAMILY AGAINST BITTER FEUDAL ENEMY

That the female of the species is more deadly than the male is well shown in "The Thunderbolt," starring Katherine MacDonald, and which will be seen at the Arcade Theatre, commencing today.

As Ruth Pomeroy, only living member of the Pomeroy family, Katherine MacDonald is forced into a loveless marriage with Bruce Corbin, the only

living representative of the family which the Pomeroy's have hated for generations. Corbin through cold-blooded business dealings, has Allan Pomeroy in his power when the shock resulting from Corbin's threat that he will publicly disgrace Pomeroy unless Ruth Pomeroy marries him, kills Pomeroy. True to her promise, Ruth enters into this disastrous marriage with the hope that she may learn to love her husband. Her hopes are shattered, however, when she is told by Corbin that he married her not out of admiration for her beauty but to carry out his father's wish, that she should "get the last of the Pomeroy's."

How To Keep in Good Condition

Sound nerves, a clear head, good digestion, strength, endurance and general health depend upon clean blood. If the kidneys and bladder do not properly perform their functions, the blood cannot be clean and pure, for these organs filter and cast out the waste matter, impurities and poisonous acids that cause nervousness, rheumatic pains, backache, languidness, sore muscles, swollen joints, stiffness, puffiness under the eyes and other weakening symptoms.

FOLEY KIDNEY PILLS

soothe, strengthen, heal overworked, weak and diseased kidneys and bladder. When these organs are working properly, the blood is cleansed and purified, appetite returns, good digestion follows, refreshing sleep is possible, health and strength come again. They have brought relief to thousands of men and women who thought old age was coming on before it was due.

SIMPLEX SUNBOWL ELECTRIC RADIATOR
