REFEREE STOPS FIGHT IN SIXTH ROUND WHEN MITCHELL IS FLOORED

Benny Leonard Defends Title in Spectacular Affair in Madison Square Garden Last Night.

MADISON SQUARE GARDEN, New York, Jan. 15.—(A. P.)—In a spectacular bout which was stopped by the referee in the sixth round at Madison Square Garden last night, Benny Leonard, world's lightweight champion, scored a technical knockout over Richie Mitchell of Milwaukee, who despite his defeat, proved himself a worthy challenger.

The bout was the main attraction at a benefit by the American committee for devastated France.

In the opening round Leonard knocked his opponent down three times and injured Richie's right eye so badly that it was useless to the game western lad during the remainder of the bout. However, toward the end of the initial round, Richie surprised the champion and in fact the entire house by hooking a terrific left to Leonard's jaw which sent the champion down on his back. Leonard arose slowly and remaining on one knee, waved his hand to his manager and seconds, indicating that his head was clear and that he was uninjured.

From this to the beginning of the sixth round, Leonard had the advantage in every session, but many close observers believed that if Leonard had not virtually blinded Richie's eye in the opening round the Milwaukee lad would have given him the fight of his career.

In the sixth round Richie tried his best to land a solid blow but Leonard's blocking and footwork were almost perfect in defense. Leonard's attack in this round was fierce and he simply battered his opponent off his feet. He sent Richie to the floor three times and was ready to put over a finishing punch when Referee Hank Kop intervened and saved Mitchell from further punishment. The men fought at 2 p. m., at 1324 pounds, one pound under stipulated weight. Both looked trained to the hour and expressed his confidence while they were being prepared for the end.

BASKETBALL AND MITT GAME SET SAME NIGHT FOR LOCAL CONTESTS

Legion Wants Feb. 5 for Boxing Card and High School Has Hoop Play on With Baker High School Quintet.

Basketball and boxing will be bidding for the limelight Saturday night, Feb. 5, if the date announced today for the American Legion's next boxing card goes through. Pendleton high school has scheduled the Baker high school basketball team for a weekend pair of games Feb. 4 and 5, while Pendleton Post hopes to put on the first winter boxing card on the second night.

Jack Dolph, matchmaker for the legion, is doing out a card to include some of the best known boxers on the coast in the same ring with some local boys who are known to have a lot of class. Earl Newquist, former navy boxer, is one of the local boys who will be matched. Frankie began is another to go on the card.

The chief bout may see two of the best welterweights in those parts pitted against each other. Nell Allison, middle western whirlwind, is being approached by the legion to box 19 rounds against Frankie Murphy. Murphy boxed Harry Casey here last July 3 and made a hit. He outwitted Casey considerably at that time and against a man of his own weight would have a better chance to show how fast he can go. Of late he has stood up against two of the best welterweights on the coast, Johnny McCarthy, champion of San Francisco, and Max Trapp, of Portland. Both are tough.

The usual program of 24 rounds of fighting is to be given the fans. Every bout, Dolph declares, will be a fight with two evenly matched boys that are eager to mull all the way. Dolph is out to get boxers who are willing and will step in the ring to work. He is working in Portland through Frank Kendall, matchmaker for the Milwaukee club, and expects to get some good boys, among them Murphy, through Kendall.

YOUR RHEUMATISM

Remove Its Cause by Purifying Your Blood.

One of the most important duties of your system is to burn up certain substances no longer of use in your body. One is uric acid, now generally held to be the cause of rheumatism. It inflames the joints, stiffens the muscles, causes pains, aches, and lameness.

The system is helped to dispose of this troublesome substance, and rheumatism is permanently relieved, by Hood's Sarsaparilla, the one true blood purifier. It is added in many cases by Hood's Pills, which in smaller doses are a gentle laxative, in larger doses an active cathartic. A grand course of treatment, economical and effective.

RETIRE

A man can retire some of his surplus capital by banking by mail...

ONE good argument in favor of a man's mailing some of his money to an out-of-town bank is that it removes from the active capital he uses, to operate with day by day, a certain amount of money that he can feel has been placed beyond the accidents of business chance. Full information upon request.
