NEGRO SAYS OFFICERS FORCED FALSE STORY

CHICAGO, Dec. 15.—(A. P.)—Edward Valentine, a negro arrested a few days ago at the request of the Kokomo, Ind., police, last night told the police that a "confession" he had made last night of a \$2,000,000 mail robbery was thought up on the spur of the moment to satisfy detectives who kept him from going to sleep by their continuous questioning.

"Those detectives wouldn't let me sleep," Valentine said. "They kept asking me about everything in the world and I was getting too tired to keep on answering. I thought of the Omaha mail robbery, so I told them a nice story about how I was one of the gang that robbed the car and that we got \$2,000,000. That satisfied them so they let me alone and I had a fine nap. But I wasn't in that robbery at all. I just wanted to go to sleep."

LEONARD AND MITCHELL MATCHED FOR JANUARY

They have posted \$1000 forfeits.

The net profits of the bout will be donated to the fund for devastated France, the American executive committee of which is headed by Miss Anne Morgan. Promoter Tex Rickard has donated the use of the Garden for the bout.

CHRISTMAS JOYS ARE DENIED UNRULY LADS

WEST ORANGE, N. J., Dec. 15.—(A. P.)—Christmas this year is to be a joyless festival for three West Orange boys of 10 to 12 years who yesterday were sentenced by City Recorder J. B. Lander to receive no holiday presents, take no part in any Christmas festivities and go to bed at 6:30 every evening for a month, including Christmas eve.

PENDLETON IS FIFTH IN STATE IN BANK FUNDS

Pendleton, with \$5,561,952.32 in bank deposits in its three banks, occupies fifth place in the list of 39 banks in Oregon having total deposits of \$1,000,000 or more, according to the November report made yesterday by Will H. Bennett, state superintendent of Banks.

Pendleton's deposits are exceeded by Portland, Salem, Astoria, and Eugene. Milford, also in the million dollar deposit class, is twenty-seventh in the list, with \$1,251,631.49, in its two banks. Athena, which appeared in the list September 8, failed to qualify.

The total deposits for all banks were \$281,420,968.48, of which \$25,814,161 was in time and savings accounts and the remainder in demand deposits, the report shows.

Time and savings deposits have increased \$9,902,178.72 since November 17, 1919, and \$328,956.70 since September 8, 1920. Demand deposits have decreased to the extent that there has been a net loss in these accounts aggregating \$1,309,354.72 since November 17, 1919, and \$3,043,182.19 since September 8, 1920.

Portland deposits have decreased \$2,206,247.12 since September 8, 1920, and deposits in most of the other towns and cities of the state also have fallen off since that date.

AIM OF AUTO CLUB IS MORE CENTRALIZATION

Organization of a more centralized automobile association, with A. A. ing can better be advanced with a

more centralized direction here, inspired the move to effect a reorganization from the present arrangement. No dissatisfaction has arisen with the present alliance, it was pointed out. The manner in which future relations will be maintained was left in the hands of the local men who are directors of the Tri-State club.

Expansion to include members in all the towns of Umatilla county is desired by the local club. Another suggestion is that a man be employed as full time secretary, to compile road information, direct auto tourists, and be in charge of the camping ground during the summer.

An invitation to take a direct membership in the American Automobile Association was received. The Tri-State club now belongs to this national organization and the local club, if effected, probably will retain A. A. membership.

WASHINGTON, Dec. 15.—(A. P.)—An epidemic which American naval doctors have diagnosed as smallpox, but which medical authorities believe to be Kafir pox, prevails in Jamaica. Latest reports to the public health service, it is said, indicate that there were 230 cases of the disease on the island Nov. 20. No quarantine has been imposed by the British authorities.

WASHINGTON — President-elect Harding and Senator Henry Cabot Lodge are shaking hands on the Capitol steps. Senator A. B. Fall of New Mexico is shown in the background. Lodge thought Harding looked exceedingly well after his southern vacation. "You're looking fine!" he said.

WASHINGTON, Dec. 15.—(A. P.)—The Tri-State club, which has headquarters in Walla Walla, will be bought by the Pendleton branch of the Tri-State Auto Club, which met last evening in the Commercial Association rooms.
