INDIANS CAN REPEAT IF DUSTER MALES IS IN LAST SEASON FORM

**Dope Has It That Cleveland
Will Have Best of 1921
Race Providing Twirlers Per-
form to 1920 Standard.**

NEW YORK, Jan. 19.—(Henry L. Farrell, N. Y. Correspondent.)—With Duster Males in the same form that marked his mound work in the last leg of last season's pennant race, Cleveland fans are expecting another American League pennant in 1921. "It's all up to my pitchers," Tris Speaker, manager and outfield star of the world's champions, said.

Three good pitchers with strong arms can win a pennant race, as the White Sox showed in 1919 when Clea-

son had to depend on Clete, Williams and Kerr.

The diminutive Texan, it will be remembered, came to the rescue of the overworked pair of star stars in mid-season, just as Males did last year to take the burden off Bagby and Clete.

Two big trades strengthened the Yankees in the field and behind the bat but they still have a hole in the outfield and unless Waite Hoyt lives up to the hopes that Manager Huggins has in the youth, the pitching department will be no stronger.

With some good pitching work the Browns would be a mighty dangerous club with the array of batting talent they have in their lineup.

COMMUNITY SERVICE IS ADVANCED AS POSSIBLE ATHLETIC CLUB SAVIOR

**Men Interested in Sports Are in
Favor of Gymnasium to Be
Operated by Competent Paid
Manager in Pendleton.**

Efforts to keep alive an athletic club for adults and to establish a club room for boys will be made by local committees working in conjunction with the Community Service program. It was decided last night at a meeting called of men interested in athletic activity in Pendleton. Fifteen representative men met with R. E. Tucker, organizer, and decided to shape a course for the continuance of the Pendleton Athletic Club as a unit of the community organization which will soon be formed here.

Fred Bennion, county agent, was placed at the head of a committee of seven which will meet at 4 o'clock this afternoon to report. Debts outstanding against the Pendleton Athletic Club, now defunct, will be listed and a proposal made to liquidate these debts for title to the equipment which was installed by the club in its present quarters in the Malarkey building. On the committee with Mr. Bennion were: Carl Peters, representing the athletic club; Rex Ellis, former president of the club; Rev. G. L. Clark, of the Rotary club; Rev. Alfred Lockwood, John Lamberth, and Mr. Tucker.

The delegates present last night agreed upon two things, first that there is in Pendleton a need for an athletic club, featuring business men's classes and other indoor sports, chiefly competitive within the club, and, second, that in order for this club to thrive, a full-time and competent manager is needed.

Under the proposed community program the community director could devote considerable of his time to the executive duties of the athletic club gymnasium, Mr. Tucker said. In winter, when classes are held and indoor tournaments along various lines held, an extra man to conduct the work, could be obtained.

The present quarters were declared suitable by the men present. There is now an instantaneous hot water heater and other equipment in the building installed for the club, which will probably be turned over to the new organization for the liquidation of back rent, light and gas bills.

COMEDY—"DUCKS"

Request was made by the American Legion for assistance in getting the gymnasium opened so that boxer who are listed to appear on the Feb. 1 card here may have a place to train. At present the gym is closed for non-payment of rent and gas and power is denied by the company pending a settlement of the balance.

PENDLETON TEAM GOES TOMORROW TO BATTLE WITH PALOUSE QUINTS

**Coach and Six Players Have
Three Games in Store for
Trip to Colfax and Pullman,
Including W. S. C. Frosh.**

Six players and Coach Dick Hanley, representing Pendleton high school's basketball squad, will take train tomorrow morning for Pullman, Wash., on a three-game invasion of the Palouse country. They plan a game Thursday night with either Colfax or Spalding high school, Friday night with the freshmen of Washington State College and Saturday night with Pullman high school.

Since the game two weeks ago with Yalla Walla high school, the local team's chances have looked much better. The boys held their hosts to a 31-25 score and surprised even themselves by their work. Hanley is planning on giving the best game Friday night when the W. S. C. freshmen are taken on.

Myron Hanley, younger brother of the coach and forward, has been ill with a cold since Sunday and, while he will be able to make the trip, he may not be in shape to play before Friday night. He is one of the dependable of the squad and his loss would make quite a hole in the teamwork.

Besides young Hanley, the coach will take along Kenneth Stendal, forward; Dick Lawrence, center; Bill Kramer and Captain Charley Cahill, guards, and John Henderson as spare. In case Hanley is out of the lineup, Cahill will go to his old position at forward and Henderson will fill in at guard. He has been showing a lot of improvement in this, his first season out, and is expected to develop into a valuable man.

The Friday night game will be played as a curtain raiser to the first of two games between the University of Washington and Washington State College varsities. The local lads will get a chance to see the two college teams in action. Saturday night they play down town in Pullman, with the high school five of that town.

The trip to the Willamette valley, set for next week end, probably will have to be called off, Coach Hanley says. The expense of such a jaunt will not be borne sufficiently by the freshman team of Oregon Agricultural College and the University of Oregon and the local school does not feel able to go in the hole the amount necessary to make the trip.

Three of the five men on the squad are not likely to enter either of the valley institutions and this fact, it is believed, does not make them anxious to look over the local athletes. Jensen, the only member of the squad to graduate and signify his intention of going to college in this state, has given up basketball. Myron Hanley will go either to W. S. C. or University of Washington. Kramer, who has another year in high school, is slated for W. S. C. and Henderson will probably be in Seattle, likely will wind up at the University of Washington.

The three day trip to the Palouse country will end Sunday afternoon with the return of the squad on No. 7 at 4:45 p. m.

CALIFORNIA JUNIOR GOLF TOURNAMENT IS JULY 21

DEL MONTE, Cal., Jan. 19.—Announcement was made here recently that the second annual California state junior golf championship tournament will be played on the Del Monte course July 21-24 under the auspices of the California Golf Association.

Alterations are being made at the Pebble Beach course, near here, which will lengthen it to 4250 yards making it a standard course in every way. New greens have been put in at the first, seventh, ninth and twelfth holes and a new green is planned for the fourteenth.

UNIVERSITY OF WYOMING IS IN ROCKY MOUNTAIN CIRCUIT

DENVER, Colo., Jan. 19.—(A. P.)—The University of Wyoming recently was admitted to the Rocky mountain conference.

How One Woman Helped Another

Foley Kidney Pills are bought in every state in the Union by men and women on the recommendation of those who already have been relieved of kidney trouble and bladder ailments by this sterling family remedy. Comparatively little advertising has been done for Foley Kidney Pills, yet they are well known, and those who know their splendid healing properties never accept an imitation or substitute for the genuine Foley.

Pains Banished; Health Restored
"In September, 1913, I was stricken with lumbago and was unable to turn myself in bed. I was under the care of a physician but obtained no relief. A neighbor brought me a half bottle of Foley Kidney Pills, and she had been similarly afflicted and they had relieved her. So I tried them, and after taking three bottles was well and on my feet. I most heartily recommend Foley Kidney Pills. I have never known them to fail."—Mrs. G. H. Ewland, Duane, Minn.

FOLEY KIDNEY PILLS
aid and assist nature. They strengthen and invigorate weak or diseased kidneys and help to keep the blood clean and pure, relieving backache, rheumatic pains, lumbago, stiff or swollen joints, sore muscles, puffiness under the eyes, indigestion and other symptoms of kidney trouble or bladder ailments.
