many's automishing recovery in foreign trade has demonstrated that the German people can pay the just penalty which has been imposed upon them. Without any publicity, the Germans have been quietly developing over sens commerce since the armistics so successfully that they are sepiring to renew the hon s records of foreign indus-trial conquests. During the first five months of last year, Germany exported nore than 23,099,000 marks worth of goods, nearly two and a half times as much as the exports for the entire year of 1919. German manufacturers of all kinds are being sent to almost every part of the world. British work- which the blue law regime will look lng men are protesting against Gerlike a rubber wand, is in store for Amman rivalry, even in British home erica, according to Muses Helen Sonmarkets. The influx of German goods mann and Belle S helhorn, advance
