

Women of Middle Age

Owing to modern methods of living not one woman in a thousand approaches this perfectly natural change in her life without experiencing a train of very annoying and sometimes painful symptoms. Those dreadful hot flashes, smothering spells, fainting spells, nervous troubles and irregularities are symptoms that should have prompt attention. These two letters prove what a successful remedy Lydia E. Pinkham's Vegetable Compound is for women at this time of life.

These Two Women Helped During Change of Life.

Taunton, Mass.—"I could not eat or sleep for six months, had fainting spells and could not walk without help for three months, caused by female trouble. My cousin, who was a doctor, told me to take Lydia E. Pinkham's Vegetable Compound and it helped me greatly. Then during the Change of Life I used the same remedy. I am seventy years old now and am able to do my own housework and walk one mile to church every Sunday morning and evening. I am recommending the Vegetable Compound to my friends having the same troubles as I had. Your remedy is the best on earth. I cannot find words to express my gratitude for it."—Mrs. SUSAN C. STAPLES, 157 B School St., Taunton, Mass.

Philadelphia, Pa.—"I want to let you know what good Lydia E. Pinkham's Vegetable Compound has done me. I had organic troubles and am going through the Change of Life. I was taken with a pain in my side and a bad headache. I could not lie down, could not eat or sleep. I suffered something terrible and the doctor's medicine did me no good at all—my pains got worse instead of better. I began taking the Vegetable Compound and felt a change from the first. Now I feel fine and advise any one going through the Change of Life to try it, for it cured me after I had given up all hopes of getting better. I will tell any one who writes to me the good it has done me."—Mrs. MARGARET DANZ, 743 N. 25th St., Philadelphia, Pa.

WASHINGTON, Dec. 14.—(U. P.) The proposal to temporarily halt immigration Monday finished the first lap of its course through congress when the house adopted the Johnson bill by a vote of 292-41. As finally amended just previous to its passage, it provided that all immigrants be barred for a period of one year and that wives and blood relatives of naturalized immigrants may be admitted.

DANIELS FROWNS UPON JAPANESE AGREEMENT

WASHINGTON, Dec. 14.—(U. P.)—The agreement between England, Japan and the United States to limit naval armaments does not meet with the favor of Secretary Daniels, he told newspapermen Monday. He said that he would endorse the understanding to reduce sea power only in the event it becomes worldwide in character. Agreement among any certain powers would appear too much like an alliance and would arouse the suspicion of other nations, Daniels said.
The secretary indicated that when he goes before the house naval committee tomorrow to report his naval construction program he will urge that an increase of the American navy is imperative until the United States enters a world-wide disarmament agreement.

Taking Desperate Chances

It is true that many contract severe colds and recover from them without taking any precaution or treatment, and a knowledge of this fact leads others to take their chances instead of giving their colds the needed attention. It should be borne in mind that every cold weakens the lungs, lowers the vitality, makes the system less able to withstand each succeeding attack and paves the way for the more serious diseases. Can you afford to take such desperate chances when Chamberlain's Cough Remedy, famous for its cures of bad colds may be had for a trifle? Chamberlain's Cough Remedy the Mother's Favorite

When You Are Constipated

To insure a healthy action of the bowels and correct disorders of the liver, take two of Chamberlain's Tablets immediately after supper. They will not only cause a gentle movement of the bowels, without unpleasant effects, but banish that dull, stupid feeling, that often accompanies constipation. Mrs. Lema M. Hoyt Recommends Chamberlain's Tablets. "I have frequently used Chamberlain's Tablets during the past three years, and have found them splendid for headache and bilious attacks. I am only too pleased, at any time, to speak a word in praise of them." writes Mrs. Laura M. Hoyt, Rockport, N. Y.
