Merchandise Certificate to those of your friends or relatives in Pendleton whom you wish to remember at Christmas time.

Decide upon the amount forward it to us and the certificate will be mailed direct upon receipt of the recipients name and address and your personal card for enclosure, or better still, if you can call in person and make the arrangements.

This method eliminates all responsibility on the part of the "giver" and the 'remembered" can not help but be happy over the opportunity to choose exactly what they want in their favorite store.
