JOE LYNCH STEPS INTO BANTAMWEIGHT HONORS BY BEATING CHAMPION

Little New Yorker Takes 10 Out of 15 Rounds in Fight With Pete Herman and is Winner by Judges' Verdict.

MADISON SQUARE GARDEN, New York, Dec. 23.—(A. P.)—Joe Lynch, the little boxer from the west side of Manhattan island, who jumped into prominence about three years ago as a likely boxer, won the bantam-weight championship of the world from Pete Herman of New Orleans in a 15-round battle at Madison Square Garden last night. The men weighed in under 118 pounds, as called for in the articles of agreement, at 2 o'clock in the afternoon, but the official weights announced by the state boxing commission when the men entered the ring were 116 pounds for each. Lynch looked the much more drawn of the two men when the bout began, while Herman was in the better condition so far as looks went. Herman was an odds-on favorite in what betting was indulged in, 2 to 1 being freely offered that he would retain his championship.

Both boys were nervous at the outset. Lynch's advantages of height and reach soon were apparent and excessive cautiousness on the part of Herman cost him any chance he might have had to hold his title.

In the rounds where he had the better of the argument but in only one of these had he any decided advantage over Lynch. In this round he had Lynch in difficulty but that was all. Herman's defense at times was puzzling to the challenger but when ever he landed one of his long lefts or right hooks or swings, a grin of satisfaction spread over Lynch's countenance.

nance while Herman's face denoted that he was afraid of his opponent's wallop.

In the rounds where he had the better of Lynch, Herman took chances. When he did attack he was very successful, but these efforts were only spasmodic, while Lynch was the aggressor in all the rest of the rounds. Lynch clearly outpointed his man in ten rounds. Herman had four and the opening session was just about even.

CHICAGO TAKES HOLD OF WRESTLING GAME

CHICAGO, Dec. 23.—(A. P.)—Wrestling was placed under control of a city athletic commission today when the council passed an ordinance creating the commission to regulate the sport. The commission will be composed of Mayor Thompson, Chief of Police Fitzmorris, two aldermen and two citizens. The body has full power to issue or revoke licenses for shows. Wrestlers must obtain a license before they will be permitted to appear in matches. All matches must be submitted to the commission for approval. The action grew out of an alleged "fake" match when broke up in a riot.

MOOSE JAW BASEBALL TEAM WOULD SELECT TRAINING CAMP HERE

Letter From "Junk" Walters to Local Man Says Nick Williams Would Like to Bring Canadian Nine to Pendleton.

Nick Williams, the same old blond thatched Nick who used to cavort as manager of the Portland Colts, wants to bring his Moose Jaw team of the Western Canada League to Pendleton for the spring training season in April, 1921. A letter from Karl "Junk" Walters, former Pendleton first baseman and last year with the Spokane team in the Pacific International League, to L. D. Drake, conveyed the information. Walters wants to know what sort of inducements Pendleton would offer to the Williams men to come here for the training season. Several years ago Pendleton was the training ground for the Portland Colts and baseball used to thrive here. The proposition probably will be put up to the Pendleton Commercial Association.

Walters said that there is talk in Spokane of forming a new league in the Inland Empire cities as a result of the recent reorganization of the P. I. League. Spokane, Lewiston and Wallace Idaho, Walla Walla and Pendleton are among the cities mentioned, he said.

The former Buckaroo is employed in Spokane for the winter but says that he still considers Pendleton his home and that he will be here in March to spend a month.

J. A. Murray, local manager for the Pacific Telephone & Telegraph Co., took No. 8 to Milton this morning to look after company business there today.

Uncle Joe Helps the "Baby"

"Uncle Joe" Cannon is shown here giving the "Baby of the House," Representative Clarence J. McLeod, 25, a few tips. "Uncle Joe" is the oldest member of the House in point of service. He was battling on the floor before McLeod was born. "Uncle Joe" predicts a great future for the "baby congressman," remarking that "he was smart enough to come to the right place for pointers."

OHIO STATE YELLS ARE HEARD ON BEAR CAMPUS

BERKELEY, Calif., Dec. 23.—(A. P.)—Ohio State University yells rang out on the University of California campus here Wednesday when the members of the football team from the middle western institution stopped here while en route to Pasadena, Calif., where they meet the University of California eleven New Year's day.

The buckeye special train, carrying more than 100 players and supporters from Ohio State, arrived here nearly three hours late. The men were taken on a tour of the California campus, Berkeley and Oakland, and later crossed the bay to San Francisco where they spent the night.

Good Luck Wishes Sent. CHICAGO, Dec. 23.—(A. P.)—The University of Illinois football team defeated in the championship game of the western conference this year with Ohio State university, last night joined the Chicago club in sending a telegram to the Ohio eleven in California, wishing them good luck and victory in their new year's game with the University of California at Los Angeles.

EVERY MAN ON SQUAD WAS NATIVE OF IDAHO

MOSCOW, Idaho, Dec. 23.—(A. P.)—Coach Thomas Kelley's University of Idaho football warriors are thoroughly and wholly Idahoan from Captain Mastino of Pocatello, who weighs in at about 190, down to aggressive little J. H. Gowen, Jr., of Caldwell, who tips the scales at 145. This is the statement of the university athletic department.

Not a single man of the 12 who received the official football "Y" for services on the gridiron during 1920 hailed from outside the state and most of the 12 not only were reared within the state, but also were born in Idaho.

SPOKANE AND PORTLAND BOWLERS WILL COMPETE

SPOKANE, Wash., Dec. 23.—(A. P.)—Having matches between picked teams from Portland, Ore., and Spokane, are to meet sometime during January, according to W. Bert Price, prominent Spokane bowler, who announced he has perfected plans for the tournament. A purse of \$1,000 is to be raised. The first game Mr. Price said probably will be played at Portland where the team is to be picked by J. W. Blaney. Mr. Blaney is reputed to be one of the best bowlers in the northwest and resides in Portland.

JOE BENJAMIN WINNER OVER HEINIE SCHUMAN

PORTLAND, Dec. 23.—(U. P.)—Heinie Schuman, after receiving a terrific wallop from Joe Benjamin for five rounds, staged a wonderful comeback in the remainder of their 19 round bout here last night, but Benjamin won the decision. Schuman was knocked down for counts of six and seven in the second round.

HE TAKES CAKE!

FRED M. ZIHLMAN
What good is it, or why he wants to keep it, goodness knows! anyhow, here's Representative Fred M. Zihlman of Maryland, with a little piece of fruit cake baked in 1872, sent him by an admiring constituent, S. T. Still, of Cumberland, Md. Zihlman is shown holding the fastland in which the cake is encased. Still a son carried this slice on the battlefields of France. President Wilson has another slice—or at least he had another slice—of the same cake, sent him when he married the present Mrs. Wilson. Billy Sunday, the evangelist, has had a third piece for years.

Old Age Held Back

"The only thing that holds old age back is health."—Painless Parker.

Health is what keeps people young. It is what makes good complexions. It is back of success, happiness and nearly every other good thing in the world. Health is largely a matter of teeth—good teeth, good health—bad teeth, bad health.

The dentist has more to do with human progress than most of us know. You get more for your money out of good dentistry than anywhere else you can put it, but you have to choose a good dentist if you want good work.

When you think of TEETH, think of PARKER.
