

News of Pendleton

CALENDAR OF EVENTS

- Dec. 15.—Meeting of Pendleton members Tri-State Auto Club.
- Dec. 17-18.—State Wool Growers meet here.
- Dec. 20-24.—Pruning school at Freewater.
- Dec. 28-29.—Second Annual meeting Oregon State Chamber of Commerce, Portland.
- Dec. 28-29.—Grain and forage school, Pilot Rock.
- Dec. 29-31.—Annual meeting O. S. T. A., Portland.
- Jan. 18.—Annual meeting of Round-Up directors.

Weather is Warmer.

Just a year ago yesterday Pendleton people stepped reluctantly and shiveringly into an atmosphere of way, way below zero and spent the day sheltering ears, noses and toes from a possible freeze-up. For on December 13, 1919, the mercury went not a whit higher than zero during the so-called warmest part of the day, while the temperature on the night of the thirteenth was 28 below. Yesterday the maximum was 52, the sun was

shining and the mercury in the night went to 36, four degrees above freezing.

Agent in Hermiston.
Fred Bennion, county agriculture agent, went to Hermiston today to attend a meeting of the Hermiston Farm Bureau. Plans for the year's work will be made.

School Library Completed.
Cataloging of the high school library and its systematic arrangement were completed yesterday afternoon. Miss Baber, Naason and Miss Freda Glover, of the county library, assisted Miss Hazel Wyrick in the work which required several days.

S. H. Woods Recovers.
S. H. Woods, forest ranger on the Umatilla National Forest, has recovered from an accident which occurred near Bingham while Mr. Woods was assisting in road building. A tree struck Mr. Woods and injured his back. He has been convalescing at St. Anthony's hospital.

Two Resignations Acted Upon.
The resignations of two members of the Pendleton school teaching force were presented and accepted by the school board at the monthly meeting last night. Successors were also el-

ected. The other work of the board consisted in auditing and ordering paid the bills for the past month and other routine matters.

Sidewalk Grades Fixed.
Sidewalk grades for Ash street between Railroad and West Webb are being completed in the office of the city engineer. In order to establish the grades it was necessary to survey for two blocks on Railroad on either side of Ash street. The blue prints are now being made. About 150 feet of walk, in front of three lots, is to be laid at once.

Rabson Wants Pendleton Figures.
The Rabson Statistical Organization has requested of the Pendleton Commercial Association that it furnish monthly the totals of check transactions by the Pendleton banks. Two of the banks have agreed to furnish these figures and if the third will fall in line the association will send in monthly data. This will place Pendleton in the list of cities which are mentioned in this report.

Takes Inspector's Job.
Alfred Fitz Gerald, who recently returned to Pendleton after superintending construction work in North Dakota since spring, has taken a position as inspector with the city engineer's department and went to work on Monday. He will oversee the laying of paving for the city and pass upon it before its acceptance. Mr. Fitz Gerald has had a number of years' engineering experience and his addition will release City Engineer F. B. Hayes for other important work.

Youth to Have Trial.
Melvin Sutton, a juvenile who was connected with the holdup, at Round-Up time, of the colored men's pastime resort in rear of 444 Main street, will be taken before the juvenile court this afternoon for trial. District Attorney R. I. Keator said today. Sutton went through the pockets of the hold-up victims while H. M. "Billy" McGee held them covered with a gun. McGee will be held to the grand jury.

Urge Action on Budget.
The Pendleton Commercial Association today received a request from the Chamber of Commerce of the United States asking that the local body take up with Oregon's senators the matter of passing the McCormick-Good budget bill. This bill was passed by the house after being revised to meet with the president's wishes and now rests with the senate. Unless it passes at this session it will have to be started all over again by the next congress.

Will Be in T. P. W.
E. O. Draper will with the new year be in charge of the bookkeeping department at The Peoples Warehouse, succeeding John Dickson, who resigned. Mr. Draper accepted the position some time ago but announcement was not made until today. He is an experienced bookkeeper and during the year has been head of the commercial department of the Pendleton high school, which position he resigned. Prior to teaching here, Mr. Draper was head bookkeeper at Sayres.

Recruiters Are Busy.
The navy recruiting office in Pendleton expects to get eight more recruits this month, making a total of 14, the quota for this office. Word was received today that the goal of the navy is 21,000 men by March 1. The Portland division, of which Pendleton is a part, is leading all divisions on the west coast, having exceeded by 27 a quota of 34 men. Men who enlist in the navy now will be granted leave until after Christmas, according to F. R. Weaver of the Pendleton office.

Banquet Is Success.
Forty of the representative business and professional men of Pendleton were present last night at the parish hall of the Church of the Redeemer at a dinner in honor of Bishop Frederick W. Keator, of the Olympia diocese of the Episcopal church. The dinner was cooked and served by the men, assisted by the youths of J. T. Lambirth's Sunday school class. Harold Warner acted as toast master and talks were given by Bishop Keator, George Baer and Rev. Alfred Lockwood, pastor of the local church.

Old Car Shows Power.
A Dodge roadster, repaired by the Ellis-Schiller Co., after it had been considerably smashed by Ray McCarrroll two weeks ago, last evening was driven half way up the side of the Ellis-Schiller garage building as a test of its power. The front wheels were piloted up two boards and the rear wheels then blocked. The angle of the car is fully 45 degrees today. This afternoon Rex Ellis will attempt to run the front wheels higher on the wall. The car was repaired in three days after the whole left side had been damaged in the race across the pedestrian lane of the Main street bridge.

Pythians Initiate and Elect.
Six men were given the Esquire rank in the Knights of Pythias at the weekly meeting of Damon lodge No. 4 last night. An election of officers for the ensuing year was held with the following chosen: H. R. Mangold, chancellor; R. R. Hammersey, vice commander; Ross Maloney, prelate; D. B. Snyder, master of work; J. H. Quinn, keeper of records and seals; W. D. Humphrey, master at arms; W. I. Gadwa, master of exchequer; Paul Schlessner, inner guard; Cliff Bender, outer guard; J. H. Morris, trustee for three years. The lodge decided that the Christmas tree for the Salvation Army youngsters will be held in the lodge room on Monday evening Dec. 27 and a program will be given by the children. Gifts will be presented by the lodge.

To Cure a Cold in One Day
Take Grove's LAXATIVE BROMO QUININE tablets. The genuine bears the signature of E. W. Grove. 30c.—Adv.
