

People Here and There

Lyman G. Rice, assistant cashier of the First National Bank, is ill at his home today with a gripe.

Frank Brotherton, of Walla Walla, who is well known here, stopped in Pendleton Thursday while en route to his home after driving from Portland by automobile.

E. B. Casteel, of Pilot Rock, recently was put forward as an appointee for the position of register of the U. S. land office at La Grande. At present he is busy with a nice Christmas trade which his large mercantile business, Casteel & Stanley, enjoys at Pilot Rock, and next summer, if he does not get sent to La Grande, probably will be the power behind the boys who represent his community in Baseball. Mr. Casteel is in Pendleton today.

Animals often have parts in a stage or movie play but one slugsy haired, innocent looking pup got his cue at the wrong time last night when he snatched onto the stage at the Oregon theater during a climax scene in the third act of "Would You?" The hound, a local stray, meandered up the steps from the orchestra pit to the stage and proceeded to make himself comfortable while the audience, suddenly distracted from the tense lines, burst into laughter. The unwelcome visitor was not to be coaxed off stage and submitted to being carried off without more than "disrupting the scene for a moment."

It seemed like old times to Guy Mat-

lock, manager of the three local motion picture houses, when he sat in the Oregon theater last night and watched four former motion picture actors entertaining a Pendleton audience in the flesh instead of on the screen. "I felt like saying 'Hello, Billy' or 'Hello, Mary' when I saw William Clifford and Mary Charleson," the manager said. "I never met them but in the 14 years I have been in business here as a theater man I have shown pictures with them as leads, many times." Mary Charleson formerly played leads with the Vitaphone productions and Mr. Clifford was with Kathryn Williams, Selig star, in the famous wild animal series several years ago. Mr. Walthall's pictures are well remembered. Sherman Hainbridge, company manager, played Indian and Mexican parts in western Universal releases. Mr. Walthall and Miss Charleson are in private life Mr. and Mrs. Walthall.

At least 15 automobile robes, and probably more that have not been noted as missing, were stolen from Pendleton cars which were parked at Pilot Rock last night while members of Eureka lodge of Oddfellows were paying a social call on their Pilot Rock brothers. The cars were entered by unknown culprits and a wholesale robe shower ensued. At first the local men thought that a joke had been played on them but when it was shown that the robes had been torn, and other damage done in getting into the cars, they decided a wholesale theft had been perpetrated. One man from here reported the loss of four robes.

from his car, while reports from others this morning brought the total to 15.

For 20 years a steamboat captain, Captain L. T. Hosford has commanded steamers in the Columbia and Willamette rivers and is president of the Hawkins Transportation Company. While he is a veteran captain, his son, Lyle Hosford, is one of the youngest steamboat captains in Oregon. Captain and Mrs. Hosford returned to their home in Portland yesterday after a visit at the home of Mrs. Hosford's brother, A. J. Owen. While in Pendleton Captain Hosford renewed old acquaintances with Dr. W. D. McNary whom he had not seen for many years.

Taking Desperate Chances
It is true that many contract severe colds and recover from them without taking any precaution or treatment, and a knowledge of this fact tends others to take their chances instead of giving their colds the needed attention. It should be borne in mind that every cold weakens the lungs, lowers the vitality, makes the system less able to withstand each succeeding attack and paves the way for the more serious diseases. Can you afford to take such desperate chances when Chamberlain's Cough Remedy, famous for its cure of bad colds may be had for a trifle? Chamberlain's Cough Remedy the Mother's Favorite

The soothing and healing properties of Chamberlain's Cough Remedy, its pleasant taste and prompt and effective cures have made it a favorite with people everywhere. It is especially prized by mothers of young children for colds, croup and whooping cough as it always affords quick relief and is free from opium and other harmful drugs.

When You Are Constipated
To insure a healthy action of the bowels and correct disorders of the liver, take two of Chamberlain's Tablets immediately after supper. They will not only cause a gentle movement of the bowels, without unpleasant effects, but banish that dull, stupid feeling, that often accompanies constipation.

Mrs. Laura M. Hoyt Recommends Chamberlain's Tablets
"I have frequently used Chamberlain's Tablets, during the past three years, and have found them splendid for headache and bilious attacks. I am only too pleased, at any time, to speak a word in praise of them," writes Mrs. Laura M. Hoyt, Rockport, N. Y.

Schrimsher was admitted to probate today and Alice Ann Schrimsher, his widow, confirmed as executrix. The deceased left real property valued at \$1500 and a small amount of personal property. William Anderson, Eli Tolson and E. J. Davis were named to appraise the estate.

The levy for 1920 will shortly be fixed on the basis of these figures.

Treasury Contains \$192,908.08.
The Umatilla county treasury on Dec. 1 contained \$192,908.08, the report of Miss Grace A. Gilliam, presented to the commissioners yesterday afternoon, showed. Of this \$96,393.47, or about half, is in the road bonding fund. The general fund contains \$25,460.89, but after November's bills are paid it will be depleted by about \$20,000. The treasurer predicts that by January 1 the treasury will be virtually empty.
