REMEMBER THIS-"CATERPILLAR" 75 TRACTOR IS BY FAR THE MOST POWERFUL TRACTOR ON THE MARKET TODAY

"Caterpillar" 75 Tractor stands first in power—it has become the standard machine for deep plowing, subsoiling, chiseling, leveling and ther heavy work. It stands first in economy, using less fuel and oil-than other tractors

considerably less horsepower.
It stands first in accomplishment—results behind the drawbar. It s geared right-on direct drive it handles a big width of plows at the

proper plowing speed, It stands first in accessibility—a more important advantage than most people realize, for in the course of a year it means a considerable

most people realize for in the course of a year it means a considerable saving of the time necessary for cleaning, olling, adjusting, etc.

"Caterpillar" 75 Tractor works on any ground surface without power-loss due to slippage. It turns as short as the implements can follow. Its durability is proved by the fact that the first "75s" built. seven years ago, are still in successful service. It is backed by REEAL factory service that insures success and eliminate delay in the field. It

is built better, especially since the adoption of rigid Government standards during the war, than any other tractor.

You can get immediate delivery of a "Caterpillar" 75 Tractor if you place your order without delay. Buy now and be equipped to do your work properly, economically, quickly,
