

People Here and There

A new recruit has joined the ranks of Pendleton business women. She is Miss Hilda Aulet, aged eight years, and her occupation is selling East Oregonians. Miss Aulet, since beginning work a week ago, has held the daily record for selling papers, thus beating a score of male competitors. When asked as to her methods, she explained that most of her customers are men, adding with an engaging smile that "it makes the boys more because I sell so many."

A coyote, fleet-footed despite the fact that one fore paw was gone, was killed this morning by Charles Bowers when he ran over the animal with a one ton truck two miles this side of Adams. The animal ran ahead of the truck for half a mile but finally fell under one of the wheels. Examination of the crippled leg showed that the missing foot had evidently been gone for some time and it is thought that the coyote lost the member in an escape from a trap.

Eng Soon, young Chinese boy who is employed in a local restaurant, has joined the English class which Captain Jennie Conrad, of the Station Army, is teaching. Eng Chung and How who came to the United States a short time ago, comprise the beginning members of the class. How is now reading in the first reader, Soon in the second, while Chung is learning to say the names of various objects.

Wheat started weak and lower and although declined to a new low level did not break out, the anticipated liquidation, prices dragged irregularly downward and closed at the bottom. Early advices from the seaboard and abroad told of an almost complete absence of export interest and claimed Belgium buying wheat in the Argentine at 12c under American. Shortly before the close the seaboard news bureau confirmed 600,000 taken here which was quite a surprise to the trade. Country offerings to arrive are exceedingly small in all sections. Local millers reported a much better flour demand from all directions for prompt shipment while reports from other milling centers were of the same general tone. The domestic outlook is very encouraging.

P.)—Dr. Beeson, who, with dog sleds is racing for Littorod to the bedside of Calde Inaker, reported seriously ill, was reported to have reached Port McMillan, the half way point, Friday night, three days ahead of schedule. The party has covered more than 400 miles of the journey, through blizzards and low temperatures traveling night and day.

Mrs. SELCHERT'S DAUGHTER

Was Restored to Health by Lydia E. Pinkham's Vegetable Compound

Horicon, Wis.—"My young daughter had been troubled for several months with backache and a bad feeling in her stomach. When she got to the table to eat she did not want anything, while before she was so hungry she could hardly wait for her dinner. The doctors gave her medicine but it did not help her. One day I was reading a little book of yours which was left on my porch and it reminded me that when I was a young girl I took several bottles of Lydia E. Pinkham's Vegetable Compound. So she went to the drug store and got a bottle and after the second one she could eat and has not had backache since. In all she took six bottles of it. She goes to school and on Saturdays helps with the housework. She is a normal, healthy girl now and we recommend your medicine. You have my permission to publish this letter as a testimonial for the Vegetable Compound."—Mrs. FRANK SELCHERT, 159 Larabee St., Horicon, Wis.

Mothers all over the country have found Lydia E. Pinkham's Vegetable Compound to be a most reliable remedy for such conditions.

HIGH SCHOOL NOTES

Tickets on Sale—Tickets are on sale at the school today for the Baker-Pendleton games which are to be played here Friday and Saturday. Vernon Fowler and Byron Warner are in charge of the ticket sale. These being the first games played here this year a large crowd is expected both nights. This will be the first chance to see the local championship team in action as this is the first game that the locals have played on the home floor. The local team expects to give Baker a worse trouncing than they received there on the first night. Baker will play both nights for a return to Pendleton's visit in that city for two nights. Pendleton will have the advantage of playing on their own floor and will try hard to keep the visitors from trying the chance of taking home the bacon. Saturday's game will be called at 8 o'clock so that the game will be over in time for the American Legion bout. Local sportsmen will have a chance of seeing two real cards on the same evening.

Pictures Taken for Annual—Pictures of several of the activities of the school were taken this morning during the first period. Photographers from the Ann Studio were at the school and photographed the classes in advanced and elementary dramatics. Tomorrow the girls basketball teams and the Boys' Glee Club will be taken. Several pictures will be taken each day so that they may be sent to the engravers who will finish the pictures for the Annual.
