STOP, THINK, REFLECT

Then come to Pendleton's greatest sale, and share in the most stupendous, startling and sensational bargains for women ever known, before or since the war. We admit the offerings and prices in this ad stagger belief, and may seem too good to be true, but they are true; in fact they are bigger and better than they appear in print, because stocks are absolutely new, purchased for 1920-21 winter trade, so be here when the doors open for the last and final sacrifice and buy Dress Goods, Underwear, Hosiery, Draperys, Ribbons, Coats, Suits, Dresses, Waists, Furs and Shoes etc. at a mere fraction of their actual worth. The time to dispose of the balance of this stock is shockingly short. We have taken heroic measures to clear the stock. If you appreciate values, here's your chance to profit by our desperate and determined effort to close out every article in this stock, and wind up the affairs of the R. D. Sayres & Co. by January first. It is your one great opportunity of a lifetime to buy really dependable, new, reasonable merchandise at slaughtered prices. Think how young the season is. Think of the economy of buying stylish wearing apparel and shoes, while you can still have the satisfaction of knowing that you are up-to-the-minute in fashion! Then come to the Great Sayres sale and take advantage of these terrific smashing bargains that are made possible only by unforeseen circumstances! Never in all your life will you regret your decision! It will mean many a dollar actual money savings to you! PLEASE BEAR IN MIND! This is no sale to readjust prices, or meet the public's demand for lower prices. It is a legitimate sale, for a legitimate reason and purpose, and no store or mail order house in the United States dare attempt to sell merchandise of equal quality at similar prices. It would positively mean bankruptcy to any store attempting to meet these prices.
