PAL MOORE WINS BOUT AND RIGHT TO BATTLE CHAMPION JOE LYNCH

Portland Fans See Dempsey in Action and Hear He Will Return in April; Lew Tendler Licks Willie Jackson.

NEW YORK, Jan. 27.—(A. P.)—Pal Moore of Memphis, Tenn., out-pointed Young Montreal of Providence R. I. in a 15-round boxing contest here last night. The victory gives Moore the right to meet Joe Lynch, bantamweight champion, in a fight for the title.

Both boys fought hard and fast for the first six rounds, in which honors were about even. Then Moore's left jab, with an occasional right cross, began to weaken his opponent and the Memphis lad gained and held the advantage. Neither boy scored a knock-down.

Moore weighed 117 1/2 pounds and Young Montreal 120 1/2. Boy McCormick Irish light-heavyweight, received the judges' decision over Johnny Howard of Racine, N. J., in their 15 round bout. It was McCormick's first appearance in the east. McCormick proved a fast, clever fighter, upholding his reputation on the Pacific coast, where most of his fighting has been done since arriving in this country. In the ninth round he sent Howard down for a count of nine. McCormick worked hard for a knock-out, and although unable to wear down Howard, won easily on points.

Dempsey Delights Portland. PORTLAND, Jan. 27.—(A. P.)—Jack Dempsey, world champion heavyweight, appeared at the Milwaukee arena, near here, last night in a six-round exhibition with Terry Kellinger of Orem, Utah. A crowd which taxed the capacity of the arena witnessed the fight and five preliminaries.

The champion appeared in excellent form and the crowd manifested loud approval of his work. Fourteen-ounce gloves were used and the rounds were of two minutes each. After the first two rounds it appeared as if the champion would have trouble to hold up his opponent but Dempsey eased up a trifle from then on. The exhibition was replete with action and the crowd was enthusiastic throughout.

Weights of Dempsey and Keller were not announced. While Keller appeared to be in good condition, he was clearly outmatched by the champion, who, had there been a decision, would have won it by a large margin in the opinion of sport writers and others present.

Frank Farmer and Bob Devere, heavyweights, fought 10 rounds as a final preliminary to the appearance of the champion. Farmer was awarded the decision.

Interest in Dempsey was largely heightened by the announcement that he would return here in April to defend his title against an opponent to be selected by the Portland boxing commission in a real fight of 10 rounds.

Tendler Beats Willie Jackson. MILWAUKEE, Wis., Jan. 27.—(A. P.)—Lew Tendler, Philadelphia light-weight boxer, was given the newspaper decision over Willie Jackson, New York, in a 15-round contest here last night.

Jackson started out well and appeared to advantage in the first and second rounds, having the latter by a good margin. Beginning with the third round Tendler carried the fight to the New Yorker, landing a solar plexus which seemed to stagger Jackson. The fourth appeared about even, but Tendler had the fifth and sixth by a wide margin, shaking Jackson with hard drives.

Jackson showed well in the seventh which looked about even, but following this period Tendler had the advantage. Jackson, however, appeared to share honors in several hot mix-ups but aside from these Tendler did most of the leading and had the advantage in points.

The New Yorker bore cuts on both eyes and chin, while the Philadelphia emerged without a mark.

PENDLETON MEETS OLD RIVAL, BAKER, TONIGHT AND TOMORROW THERE

Two Games on Strange Floor to be Followed by Brace on Local Court Next Week End; Coach Takes Six Men Along.

The Probable Lineup: * Pendleton Pos Baker * Stendal f P. Stoddard * Hanley c R. Stoddard * Lawrence o Blakely * Cahill s O. Manary * Kramer s Rapp * Homer Jamison, former U. of O. basketball star, will referee.

Baker and Pendleton high schools will clash tonight in the first game of four scheduled for this season on the basketball court between the two towns. Coach Dick Hanley and six men left for No. 24 this morning for Baker to meet Coach Ad Dewey's proteges tonight and Friday night. The local squad will return home Saturday morning.

Baker has presented tough opposition to its various opponents thus far this season and Pendleton will have its hands full in the forthcoming series. Coach Hanley believes. Playing on a strange floor will be a handicap and the strain of a hard trip last week end may tell on the staying power of the local quintet.

Local Men Are Scores: All the boys are in good condition and are playing well together. Pendleton has three dangerous basket-tossers in Stendal, Hanley and Cahill and if Baker wants to win from the locals, its guards will have to be both hard and fast.

Baker will return the compliment next week end by coming here for a two game series Friday and Saturday nights. The Saturday game is to be played early in order to give the crowd a chance to attend the American Legion boxing smolder. These games will be the first home contests of the season and a large turnout is expected at the high school gym to see the boys in action. Baker did not play here last year.

Seek Wa-Hi Game Here: Efforts are now being made with Walla Walla high school to schedule a return game in the local gymnasium. All the week end dates from now until the close of the season March 4 are taken but Coach Hanley believes that the Wa-Hi crew could come over during some mid-week in February and play a return game here. Walla Walla defeated Pendleton by a point in the only game the locals have lost.

