FORFEIT MONIES FOR BOTH PRINCIPALS ARE FOUND BY PROMOTERS

Dempsey-Carpentier Match Not Off Because of Failure of Either to Post Purses, New York is Advised.

NEW YORK, Jan. 20.—(A. P.)—The forfeit monies of both principals and promoters involved in the Dempsey-Carpentier heavyweight championship bout set for July 2 were directly or indirectly accounted for yesterday.

As a result it appeared that none of the terms of the contract signed November 4 have been violated and so far as can be foreseen there is no ground for the report that the match will not be held.

J. E. Ward, a surety broker, who handled the bonds for those involved in the contract stated that the American Surety company had issued a bond for Promoter Tex Rickard's share of the \$100,000 forfeit fund amounting to \$32,332.33.

The United States Fidelity and Guaranty company of Baltimore issued a similar bond for William A. Brady, while Charles B. Cochran, English promoter, gave a check for his one-third responsibility.

Each principal through his manager was obliged by the contract to place a forfeit fund of \$50,000 with the holding trust company on or before November 20.

Dempsey's manager, Jack Kearns, arranged with the Fidelity and Guaranty company of Baltimore for such a bond. Carpentier placed a sum equivalent to \$50,000 with the Paris firm of Morgan Harjes, with instructions to forward it to New York.

from Paris this amount was deposited November 22 and in a statement from Cochran in London it was explained that the money had never been transferred owing to refusal of the French government to permit it to leave the country.

All those involved, however, considered the posting of the forfeit of Carpentier in France as being within the terms of the contract. There is no desire to take technical advantage of Carpentier's inability to transfer the money to the United States at this time.

Rickard stated that the report of the cancellation of the bout had resulted in a visit from Colonel Mallett, a personal friend of Carpentier, who acted as a confidential adviser and interpreter during the French boxer's visit to America. Colonel Mallett stated that he had arrived from Europe last Saturday and had seen Carpentier within two weeks. At that time Carpentier had in no way intimated that he had any idea of withdrawing. Colonel Mallett stated that after the reports of Dempsey's bout with Brennan reached London a number of sportsmen who had seen Carpentier box Bombarier Wells and Backett, offered to water even money on Carpentier to defeat Dempsey.

MONTANA HIGH SCHOOL TO ENTER IN I. C. TOURNAMENT

SPOKANE, Jan. 20.—(A. P.)—Basketball team of the Stevensville, Montana, high school, Montana state preparatory school champions in 1920 will compete in the Inland Empire Interscholastic Basketball Tournament to be held here March 17-19, according to announcement by Clesco Bullivant, athletic director of the Spokane Amateur Athletic club, who is arranging tournament details. Stevensville high school has a strong team this year, according to Mr. Bullivant, and coupled with their win of the Montana championship in 1920, they have been chosen to represent that state, he said.

BAKER AND LA GRANDE BASKETBALL QUINTETS WINNING EARLY GAMES

Time-Honored Rivals of Local High School Defeat Small Schools Nearby, Baker Showing Remarkable Scores

Baker and La Grande high schools, time-honored rivals in Eastern Oregon of the Pendleton high school in athletics, are starting their respective basketball schedules with some good sized wins. Neither has met quite as stiff opposition as Pendleton did in its first game, but from indications the boys seem here will put up some pretty interesting arguments when they meet the locals in the hoop game. Baker took on Haines and North Powder in its first two games. Haines was defeated by a 51 to 9 score and North Powder fell, 39 to 5. Baker also trimmed Union, another small high school, 35 to 5. In a return game with North Powder on their own floor, Baker won a second time, 61 to 5.

Keep Down Rival Scores. So far the Baker boys, in their four games, have not allowed an opponent to roll up over 100 points. Only once, on the other hand, has Baker scored less than 50 points in a game. This requires lots of basket shooting and from indications, Ad Dewey has a quintet that can find the hoop.

La Grande is not reckoned as strong as Baker, owing to the loss of practically all the good men from last year. Wallowa and Elgin both fell before the La Grande team last week end, the score against Wallowa being 31 to 15 and against Elgin 18 to 16. Bud Thelsen, only veteran on the La Grande squad, sprained his ankle and was out of the lineup in both contests.

