Active buying by houses with sea board connections accompanied the ascent of values in wheat and an unusual rise in sterling exchangge was also regarded significant, A forther stimulus was word that committee hearings on the emergency tariff would end tomorrow and that the bill would shortly be returned to the sen-ata. On the advance, March delivery touched the highest figures since No-vember. Earlier weakness was ascribed to reports telling of fairly lib-eral southwest offerings and to the circumstances that this has been a traditional favorite date for calendar peculators to press the selling side. Heavy receipts acted as a weight on

# Buick

Everybody knows Buick builds six-cylinder Valve-in-Head automobiles. -that Buick sold its entire 1920 output long

before the end of the season.

—that Buick has sold a large percentage of its

1921 schedule. -that Buick users are Buick salesmen. that Buick car values are 100 per cent. Added to their recognized high service value

the new Buick models possess a distinctive beauty. Their graceful lines and handsome appointments merit the pride which early buyers have expressed. Nineteen Twenty One Buick automobiles have more improvements than any Buick models in the past five years and 1921 models represent 25 per

cent greater used car values. Many of our spring deliveries are already contracted for. Thousands have been disappointed during past years because of the shortage of Buick