La Grande will play but one game, Feb. 18, against Pendleton on the one floor and one in the gymnasium. The Union county boys have run into a flock of hard luck this season in addition to losing most of their old stars by graduation and do not want to take on more than they can conveniently handle. They were defeated by a basket at Joseph Saturday night after Andrews, center, had been forced to leave the squad because of smallpox.

La Grande will wind up the local basketball season here on the night of March 4 with its return game. Coach Hanley has set that date as the final one for the squad, believing that three months is long enough for basketball. After that track will begin.

Trip West Arranged: A trip to The Dalles and Hood River will be taken Feb. 11 and 12. The Dalles will be met on February 11 and Hood River on the following night. The Dalles will be brought here for a return contest two weeks later, their date being Feb. 25. Hood River did not schedule a return contest.

Chances of the Pendleton five making a visit to the Oregon Agricultural College and University of Oregon to play their freshman five, are still fair but they are not being taken too seriously. If opportunity presents, however.

SUFFERED ALL A WOMAN COULD Mrs. Meyer Finally Found Relief and Health in Lydia E. Pinkham's Vegetable Compound

Orange, Cal.—"I always feel very grateful to you, as some twenty years ago three doctors said I had to have a serious operation. I had a tumor, and ulcers which would gather and break. I had displacement so badly that I could hardly sit down at times, and it seemed as if I suffered everything that a woman could suffer. Then some one advised me to take Lydia E. Pinkham's Vegetable Compound, and I took it until I was cured and saved from the operation. I have told women of your wonderful medicine times without number, and I am willing that you should use these facts and my name if you like. I also used your Compound during the Change, and I can do all my own work but the heavy part, and can walk miles every day as I help my husband in the office."

—Mrs. J. H. Meyer, 412 South Orange St., Orange, California. It is quite true that such troubles as Mrs. Meyer had may reach a stage where an operation is the only recourse. On the other hand, a great many women have been restored to health by Lydia E. Pinkham's Vegetable Compound.

ever, a place will be found in the schedule to make the trip because of its great advertising value to the city and to the local high school. The Baker trip was taken with the same six men who accompanied Coach Hanley on the recent trip to Pullman, Wash. Kenneth Stendal and Myron Hanley will play forwards, Dick Lawrence center and Charley Cahill and Billy Kramer guards. John Henderson is the spare.

FANS DISLIKE LEWIS' FATAL HOLD ON HEAD. NEW YORK, Jan. 27.—(A. P.)—Jack Curley, who has promoted most of the championship wrestling matches in New York, announced last night he would not stage any more matches in which the "head lock" hold was permitted. Curley, who promoted the championship match Monday between Ed Stranster Lewis and Earl Caddock, said he was "bowing to the demands of the press and public."

The head hold, used by Lewis to defeat Caddock, brought sharp criticism from fans, although Caddock himself made no objection.

CHICAGO CLUBS OPPOSE TAXING OF ADMISSIONS. CHICAGO, Jan. 27.—(A. P.)—Paid admissions to the 71 games played at home by the Chicago American league baseball club last year totaled between \$489,000 and \$549,000, Harry Graber, secretary of the White Sox, today told a council committee in protesting against a proposed city ordinance which would tax receipts at professional baseball games five percent.

The receipts of the Chicago National league club were given as between \$260,000 and \$400,000 with the statement that the stockholders had received no returns or dividends on their investment of approximately \$1,000,000. Club representatives said the proposed tax would result in an increase in the price of tickets.

BAGSHAW WILL COACH SUN DODGERS ON GRID. SEATTLE, Jan. 27.—(A. P.)—Knock Bagshaw, coach of the Everett, Wash., high school football team which won the unofficial national prep school championship last year, was tonight elected coach of the University of Washington eleven and given a three-year contract. He will receive \$4200 the first year, \$4750 the second year and \$5000 the third.

Bagshaw, who will take charge of the Washington team next fall, succeeds Coach Leonard "Stub" Allison, resigns, is a graduate of the Washington institution.

COACHING OF ATHLETICS WILL BE SUMMER COURSE. OREGON AGRICULTURAL COLLEGE, Corvallis, Jan. 27.—A summer training course to instruct teachers and coaches in the art of teaching and developing athletics, is a new plan of Coach R. B. Rutherford. The course will include the theory and rules of football, basketball, track and field athletics, dealing with each sport from the standpoint of players, coaches, and officials. Swimming and elementary gymnastics would be a part of the course. Mr. Rutherford was formerly in charge of the swimming tanks at St. Louis.

ATHLETIC TEAMS AWAY FROM HOME WILL STUDY. OREGON AGRICULTURAL COLLEGE, Corvallis, Jan. 27.—Athletic teams away from home on athletic trips will in the future carry their books with them and observe customary study hours. This plan was put into action by Coach "Red" Rutherford, during the present trip, being taken by the basketball squad of nine men. He believes that a scholastic standing of athletes away from home for a week at a time will not be affected under the new plan.
