Earl Palmer Departs

Earl Palmer, who during the war served in U. S. Navy, left Friday for Corvallis. He will be a student at O. A. C. and will take vocational training.

School Department Added

Beginning with today, the East Oregonian will each Saturday bring news notes from the local grade schools, under the heading, "What Pendleton Grade Schools Are Doing." Each grade in each school has been asked to contribute news for the department.

Athens Adopts Program

The first of Umatilla county towns to adopt a community program under the direction of the home bureau, is Athens, says Mrs. Edith G. VanDeusen, home demonstration agent. Athens women recently appointed committees to arrange for various schools and for a consecutive program of club and social work. December 13, the community will hold a street fair, followed by a dance, the proceeds to be used to pay for the piano bought by the community club. The committee appointed to take care of the year's program consists of Mrs. Scott Fisher, Mrs. C. A. Smith, Mrs. M. M. Rice, Mrs. Ralph McSwain, Mrs. W. R. Ferguson, Mrs. Charles Dudley, Mrs. Fred Boyd and Mrs. VanDeusen.

Local Woman to Aid

In response to a request from Mrs. A. E. McFarland, of the Umatilla home bureau, Pendleton women will assist the west end bureau to become a departmental club. Mrs. E. T. Wade will explain civic club work, Mrs. D. D. Hobart, literary club work, and Mrs. Edith G. VanDeusen, home demonstration agent, will explain home economic work and the social side of club work. The visit will be made soon. The Umatilla home bureau has 65 members and last year handled \$1000 in funds.

Manager of Grocery

Clarence Hagell has accepted a position with the Economy Grocery. He will act as manager.

Fred Bennion at Columbia

Fred Bennion, county agriculture agent, is in Columbia today to attend the poultry culling demonstration.

Creditors Do Not Appear

No creditors appeared at the meeting called for them, Friday, in the case of N. E. Margan, bankrupt, and the case was ordered closed up by Judge Thomas Pitt Gerald, referee in bankruptcy. The man listed no assets other than exempted household goods. The records in the case were sent to the U. S. court at Portland last night.

S. A. Kettles Appear

As a forerunner of Christmas, the Salvation Army kettles appeared today on Pendleton streets, bearing the legend "Keep the Pot Boiling for Christmas Cheer." The kettles are under the care of Brother Newkirk and Miss Alice Kelley, members of the S. A. Later a third kettle will be used, under the management of Lieutenant Mabel Lundon, who is ill at present.

Duck Hunters to Go Out

Several parties are being planned for early morning duck shooting to the west end of the county Sunday. The storm is expected to bring lots of ducks onto the ponds and some good bags are anticipated. Among the local men who announced their intention of shooting tomorrow were: John Baker, Mack Foster, Guy Wyrick, Sol Baum, Guy Matlock, Jim Estes and Col. J. H. Raley.

Pendleton Well Up in Paving

Pendleton, sixth in population of the cities of Oregon outside of Portland, stands third in the number of yards of paved streets, according to a chart just received here by the Warren Construction Co. Salem leads with 278,000 square yards and Eugene follows with 244,000. Pendleton has 202,000 and work under contract and in sight will add to that figure 25,000 yards, placing Pendleton almost on a par with Eugene.

Singers Are Enjoyed

A throng of Pendleton Elks and their friends crowded the lodge room last night for the Brown's Jubilee concert, the first of a series of entertainments to be given this winter by the lodge for its members. The singers, a quartet of colored people, proved themselves adept musicians and were well received by the audience. Ensemble numbers, solos and duets comprised the program, with negro camp singing songs as the leading feature.

Banquet Planned for Friday

A banquet at 6:30, to be followed by work in the royal purple degree for a class of 30, is the program for Umatilla Encampment No. 17, I. O. O. F., for next Friday evening, Dec. 17, in Oddfellows hall. Earl Williams, Dr. R. B. Brundage and M. A. Ross are a committee in charge of the banquet. Last night the order initiated three men into the encampment. There will be a class scheduled for next Friday night, are expected to swell the total gain for the year to 100.

May Form Town Team

Plans for the formation of a Pendleton club-basketball team, to meet town teams from other communities nearby and to furnish opposition for the high school are being discussed in the city. Ed Olson, one of the movers of the plan, has called for a meeting of basketball men interested at the high school gym on Monday evening at 7:30. There are said to be a lot of fast basketball men in this community and if efforts are successful in getting a club together, games with Y. M. C. A. fives and other clubs probably will be arranged.

Big Gale Visits City

A fifty-mile gale blew in Pendleton last night, breaking windows, tearing down roofs and blowing weeds and all loose objects about the streets. The wind was followed by a driving torrent of rain, which reached a total precipitation of .85 inches. Among the windows broken was one in the lodge room of the Elks building where the crash of broken glass started the hundreds of local people assembled for the concert. A glass, 48 by 60 inches, in Dr. F. L. Ingram's office, was shattered. The mercury dropped to 33 last night, one degree above freezing.

Another McCook Opens Bank

Nelson McCook, brother of J. R. McCook, vice president of the American National Bank, and of B. G. McCook, formerly implement dealer, of Pendleton opened the California National Bank at Long Beach, Cal., last week, with 697 new accounts on the first day. The total of deposits for the opening day was \$211,000. The bank is capitalized for \$200,000. Mr. McCook is the third of his family to come west to enter the banking business, a brother, R. D. McCook being president of the American National Bank at San Bernardino, Cal. He sold his interests at Sumner, Iowa, to open the new institution at Long Beach. Nelson McCook was a visitor here a year ago while on his first trip west.

Sheriff-elect Names Three

Three deputies whom Sheriff-elect Zeph Houser will appoint when he goes into office January 1, 1921, were announced by him on Friday. His daughter, Mrs. Nona McFall, of Echo, will have charge of the tax books and records, while Wes Spear of Freewater, and Dave Lavendar, of Weston, will be deputies. Mr. Spear has just resigned as city marshal at Freewater and Mr. Lavendar has been a road supervisor for the county. Mrs. McFall is with the Bank of Echo as a bookkeeper. Although the present force at the sheriff's office consists of four deputies and three tax collectors, one more position to be filled, the sheriff-elect has not indicated a disposition to retain any of those at present employed.
