- Jan. 10.—Farm Bureau Fed-eration meets, Portland.
- Jan. 10.—January term of cir-cuit court convenes.
- Jan. 18.—Annual meetin-g of Round-Up directors.

J. L. Cox Ill.  
J. L. Cox, of Gray Brothers Gro-cery, is ill at his home at 901 Italy street.

Navy Film at Arcade.  
"The Great Flight" is the title of a special U. S. navy film at the Arcade theater. It appears today and tomor-row through arrangement with the lo-cal recruiting office and shows the seaplane flight from San Diego to San Francisco.

Volunteer Firemen Recruited  
Officers who have been serving the volunteer fire department for the past year have been re-elected for this year, the meeting having been held a few

days ago. Arthur Keenan is first assistant chief and Oliver P. Lendley second assistant. Other officers were re-elected as well.

Trains Delayed by Slides.  
Train No. 24, due from Portland at 7:19 a. m., did not arrive in Pendleton until 10:45 this morning, owing to small slides along the Columbia river. Other trains from the west have been behind schedule over night.

Son is Born Today.  
Mr. and Mrs. J. C. Nye are the par-ents of a six and a half pound son born this morning at Mrs. Nichols' maternity hospital. The child has been named John Henry.

Forest Official Arrives.  
J. C. Kuhns, supervisor of the Umatilla National Forest, arrived this morning from Walla Walla, to make his headquarters here. He was ac-companied by Miss Ireta Cooley, forest clerk who will be employed in the local office.

River is Receding.  
The Umatilla river today is consid-erably lower than at the flood stage of two days ago when it was nearly up to the seven-foot mark. The river stood at four feet today and it is carrying less debris than on Monday. There is still a large amount of water coming down from the mountain streams but damage from high water is declared past now.

Kerosene Stove Explodes  
The explosion of a kerosene stove at the residence of J. H. McMaster, 415 Garfield street, at 7:45 last evening resulted in a call to the fire depart-ment. The flames were consuming paper on the wall of a front room when the department arrived and the blaze was extinguished quickly with minimal loss. The alarm was tele-phoned to the headquarters.

Water Damages Stock Plant  
The rock plant and crusher below Walters Mill, in use by the Warren Construction Co., in furnishing gravel for paving operations in the city, was damaged by the recent high water. Cables which carried the rock hoppers to the street were knocked down and crews are now at work rescuing them from the water. The plant will not be in shape to operate for several days. No paving has been possible because of the continued rains.

Semester Opens January 24.  
The second semester of the Pendle-ton high school will open January 24, the same date as for the second se-mester of the grade schools. The new semester will be marked by the open-ing of classes in plane and solid geom-etry and in algebra one. The classes will be taught by Miss Olive Kocher and F. F. Schmidt. It is probable that two students will conclude the high school course with the closing of the first semester January 1, according to Aus-tin Landreth, principal. There will be no graduating class, however.

Union County Behind in Relief.  
Union county is lagging in the Eu-ropean Relief Fund, for, out of the total quota, only \$178,807 has been raised. Elgin has sent in \$281, while her-ber quota is \$259. Island City, which had a quota of \$289,60, made 282,540. North Powder has reported \$180 of the \$225 quota. Starkey has sent in \$10 and owes Union county \$13 before her quota is reached. La Grande has raised \$978.27 and the mark set for this city is \$4398.50. Precincts which have given no report are Summerville, Telocasset, Mount Glen, Ladd Canyon, Perry, Hilgard, Medical Springs, Kam-la, Imbler, Coke, Alice and Blue Mountain Grange.

Ministers Discuss Issue  
The members of the Pendleton Min-isterial Association at a meeting yester-day refused as an association to com-mit themselves on the question of whether or not Pendleton should have a new chief of police. The association discussed various matters at the meet-ing. Protestant ministers of the city are members of the association. Rev. Alfred Lockwood, pastor of the Church of the Redeemer, is president; Rev. R. L. Bussabarger of the Christian church is vice-president and Rev. John Secor, of the Methodist church, is secretary-treasurer.

Smallpox Cases Continue  
Smallpox cases are continuing to develop in the city, according to the health department. One new case was reported from the west end of the city last evening and the quarantine enforced this morning. Several other places are under observation by the city health officer, awaiting develop-ments. One house was released today from quarantine.

