The workmanship on these fine Suits, Coats, Dresses, etc., is absolutely the very best that human hands are capable of turning out. The materials are the very best obtainable anywhere. Standard makes that means to merchandise what Elgin means to a watch and Sterling means to silverware. Women of Pendleton and Surrounding Country, Take Notice

BEAR IN MIND! this is not an ordinary, so-called "Clearance" sale, neither is it a sale to re-adjust prices to conform with the public's demand for lower prices, but a bonafide GOING OUT OF BUSINESS SALE. We are determined in our efforts to dispose of this entire stock and we well know, in order to bring about this herculean task, we must cut and cut deeply. This we have done to the limit. We have not spared the BIG BARGAIN KNIFE. Merchants have not, dare not, attempt to meet the gigantic reductions we have made, to do so would mean commercial suicide and utter ruin to them. We are GOING OUT OF BUSINESS, that's the reason. We must and will close out this entire high-grade stock regardless of cost, profit or present value.