This week end La Grande is journeying again out the Enterprise branch. It will meet Enterprise on Friday night and go on to Joseph for a game on Saturday night. None of these small places produce a championship team ordinarily and La Grande expects to win both. Union will be met by La Grande a week from Friday.

Weiser and Baker Listed. Weiser and Baker listed as opponents in a basketball game to be met Baker Friday night at Baker and this is to be the first tough game of the season. Dope from Baker is that Pendleton high school will show there on the nights of Feb. 16 and 17. The Baker team is scheduled to play here on Feb. 4 and 5. They will play a return game at Weiser on Feb. 25.

Pendleton's team will have a chance to show its caliber this week end when it plays three games in Whitman county, Wash. The boys left this morning for Colfax and from there will go to Pullman to meet the freshman team of W. S. C. Friday night and at Pullman high school Saturday night. It looks now like the tussle for supremacy in this section will be between Baker and Pendleton, with the possibility that La Grande will show a sudden spurt and register a win-over one or the other rivals.

CHAMPION IS TRAINING FOR SCHEDULED FIGHTS

SAN FRANCISCO, Jan. 20.—(A. P.)—No attention was paid by Jack Dempsey, heavyweight champion, to reports that his scheduled fight with Georges Carpentier had been called off according to Jack Kearns, his manager. Dempsey has established training quarters at Kearns' home in Oakland.

Questioned as to the ruling of the New York boxing commission placing \$15 as the top limit for seats at a boxing exhibition and its effect on holding the Dempsey-Carpentier fight as scheduled, Kearns said that New York had never been considered as the site of the fight. Other places were more attractive, he said.

AMERICAN GOLFERS TO TAKE BEST TO ENGLAND

NEW YORK, Jan. 20.—By Henry L. Farrell, United Press Staff Correspondent.—Having succeeded in winning a British tennis championship, America will make a most serious effort next summer to annex the English golf titles.

Paris has been in the process of solicitation since last fall to send a big team of the best American golfers after the British championship and success of the financial drive seems sure.

Looking toward the amateur title of the Isles, the United States Golf Association has announced plans of similar proportion.

"Chick" Evans, present American champion, S. Davidson Heron, last year's champion; Francis Gulmet, former title holder; Bobby Jones, Nelson Whitney, "Duck" Wittemore, Reginald Lewis and Max Marston have agreed to the trip across the Atlantic. Robert A. Gardner, who made such a splendid showing in last year's championship also may join the invaders.

Miss Alexa Sterling, Mrs. William A. Gavin and other noted women players are also planning to make the trip over to meet the best of the British women.

England is somewhat aroused over the invasion and some of the leading authorities through the press are trying to lead the more pessimistic followers away from the belief that the American contingent will be impossible to beat.

British players who toured America last summer took back with them generous tales of the improvement in the American game and they sounded a warning to their countrymen to wake up and devote their attention to the development of youngsters, else America would step in and take away from them their prized dominion of the links.

JAY GOULD IN LINE TO RETAIN TENNIS HONORS

PHILADELPHIA, Jan. 20.—Jay Gould, national and open court tennis champion, won three out of the four sets played today in the nine set challenge match for the national championship against Jack Soutar of Philadelphia Racquet club. The scores were 6-5, 6-2, 5-8, 6-4. The remaining sets will be played Friday. Gould needs only two more sets to retain the title while Soutar must win four to become champion.

Gould's position play was nearly perfect. His wonderful change of pace baffled Soutar throughout.

Save in the third set, which he won, the breaks went against Soutar as consistently as they favored him in his match with "Punch" Fair Saturday. But it was the steadiness of Gould's stroking that gave him the advantage.

His soft cut shots to the tambour came off at weird angles, impossible for Soutar to return.

Do You Know? Time of plowing is one of the greatest factors influencing yield. According to experiments made at the Moro and Pullman Experimental Stations, ten bushels less yield per acre can be expected from land plowed June first than from land plowed before the first of April.
