Prominent Baptists Coming
 Local people who are members of the Baptist church are much interested in the announcement that Rev. C. A. Brooks, D. D., Mrs. Henry W. Peabody, of Boston, and Rev. W. H. Bowler, of the Board of Promotion will be present at a conference to be held in Portland February 12, 14 and 15, at the White Temple. Dr. Brooks spent a year in Europe and accompanied by interpreters, penetrated into every country, save Russia, and intimately studied the European situation. Mrs. Peabody, a returned missionary from South India, and first vice president of the Foreign Mission Society, is familiar with the needs of Mission stations by personal contact. Rev. Bowler has been connected with the Baptist Board of Promotion since its creation. Having been familiar with the coast for 25 years, he knows the problems of churches and his advice are helpful in their solution.

Meetings to Be Held.
 Two stock feeding meetings are to be held next week-end in the west end of the county, says Fred Bennion, county agent. For next Friday evening a meeting is scheduled at Stanfield, where an address will be given by Robert Withycombe of the Eastern Oregon experiment station. On Saturday a big meeting is to be held in Hermiston, under the auspices of the county Farm Bureau and the Hay and Grain Growers' Association. James N. Price, manager of the Washington Hay Growers' Association, will speak and there will be a basket lunch at noon, with a talk by Mr. Withycombe in the afternoon. During this time the ladies and children will attend a moving picture show to be given by the Hermiston Commercial Club. Further plans for the Hay Marketing Association of which J. W. (Doc) Campbell is president, will be made. The meetings, according to Mr. Bennion, are held for the purpose of familiarizing west end farmers with mixed feeding for stock, as growers are too prone to use straight alfalfa as a ration.

Department Is Enlarged.
 The men's furnishings department of the Peoples Warehouse will be one-third larger than at present when remodeling begun this morning is completed. The space formerly occupied by the shoe department has been moved to the balcony, thus leaving the downstairs space for the men's wear. The reserve stock room on the first floor is to be used for the tailoring department. The ladies' underwear department will be on the lower floor near the stairs and the pattern department has been changed from the balcony to the lower floor near the entrance, placing the patterns near the dress goods. The pattern cabinets, of grained oak, will line the walls near the entrance, presenting an attractive appearance. The changes will be completed in about a week, according to R. D. Sayres.

Closing Address Given
 Rev. Robert L. Bussabarger, who leaves tomorrow with his family for Wallburg, preached his farewell address to the local Christian church last night. Rev. Bussabarger, who will be pastor of the Christian church in the Washington town, had a successful year here, as 136 new members were added and \$10,000 raised for the church. During his stay in the city, he received an offer to be general evangelist of the Maritime provinces and Prince Edward Islands, as well as an offer to become pastor of the Christian church in west Seattle and another as pastor of the church in Tawanda, New York. Honoring Rev. Bussabarger, friends gathered last night after the services at the Dr. J. E. Sharp home, and during the evening Rev. Bussabarger was presented with a purse of \$30. Refreshments were served by Mrs. Sharp and Mrs. John Winter. Tonight a reception is to be held at the church. The new pastor, Rev. W. A. Crossman, will arrive here February 29 and will open revivals.

Jap Newspaper Says Authority Comes From Police for Yanks Are Busy Spying on Military and Industrial Life.

TOKIO, Jan. 31.—(U. P.)—Strict surveillance over Americans in Japan is decided upon as urgent, the newspaper Asahi declared.
