Including Pendleton Prices and Associated Press Reports

Hog Prices Lower But Cattle and Sheep are Steady.

Ten loads formed total livestock arrivals at North Portland for the Thursday morning trade. Hogs were weaker and lower while cattle and sheep were steady.

In the hog alleys there was only a fair run for the Thursday morning trade at North Portland, totals being 244 head. Market showed a fact that this trade had been paying a big premium over the East for some time. Opening values were 25 to 35c lower with extreme tops at \$12.

Eastern trade showed a further advance during the day but there is still a very differential between this market and others; all in favor of the Northwest shipper to Portland.

General hog market range: Prime mixed \$11.50@12.00; Smooth heavy \$11.00@11.50; Rough heavy \$10.50@11.00; Fat pigs \$10.00@11.00; Feeder pig \$9.00@11.00.

Cattle are Nominal. While the cattle market was considered steady at unchanged prices for the Thursday trade at North Portland, there was not sufficient stock available to give the trade a definite test. Quotations are therefore on a nominal basis.

General cattle market range: Choice steers \$8.50@9.25.

Good to choice steers \$8.00@8.50; Medium to good steers \$7.50@8.00; Fair to good steers \$6.50@7.50; Common to fair steers \$5.50@6.50; Choice cows and heifers \$7.00@7.50; Good to choice cows and heifers \$6.25@7.00; Medium to good cows and heifers \$5.50@6.00; Fair to medium cows and heifers \$4.00@5.00; Common cows, heifers \$3.00@4.00; Canners \$2.00@3.50; Bulls \$4.50@5.50; Choice dairy calves \$12.00@13.00; Heavy calves \$6.00@11.00; Best light calves \$10.00@11.00; Choice feeders \$8.75@9.25; Fair to good feeders \$7.75@8.75; Medium light calves \$9.00@10.00.

Argentine Reported Surplus Has Bearish Effect on Wheat. CHICAGO, Jan. 14.—(A. P.)—Official announcement that the Argentine exportable surplus was estimated at 120,000,000 bu. had a bearish effect on wheat today. Prices closed heavy, 2 to 3 1/4 c net lower, with March 1.75 to 1.79 1/4 and May 1.70 1/2 to 1.74. Corn lost 3/8 to 5/8 and oats 1/4 to 3/8 1/2. In provisions the outcome varied from 3/8c decline to 5c advance.

As Argentine estimates from private sources have put the exportable surplus at 33,000,000 bu., the official figures showing a much larger amount gave an immediate advantage to the wheat bears.

The returns were due more or less to word that 2,000,000 bu. had recently been bought for export from the Pacific coast. New export business however, appeared of comparatively small volume and this together with the changed outlook as to supplies in Argentine kept the markets on the down grade in the last half of the session.

Corn and oats were governed by the action of wheat. Provisions sympathized with a sharp advance in hog values, but later tended to sag with grain.

Hogs Steady With No Receipts. Prime Steers \$8.50 @ \$9.50. SEATTLE, Jan. 14.—(A. P.)—Receipts none, steady. Prime \$12.80 @ \$12.50; heavies \$11.00 @ \$12.00; rough heavies \$9.00 @ \$9.50; pigs \$9.00 @ \$11.00.

Hay—Alfalfa \$27 ton; double compressed alfalfa \$33; ditto timothy \$39; eastern Washington mixed \$35.

Recent Speculative Interests Causes Heavy to Weak Trend. NEW YORK, Jan. 14.—(A. P.)—Resumption of aggressive operations by the short interest in speculative shares which figured in the recent advance doubtless accounted to an extent for the heavy to weak trend of stock prices today.

Early quotations were downward, with intermittent rallies before noon. These were generally cancelled later. Lowest prices ruled in the last half hour when selling of the better known equipment, steel, motors and ship-pings supplemented the extensive liquidation of speculative favorites. Sharp reactions marked the active finish. Sales \$75,000 shares.

Call loans opened at 6 per cent, probably as a result of renewed offerings outside of the exchange at five and even 4 1/2 per cent. The supply of time money at 6 1/2 per cent also increased.

Specific reasons attacked to the reversal in certain issues such as sugars and Wilson Packing, which reflected more adverse trade conditions.

Domestic and foreign war notations were materially lower in the bond market. Total sales, par value, \$14,675,000.

Old U. S. government bonds unchanged on call.

New York Butter Weak Eggs 73 @ 74 cents. NEW YORK, Jan. 14.—(A. P.)—Butter weak, unchanged. Eggs firm; fresh gathered extra first 73 @ 74 cents; ditto firsts 71 @ 72 cents. Cheese firm, unchanged.

OUTBURSTS OF EVERETT TRUE

MISTER TRUS, MEET THE DISTINGUISHED MISTER WHIFFLER. HE—

"I've heard of him once or twice! ALL HE EVER DID, HOWEVER, TO 'DISTINGUISH' HIMSELF WAS TO WEAR HORN-RIMMED SPECTACLES!!!"

Among the speakers this afternoon were Professor W. A. Cochel of Kansas City, Mo., and Hon. H. P. Tolmie, minister of agriculture of the Dominion of Canada.

Professor Cochel urged the stockmen to endeavor in every way to reduce the cost of marketing eliminating superfluous middleman costs and development home and foreign markets.

Minister Tolmie told the delegates of the livestock situation in Canada. "I am not alarmed by the present business conditions existing in the United States and in Canada," said he. "Of all the countries engaged in war, the United States and Canada are in better condition than any other countries in the world."

In response to questions, Minister Tolmie explained to the delegates the manner of supervising the industry in Canada.

ORGANIZED VICE IS SEEN AGAIN LIFTING ITS HEAD BERKELEY, Cal., Jan. 14.—(U. P.)—That organized vice "is again lifting its head and preparing to flaunt debauchery in the face of the public," is declared by August Vollmer, police chief of Berkeley, noted criminologist and student of social conditions.

"Within a year commercialized vice will return to its pre-war basis in the United States unless the people awaken to its sinister propaganda now being carried on throughout the country," he said. "Since the establishment of the red light abatement act, statistics do not show any noticeable increase on which to base argument

THOUGHT HIS TIME HAD COME—DISAPPOINTED
"I never was more surprised in my life than when I took the first dose of Pape's Wonderful Remedy. My stomach trouble had been of eight years' standing, sometimes so bad as to cause convulsions, followed by hemorrhage. I thought my time in this world was short, and believed it the last medicine I would ever take. It is now eight weeks since, and I am feeling better than for many years." It is simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Druggists Everywhere.
