ELMER HENDERSON TO REMAIN AT SOUTHERN CALIFORNIA AS COACH

Rumors That He Would Go Washington Mentor Dispelled by His Signing New Con-

LOS ANGELES, Cal., Jan. 18 .- (A. P.)—Rumors that Elmer ("Gloomy Gua") Henderson, coach at the Uni-versity of Southern Californ'a here, might go to the University of Wash-ington or to some middle western college next Football season were found false when it was aunounced here re-

"We intend that Henderson shall remain here." Graduate Manager Hencry W. Bruce said in amounting the here soon. contract had been signed. "He is pop-ular not only because he has lost but one football game in two years but be-cause he is a man to whom the play-ers look up to and respect."

Two nearby schools, the University of Oregon and the Oregon Agricultur-at Collogo are expected to enter strong teams in the meets. On the Agrics team will be Clarence Piniston and

Henderson served for seven years as Henderson served for seven years as coach of Broadway high school in Seattle, during which time his team did not suffer defeat. In his final year the championship of the city was disputed by Lincoln high school, which played Broadway to a scoreless lie.

During the war Henderson was head athletic director for the naval training station established on the campus at the University of Washington. He was instrumental also in turning out a strong many football team and was one of the best known of service athletic directors.

ailment will have disappeared,
Dr. Caldwell's Syrup Pepsin is a popular compound of Egyptian Senna and other simple laxative herbs with pepsin and pleasant-testing aromatics. It acts gently and mildly, and children take it without objection. A sixty-cent bottle is enough to last an average family many months. The ingredients are endorsed in the U. S. Pharmacopoeia, and last year American mothers bought over eight million bottles of Dr. Caldwell's Syrup Pepsin. Address me Dr. W. B. Caldwell's Syrup Pepsin. It is the largest selling liquid laxative in the world, and few cautious families are ever without it.

FACTS ABOUT TRACTORS

The principal advantage of the tractor is its ability to do heavy work in a shorter time than it can be done by horses. Through the use of tractors corn-belt tractor operated farms have increased about 30 per cent in size.
