INTERESTING GUEST VISITS

The president in Pendleton yesterday of Miss Elizabeth Fox, dean of women at the University of Oregon, was the inspiration for a number of events of interest. Dean Fox was the guest of Mrs. James Johns at her home on Jackson street and at the luncheon hour she was complimented by Mrs. Johns and Mrs. G. W. Phelps who asked a few friends to be their guests at the Elks club. The affair was most informal and the list included several mothers of University of Oregon students.

Dean Fox spoke at 3 to an audience in the Auditorium of the library. "What the University Stands For," was her theme and in describing the various departments Dean Fox emphasized the list of widely distinguished men who are serving on the University of Oregon faculty. She described, as far as words suffice, the famous "Oregon spirit," and she went on to explain the quadrangle plan under development in campus additions, special mention being given to provisions for women.

Dean Fox was introduced by Mrs. Lyman G. Rice, University alumna,

and several musical numbers added to the program. Mrs. Vinton Robinson playing a charming violin solo with piano accompaniment by Mrs. David R. Hill. Mrs. J. B. McCook and Mrs. Raymond Hatch sang a delightful duet with Mrs. S. H. Forshaw as accompanist.

Mrs. Fox was greeted by many friends here and she departed at 5 after a visit of only a day.

THURSDAY CLUB TO MEET

Mrs. S. A. Lowell and Mrs. A. J. Owen are to be hostess tomorrow for a meeting of the Thursday Afternoon Club.

CHURCH BAZAAR PLANNED

The Baptist Ladies' Aid Society will hold a sale of cooked food and miscellaneous articles Saturday. The

Oldsmobile room opposite Hotel Pendleton will house the affair which is scheduled to open at 10 o'clock.

Mrs. Louise Lamplin is chairman of the apron booth, Mrs. Will Wyrick of the fancy work, Mrs. E. W. Meyer of the cooked food, and Mrs. Mason Thompson will have charge of the candy table.

ORCHESTRA COMPLIMENTED

Eighty-five friends were guests at the home of Mr. and Mrs. J. N. Scott in Lewis street last evening when members of the choir of the Christian Church entertained in honor of the McDonald orchestra. The fourteen orchestra members play each Sunday evening at the church services.

The game of "rook" afforded merry diversion for the earlier hours, 15 tables being arranged through the spacious rooms, and each was uniquely covered with a brilliant crimson point. More of the Yuletide motifs appeared about the home, their vivid color yielding with the rust of ragged yellow chrysanthemum. An informal program added pleasure through the following numbers:

Songs... Mrs. David T. Stone of Athens
Songs... Mr. Scott
Male Quartet...
James Phillips, Harry Hooper, Walter Freeman, Mr. Scott

A delightful buffet supper marked the final hour and the evening proved a most enjoyable one, the entertainment of the choir members being graciously supplemented by the hospitality of Mr. and Mrs. Scott.

BRIDE-TO-BE IS HONORED

Miss Verne Mineau, fiancée of Clyde Overby, of Baker, was complimented in a charming way last evening when Miss Eula Simpson, Mrs. Ed Stansbury and Mrs. George Swartz entertained at the home of Mrs. G. W. Simpson on West Court street.

Hearts in crimson and white profusion decked the rooms and at the conclusion of a prettily appointed buffet supper, ribbons lacking a hump heart, were cut and a deluge of dainty gifts showered down upon the bride-elect.

A cleverly arranged mock wedding filled the final hour and proved a unique diversion, apropos of the not-far-distant event.

The guest list included Miss Mineau, Mrs. Simpson, Miss Lillian Culley, Mrs. Thomas Barclay, Miss Helen Romander, Mrs. Guy Monney, Miss Faith Snyder, Miss Pauline Dohnerl, Miss Minnie Knapp, Miss Laura Schwartz, Mrs. H. S. Crispin, Miss Cora Bender, Miss Hazel Muir, Miss Lola Swagart, Miss Evelyn Hard, Mrs. Ed Gehl, Mrs. Granholm, Mrs. Stansbury, Mrs. Schwartz, and Miss Eula Simpson.

COX WOULD EXPEDITE HARDING'S PROGRAM

GOVERNOR, Dec. 8.—(U. P.)—Governor Cox, defeated democratic candidate for president, today wired Senator Harding offering to appoint Senator-elect Frank B. Willis to fill the unexpired portion of Harding's term as senator, should Harding care to resign immediately.

Governor Cox's telegram to the president-elect follows:
"I have read in the papers of your intention to resign from the senate January 19 or 21, at which time the new governor will appoint Senator-elect Willis. I have no doubt that in preparing for your executive tasks you are desirous at the earliest possible moment to bring your senatorial responsibilities to an end. If it will in any way give furtherance to your plans or add to your convenience, I shall be most happy to appoint Mr. Willis immediately upon your resignation. This suggestion is prompted by a spirit of helpfulness which must possess all people without regard to political association if the government is to efficiently meet the needs of humanity."

WHY DRUGGISTS RECOMMEND SWAMP-ROOT

For many years druggists have watched with much interest the remarkable record maintained by Dr. Kilmner's Swamp-Root, the great kidney, liver and bladder medicine. It is a physician's prescription. Swamp-Root is a strengthening medicine. It helps the kidneys, liver and bladder to the work nature intended they should do.

Swamp-Root has stood the test of years. It is sold by all druggists on its merit and it should help you. No other kidney medicine has so many friends. Be sure to get Swamp-Root and start treatment at once.

However, if you wish first to test this great preparation send ten cents to Dr. Kilmner & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention this paper.

FARMERS ARE ADVISED THAT CLOUDS WILL LIFT

Expressing the desire of the federal reserve board to do everything it properly can to help the farmers in their present predicament, Governor Harding declared it was impossible for any banking system to provide funds for withholding all staple crops entirely from the market for any length of time. Some agricultural products, he said, may not be salable at any price and as they must be carried over for account of some one, "they had better be carried for the account of the producer."

He suggested that the federation consider co-operative marketing, the greater diversification of crops and the maturing of farmers' obligations over periods extending from October to March as a means of preventing a repetition of present conditions.

REPUBLICANS DISMISS WILSON'S SUGGESTIONS

WASHINGTON, Dec. 8.—(U. P.)—President Wilson's recommendation to congress will be dismissed with scant attention by republican leaders today, they made it plain today in discussing the message read to congress yesterday. The republicans said in effect that while they agree with Wilson that the reconstruction job should be tackled and finished as soon as possible, there is no hope of agreeing with him regarding the methods to be followed. One exception is noted in the general rejection of the president's request for immediate action. This was the budget bill, "which is scheduled to pass soon."

CLARA SMITH, SOUGHT FOR MURDER, LOCATED

FORT WORTH, Texas, Dec. 8.—(A. P.)—That Clara Smith, sought in connection with the killing of Jake L. Hanson, is in a small Mexican town opposite El Paso, Texas, and will surrender in a day or so on the advice of her counsel, was asserted here yesterday following a conference between the young woman's father and a firm of attorneys.
