Another name was added to the list of candidates being pushed forward for consideration for appointment to the post of state highway commissioner from the Eastern Oregon district in a telegram to Governor Olcott Friday from the Heppner Commercial Club, endorsing W. Local Man Is Robbed.

After cutting Frank Anderson about the shoulders and neck with a pocket-knife Thursday night, John Osterberg was arrested by Officers Sweeney and Davis and charged with assault with a dangerous weapon, says a story in the Oregon Journal.

Anderson, who is from Pendleton, claims Osterberg relieved him of \$90 after they had imbibed a bottle of moonshine at a Third street cafe. He met Osterberg, who said he was broke and they went to the cafe. After Osterberg left, Anderson found that he was \$90 short and started to hunt Osterberg, finding him in Cook's pool hall 44 1-2 Third street. An argument followed, ending in the fight.

When Osterberg was taken to the police station \$75 was found in his possession.

800 RACE HORSES ARE CELEBRATING BIRTHDAY AND RELISHING SWEETS

TIJUANA, Mex., Jan. 1.—Every horse on the race track has a birthday today. When the first of the year comes around the thoroughbred law rules that horses take on an additional year. The little baby horses become of racing age. The juveniles which have been performing all year as two-year-olds, become veterans and will be eligible to race with more mature horses.

In honor of the birthday which the 800 horses have today, President James W. Coffroth of the Jockey Club, gave a party yesterday. All horses were his guests.

Sugar was served in large quantities. More than a dozen sacks of the finest sweet arrived at the race track early this morning. They were opened at 10 o'clock and dozens of horsemen lined up with buckets and other receptacles. A quantity in proportion to the number of horses each owner has was dealt out. None was left out, from proud and lordly Thunderstorm down to insignificant Paradigm and California Jack.
