### CHRONIC CATARRH

Follows Repeated Colds When Blood is Impure.

Your body suffering from a cold does not properly attend to digestion and elimination. As a result your blood becomes impure, it inflames the mucous membrane and brings about that condition which is chronic catarrh.

Purify your blood, make it clean, by taking Hood's Sarsaparilla, and if your bowels are not healthily active, take Hood's Pills. These medicines have relieved and prevented thousands of cases of chronic catarrh. Economy is one of the strong points of Hood's Sarsaparilla—100 doses in a bottle. Why not get it today?

# Fordson Farm Tractor

The Fordson cuts the cost of preparing land almost to half of what it cost with horses. But even more important is the fact that the Fordson saves from thirty to fifty per cent of the farmer's time. And time saved—getting fields in shape to plant in the proper season; getting things done when they should be done—means money to the farmer. Besides it helps greatly in solving the labor problem.

As ever, the machine way is proving more efficient, faster, easier than the old hand way. In the factory, the machine increases production, saves labor—produces more at less cost. And that is what the Fordson does on the farm. The Fordson way is the machine way of farming. Besides it helps the labor problem.

The Fordson's first cost is low; and the after or operating cost is low. It is a compact, easily handled tractor, backed by the greatest tractor service organization in the world.

We are Fordson dealers. Not only do we sell Fordson tractors, but we carry a stock of Fordson parts and employ Fordson mechanics to help the farmers get the best results from the Fordson. Let us demonstrate the Fordson on your own farm.