Peterson to Address Democrats.  
Will M. Peterson, of this city, is on the program for the Jackson Day banquet in Portland Saturday night as spokesman for Umatilla county. Mr. Peterson is one of the veteran democrats of this section and served

## HOME MADE TOYS FAST REPLACE FOREIGN ONES

WASHINGTON, Jan. 5.—(A. P.)—Some idea of the extent to which for-eign-made toys have been replaced in America by the home made article is given by the estimate of the Ameri-can Forestry Association that close to 30,000,000 feet of lumber was used this year by American toy mak-ers.

By adding the millions of toys made from this wood to the enor-mous quantity made of other mat-erial, the Forestry Association says some idea of the immensity of the indus-try will be gained. If the buying public will "look for the label," it adds, the foreign toys will be elimi-nated.

Wood is Light Weight  
"The main consideration which holds wood in its place as toy mat-erial is not cheapness," says the asso-ciation, "though that has something to do with it. Article of large size would be too heavy if made of metal, but many articles are made of wood because it is the best, irrespective of cost or weight. Steds are a good ex-ample.

Children are the arbiters of toy kinds and style. They imitate what they see around them and toy mak-ers recognize this fact. The manu-facturer supplies what the child wants by making a class of objects which may be designated as educational. Another class, imitating things seen in real life, is recognized as arch-itectural. A third has to do with trades and the tools and machines for carrying them on. A well defin-

ed group is based on the use of mus-ical instruments, boats, rafts, canoes, and such things as float and are use-ful. They have been responsible for toys based on water craft.

Children are familiar with furni-ture and they easily recognize two classes, one for the kitchen and one for the living room, and these go under the list of furniture toys. Ani-mals and birds and creeping things form another class grouped as nat-ural history. Still another kind which is very common belongs in the class of games and amusements.

The waste problem in toy making is not a serious one so says the For-estry Association, because most of the pieces used are small and what does not do for one thing will, as a rule, do for something else.

**RUSSIA HAS 200,000 READY FOR RUMANIA**  
BUDAPEST, Jan. 5.—(U. P.)—More than 200,000 bolshevik troops have been concentrated north of Bessarabia, according to a statement by a Balkan agency.

Rumania January 1, was reported to have called three classes to the col-ors due to the threatening concentra-tion of soviet troops. Trouble has been

## For Middle-Aged Men and Women

It isn't always on-coming old age that causes men and women in the middle years of life to slow up and feel a loss of ambition and energy. Weak or disordered kidneys do not filter waste matter and impurities out of the blood as they should, and back-sache, tired feeling, lameness, stiff joints, sore muscles, rheumatic pains, biliousness, irritation of the bladder, puffiness under the eyes or other symptom or ailment appears.

**SOLEY KIDNEY PILLS**  
strengthen the kidneys, stimulate the bladder and tone up the liver. They help the kidneys remove the accumu-lated poisons and soothe and heal the passages. When the kidneys and urinary tract are doing their work perfectly, the whole system is benefited and restored to health and strength. Why suffer when a reliable remedy can be so easily had?

## Our Resolution

With the opening of a new year's business the Table Supply is determined to give satisfaction to its many customers. We are resolved as follows:

- Be quick to kick
- If things seem wrong,
- But kick to us.
- And make it strong.
- To make things right
- Gives us delight,
- If we are wrong
- And you are right.

## ASPIRIN

Name "Bayer" on Genuine

Beware! Unless you see the name "Bayer" on package or on tablets you are not getting genuine Aspirin pre-scribed by physicians for twenty-one years and proved safe by millions. Take Aspirin only as told in the Bayer package for Colds, Headache, Neural-gia, Rheumatism, carache, Toothache, Lumbago, and for Pain. Handy tin boxes of twelve Bayer Tablets of As-pirin cost few cents. Druggists also sell larger packages. Aspirin is the trade mark of Bayer Manufacture of Monoaceticacideter of Salicylicacid.

## Stock is Offered.

The Union Pacific Railway Com-pany is offering its employes a chance to buy stock on easy terms, according to an order received today by T. F. O'Brien, local agent. Em-ployees will be permitted to buy one or more shares, not exceeding 10, and pay for them within 24 months. The system will charge the cost to the employes and there will be a six per-cent interest on the deferred pay-ments, but the employes will receive the 10 per cent dividends on the stock.

## Indians At Meeting

Rev. E. J. Conner, Indian minister at Tutuilla, and Mrs. Conner, and Mrs. Ames Craig, left yesterday for Ka-miah, Idaho, to attend an eight day meeting of Christian Indians. The meeting will be similar to that held recently at the reservation, with In-dians from other agencies in attend-ance. Parsons Motanic will leave this evening to attend the Idaho meeting.
