 The sum of \$618.73, derived from the Junior Red Cross, will be set aside for further activities of the young members of the institution, according to a decision made yesterday at a meeting of the board of directors of the Umatilla County Red Cross, held in the federal building. Directors were instructed to telephone the Pendleton Red Cross headquarters in case of the need for relief work, so that the work can be done from a central office. Harold Warner, county chairman of the Red Cross, presided. Reports by the secretary, Miss Virginia Todd, were read, as were reports on public health work, home service, and Junior Red Cross. Present at the meeting, besides the chairman and secretary, were Mrs. A. F. Shields, of Milton; Mrs. Johnson, of Echo; Mrs. Thomas Campbell, Sr., of Hermiston, and Mrs. Roy Penland, of Helix. Pendleton directors present were Mrs. Alex MacKenzie, Mrs. Roy Halsey, Mrs. J. H. Laing, Mrs. S. R. Thompson, L. C. Schaff and Rev. George L. Clark.

 The record for early chicks in Pendleton is believed held by Dr. D. C. McNabb, fox raiser, who on Wednesday found a nest of baby chicks on his place in the east end of the city. FATE OF REPARATIONS RESTS WITH PREMIERS

PARIS, Jan. 27.—(U. P.)—Settlement of the German reparations has narrowed down to an agreement between two men—Premiers Lloyd George of Britain, and Briand of France.

The two held a long conference today. Later they were joined by Count Storza, Italian foreign minister. It is believed the two premiers will reach an agreement which will be presented to the entire allied supreme council at a later date.
 Count Storza is believed to support the British view. As a result of today's discussions by the allied supreme council, Germany is expected to be ordered to disarm two thirds of her armed forces within the next month. The council decided to recognize Estonia, Latvia and the former Russian states, as possessing sovereign powers.

LANGDON DEATH STILL UNDER INVESTIGATION

TOKIO, Jan. 27.—(A. P.)—Minister of War Tanaka, replying in the diet today to an interpellation by Rep. Mochizuki of the opposition party regarding the killing of Lieut. Langdon in Vladivostok said the incident was regrettable, in view that it occurred while America and Japan were endeavoring to establish a closer mutual understanding. The matter still is being investigated by Japanese court-martial, he said.

Longer Waist Line in Spring

It is evident, from these dance frock illustrations, that we are going to have every chance this spring to observe how attractive lace and silk can be when made up together. The first is of apricot taffeta brought into a frill of lace at the foot to give it a new version of the harem effect. In the second model a corsage of dark blue velvet toys a skirt of lace flouncing and the long waist is emphasized by a narrow belt of the velvet which heads a frill of lace. The third frock is also of lace, this time combined with net. A diagonal mesh net top and lace with the simplest of thread patterns is the material.

SOUTHERNERS DESIRE BENEFITS OF TARIFF

ATLANTA, Ga., Jan. 27.—(U. P.)—Southern leaders—industrial, state and political—gathered here today for the second Southern Tariff Congress. Tariff schedules as they affect southern industry will be discussed, and recommendations for changes with a view of improving conditions will be formulated.

TOKIO, Jan. 27.—Foreign Minister Uchida, discussing conditions in China in the diet today, said Japan was seeking unification of the contending factions in that country. Unfortunately, however, he declared, no reconciliation had been achieved, but he was confident it would come.
