Evangelist Arrives
Rev. Milo Bentley, one of the state evangelists for the Baptist church, arrived today from Ontario where he preached to crowded houses and where he was responsible for 100 conversions. He will preach at the local Baptist church.

Permits Are Asked
Seventy-five per cent of the applications for grazing permits on the Umatilla National Forest have been received at the office, says J. C. Kuyper, supervisor. Monday is the last day upon which applications will be received. Driveway stock is admitted to the range by May 15, while June 1 and June 15 are the dates for the opening of the sheep grazing season.

Schools Are Successful
Lessons-making schools held during the past week at Umatilla and Pilot Rock were a decided success, according to Mrs. Edith G. Van Deusen, who was in charge. Umatilla has formed a girls' club with Miss Della Phillips

as leader, and a millinery school for women is to be held during the last week of February. Athena and Pilot Rock are both planning to have hot lunches served in the schools, Mrs. Van Deusen reports.

Small Boy Lost
A six year old boy wearing a red cap and long coat was reported lost to A. A. Roberts, chief of police this morning. He disappeared from 109 Water street early in the day. Like the traditional small boy run-away the chief says he has red hair and a freckled face.

Girls Run Away
Milton authorities reported to A. A. Roberts chief of police that two girls age 14 and 15 respectively had been captured at that city. The girls had left Pendleton some days ago. A mother of one of the girls happened to be working in Milton and captured her daughter as she was boarding the train. It was requested that the names might be withheld.

Dentists Will Organize
The dentists of La Grande have written Dr. L. D. Idleman inviting Pendleton dentists to come to La Grande on Feb. 12 for a meeting the purpose of which is to disseminate education, establish a dentists' organization, and institute clinics in Eastern Oregon. The new body will be known as the Eastern Oregon Dentists' association. Dr. Idleman said five local tooth pullers has signed up to make the trip.

Natatorium Attracts Attention
Pendleton's \$11,000 natatorium seems to have attracted national attention from the smaller towns, according to C. K. Cranston, secretary of the commercial association. "We have sent the plans on which the structure was built to so many different places that they are almost worn out," said Mr. Cranston. "The latest call has come from Heppner. Our neighbors wish data on the cost, size and plans of construction."

Contagious Hospitals
In answer to inquiry Mayor G. A. Hartman has received a letter from George Garrett manager of La Grande describing that city's experience with contagious hospitals. Garrett says they have a pest house but that it is at present in poor condition and very few persons are sent there. The manager states that the city fathers are considering the building of a new hospital for the care of contagious diseases for great need of such a structure is evident.

David Nelson Elected
David Nelson was chosen as president of the Northwest Grain and Hay Show, recently incorporated for \$5,000, at a meeting of the directors today. L. L. Rogers is vice-president, Fred Benning, county agent, secretary and L. C. Schaff, treasurer. These officers, with James Sturgis, constitute the board of directors, empowered to increase the board to 25 members residing in the Northwest. Stock in the corporation is to be sold at \$10 a share. The show will take place during the Round-Up week of 1921.

SOCIETY

MISS WADE HONORED
The sixteenth birthday of Miss Wilma Wade was celebrated last night when a group of friends called, as a surprise, at her home on West Webb street.

DELPHIAN CLUB MEETS
A meeting of the Delphian Club was held yesterday at the home of Mrs. David Nelson. A paper read by Mrs. Lyman Rice, had for its theme, "Chivalry," and Mrs. F. L. Ingram read a paper on "Knights of the Round Table." Carl Nelson played a piano solo. Following the program refreshments were served by the hostess. Brilliant red carnations lent their charm as a decoration for the rooms of the Nelson home.

RECITAL IS SCHEDULED
An interesting musical event scheduled for next week is a recital to be given Monday evening by about two dozen piano students of Mrs. Charles Heard. The affair is to take place in the Presbyterian church and it is to be complimentary to the public.

JOHNSON FLAYS NEW JAPANESE AGREEMENT

WASHINGTON, Jan. 29.—(A. P.)—Senator Johnson of California, issued a statement today criticizing the reported agreement between Ambassador Shidehara and Ambassador Morris regarding the status of Japanese in America. "When stripped of diplomatic camouflage," Johnson said, reliable information he had was that the agreement provided for repeal of California's anti-alien land law. A new "gentlemen's agreement," for the exclusion of Japanese, which "does not exclude," was also proposed, Johnson declared.

Amused at Secrecy
WASHINGTON, Jan. 29.—(U. P.)—The agreement between Ambassador Morris and Ambassador Shidehara, of Japan, has created a situation that is "intolerable," and that will be resisted in every legitimate way by the people of California, Senator Johnson today declared. While Johnson was attacking the proposal, Secretary Colby was conferring with President Wilson at the white house, probably over the Morris-Shidehara agreement.

Johnson declared the agreement abroad destroys the California alien land law and gives Japan just what it wants in the controversy over Japanese rights in that state. Asked to comment on Johnson's statement, Colby said that although he believed Johnson was sincere, the senator was "proceeding on a number of erroneous assumptions." Johnson and other western sena-

tors keenly interested in the Japanese question are annoyed by the secrecy which the state department maintains concerning the negotiations. As in the past, so in this case, the first official news will probably come from Tokyo, Johnson predicted.
