FIRST CHALLENGE FOR DAVIS CUP 1921 ROUND IS FILED BY SPANIARDS

From Five to Eight Nations Expected to Seek Laurels Just Won by Americans in New Zealand Tournament.

NEW YORK, Jan. 7.—(A. P.)—Spain is the first nation to file a 1921 challenge for the Davis cup, emblematic of the world's team tennis championship.

Such notification was received by the United States Lawn Tennis association last night in a cable. It was said that this challenge was the first of from five to eight expected. Great Britain, Japan, France, Australia, Canada, Belgium and South Africa are among other nations expected to file before March 15.

Based upon this expectation, the national association is planning for its most active tennis campaign.

The schedule committee is working upon a tentative schedule for adoption at the annual meeting Feb. 6, which will include a wide distribution of the national championships and preliminary Davis Cup ties and culminate with the challenge round at Forest Hills, N. Y., in September.

Americans Win More Laurels

AUCKLAND, N. Z., Jan. 7.—(A. P.)—Americans won the New Zealand tennis championships in both singles and doubles Thursday. Wm. Tilden of Philadelphia defeated Captain Watson M. Washburn, also an American, in the singles, while Tilden and Wm. M. Johnston of San Francisco defeated Norman E. Brooke and Gerald F. Patterson, Australians.

The singles ran to five sets and the doubles four.

The American team, except Johnston, will play in Australia, returning to the United States by way of the Orient.

CADDOCK WILL STRIVE TO LIFE LEWIS' TITLE

OMAHA, Neb., Jan. 7.—(A. P.)—Earl Caddock of Walnut, Ia., former holder of the heavyweight wrestling championship will try to regain the title January 24 when he meets Ed ("Strangler") Lewis, present champion, at Madison Square Garden, New York, according to Gene Melady of Omaha, Caddock's manager, who said he had signed a contract for the match. The contest is to be a one fall affair, he said. Melady said he had secured a \$10,000 guarantee. Lewis' home is in San Jose, Cal.

PENDLETON HIGH MEETS WALLA WALLA TONIGHT

Pendleton high school's basketball team left this afternoon for Walla Walla where they will engage in their first contest of the 1921 season tonight. Coach Dick Hanley and his squad went over in automobiles and will probably pass the night there.

The coach is not counting on winning the game today on account of the lack of practice which his men have had since before the holidays. Little or no work was done for more than two weeks with the result that the squad is in no shape to play championship ball.

Hanley and Stendal probably will play the forward positions, Cahill and Kramer the guards and Lawrence center.

GEORGE CHANEY IS WINNER OVER PAPIR IN 3 ROUNDS

BALTIMORE, Jan. 7.—(A. P.)—George Chaney of this city, won a technical knockout in the third round of his fight here last night with George Papir, lightweight champion of Europe, when Papir's second ear was twisted into the ring. Chaney had floored the European and clearly outfigured his opponent.

M'CARTHY WOULD TAKE P. C. L. PRESIDENCY NOW

SAN FRANCISCO, Jan. 7.—(A. P.)—William M. McCarthy announced here last night that he had decided to accept the presidency of the Pacific Coast Baseball League again.

McCarthy, who refused last December to take the office for another term on the ground that some of the league directors were not in sympathy with his actions in regard to investigation of alleged gambling among players, said he had reconsidered on account of the insistent demands being made on him from all quarters. Among these was one from Governor Stephens, who asked him, as a force for clean baseball, to retain the office.

His final decision came, he said, after President Louis Moreing, J. Cal Ewing and C. H. Strub of the Sacramento, Oakland and San Francisco clubs, Secretary George Putnam and Manager Charles Graham of the San Francisco club had called on him and urged him once more.

BEAVER LESS IN DEMAND

HELENA, Mont., Jan. 7.—(A. P.)—Trapping of beaver in Montana has fallen off sharply with the decline in prices paid for skins. Only 200 permits were issued in the state during 1920. State Game Warden Jake Dehart reports, whereas 1,000 went out the previous year. There is more demand for marten but they are scarce. About 200 licenses for such trapping having been issued.

SQUAW WOMAN HANGS ON TO MILLIONAIRE

TOPEKA, Kan., Jan. 7.—Jackson Barnett, aged 72, reported oil millionaire and said to be the wealthiest Indian in America and his white wife, formerly Anna Laura Lowe, aged 29, have defeated a suit to have their marriage annulled. By living amicably throughout a month's honeymoon in the Indian's humble domicile near Henryetta, Okla., they swept aside all evidence presented in three months of procedure in the Kansas supreme court and suit to annul the union has been crossed off the calendar.

The suit was brought by Carl J. O'Hornett of Henryetta, Okla., the Indian's guardian and Cato Sells, U. S. Commissioner of Indian affairs. It set forth that Barnett was illiterate and that last May he and his bride eloped in an automobile furnished by the young woman, crossed the Kansas line and were married in Arkansas City. In the original proceedings instituted in the Kansas supreme court, Guardian O'Hornett petitioned that his aged ward be restored to him. It was charged that the bride had kidnapped her husband and that she was an adventuress.

Barnett, characteristic of his race, is a man of few words. He made it plain to the court, however, that he was well content.

"The Indian and his bride appear to have stood the test of matrimony," commented Judge A. M. Jackson, commissioner appointed by the supreme court to hear the evidence in the case. "It was agreed that Barnett and his wife be permitted to go on a honeymoon of a month. The honeymoon over they still maintain they are satisfied, so after conference with all parties concerned, it was agreed to recommend to the supreme court that the case be dropped."

The supreme court acted in accord with Judge Jackson's recommendations.

The Indian for many years lived on his land allotment near Henryetta, his horses and dogs his only companions. He made little use of his land, his cash allotment from the government being ample to purchase his few worldly needs.

But a few years ago Barnett's farm began to yield oil. Under his state
