## BASKETBALL CONTEST TONIGHT WITH BAKER IS FIRST HOME GAME

Locals Play Return Series on Local Floor After Even Break in Last Week's Games With Dewey's Quintet.

**THE PROBABLE LINEUP.**  
 \* Pendleton, Position Baker  
 \* Stengel, Position P. Stoddard  
 \* Hanley, Position R. Stoddard  
 \* Lawrence, Position G. Stoddard  
 \* Cahill, Position O. Manary  
 \* Kramer, Position H. Hupp

Pendleton's first slant at its high school basketball team in action will be given in the school gymnasium tonight against Baker high. The two teams last week end at Baker broke even in a two-game series and both are out to turn the advantage their way. The whistle tonight will blow at 7:30 and tomorrow night at 7. The Saturday night game will be completed in time for fans to get down town for

the American Legion boxing smoker, the officials have planned. Coach Hanley, of the local five, will referee the bouts.

Baker has a smart basketball team, according to the local men, who made the trip there last week. George Dewey, coach, is remembered as an all-around star when he played for O. A. C., and he has drilled a lot of good basketball into his huskies.

Pendleton took the second game of the series by a 17 to 14 score after having been defeated the night before by a good margin. Chances for a local victory tonight are declared slim because of the absence from practice for several days this week of Captain Cahill and Stengel. Both are back in the lineup now and the same old five will line up as have played through the season.

The games here this week will be followed next week by another trip for the locals. They have games scheduled with Hood River and The Dalles. The latter team will play a return game later in the month. Two weeks from tonight La Grande will play here.

**BILL ALLOWING 16 ROUND BOXING BOUTS IS PASSED.**  
 OLYMPIA, Wash., Feb. 4.—(A. P.)—The Washington state senate today passed a bill introduced by Senator Wray, providing for the establishment of a state boxing commission and authorizing 16-round boxing matches at the discretion of the commission. The vote was 24 to 13.

## OHIO REPRESENTATIVE WANTS TO KNOW WHY LANDIS TOOK CHARGE

Acceptance of Dictatorship of Organized Baseball Will be Based on Newest Probe if Buckeye's Plan Goes Well.

WASHINGTON, Feb. 4.—(A. P.)—Acceptance by Judge Landis of the position of high commissioner of baseball brought additional action today from Representative Wells of Ohio. Mr. Wells, who yesterday introduced in the house a resolution proposing a congressional investigation of Judge Landis' acceptance, announced he had acted today as follows:  
 "Requested Judge Landis to state by what authority he accepted the baseball position at \$42,500 a year while serving as federal judge."  
 "Asked Judge Landis to send him copy of the contract he signed with organized baseball."  
 "Called on District Attorney Cline at Chicago to supply him with a copy of the indictments pending against

former members of the Chicago American club.  
 "Wrote Attorney General Palmer asking if there was any law making it a misdemeanor for a federal judge to hold another position from which he received financial remuneration while holding his seat on the bench."

**Will Earn Salary.**  
 NEW YORK, Feb. 4.—(By Henry L. Farrell, L. P. Staff Correspondent.)—Judge Landis is getting \$42,500 a year for steering baseball's craft. He has a seven-year contract. With the thrift necessary to live within the \$7,500 that he gets for being a federal judge, the economic sharps figure he should come out of it with close to \$27,000.

Pessimists who still scent last October's odor have two comments to make on the Judge and his future in baseball.  
 "He won't last more than a year. He's too big a man to be bothered with the magnates, even for a fortune," some say.  
 "If he lasts seven years, he'll earn every cent he gets," the others predict.

No one is questioning the Judge's ability to handle such a complex proposition but some are doubtful of his patience.  
 No one has accused the barrister of being mercenary, because he trimmed down the original offer of \$50,000, and the market price for executive ability and brains of his type is much higher in commercial or industrial circles.

Judge Landis is absolutely fearless as his record on the bench shows and furthermore he is not afraid of his new job.  
 Some of the peaky hurries that he will have to go over in his dealings with the recent joint league meetings in Chicago.

**Has Eye Hand.**  
 When Judge Landis was offered the position as baseball commissioner he was assured to a free rein in handling all diamond affairs. In his own words, they "sold the world" that he was to be supreme.

He signed the contract on this understanding.  
 Yet, the first thing the magnates try to do is to curtail his power and make him a mere tool by changing a word in the original agreement.

Instead of permitting him to "act" against all offenders, the generous magnates changed it to allow him merely to "recommend" action.

The Judge was the first one to detect the alteration and he gave the magnates fifteen minutes to strike out the word or get a new commissioner.  
 It has not been clearly established who recommended the "trifling" change in the agreement but the National League representatives refuse to take the credit. Ben Johnson is accused of the attempt, but no official finger has been pointed at him.

Perhaps this bold assertion of authority will intimidate the magnates and they may remain in the background and let Judge Landis run the organization.  
 Those who know baseball magnates figure that the moon will be made of the well known green cheese before this happens.

## 'BLACK SOX' WILL HAVE ARRAIGNMENT DATE SET

CHICAGO, Feb. 4.—(A. P.)—The cases of the eight Chicago American league baseball players and others indicted for alleged complicity in the throwing of games in the 1919 world series will be brought into court February 8, when a date will be set for arraignment.

## CALIFORNIA WOULD SEE APRIL 9 ONE BIG DAY

FERRISLEY, Cal., Feb. 4.—(A. P.)—Four universities will compete here in athletic events April 9, if a regional meet today by graduate Manager Luther Nichols of the University of California, to the University of Washington to send its crew here on that date is accepted. A track and field meet with the University of Michigan and a baseball game with Stanford already are scheduled.

## SAN FRANCISCO SEALS MAY CONDITION ON GOLF

MONTEREY, Cal., Feb. 4.—(A. P.)—Golf may be made a part of the spring work of the San Francisco club of the Pacific Coast Baseball League when the squad comes here for its 1921 training season.

Recently the Del Monte Hotel, near here, announced that a tournament for the players would be held and prizes would be given for the best driving, approaching and putting.  
 Charles Graham, manager of the Seals, is a golf enthusiast and believes the sport will help get the ball players into good physical trim.

## B. C. PLANS CHEAPER ALCOHOL

VICTORIA, B. C., Feb. 4.—(A. P.)—British Columbia is to have cheaper alcohol for use in manufacturing. Heretofore druggists have been allowed to import non-potable or non-matured alcohol only in limited quantities. Provincial prohibition authorities asked for and obtained permission from federal officials to import large quantities into British Columbia so that it could be sold at a lower price.

**MRS. SYLVIA POSTER, of Buffalo, N. Y., who says she wishes she could go into every home and tell how Tanlac completely restored her health after she had lost all hope of ever being well again.**

"They had given up all hope of my ever being well again but thanks to Tanlac I am feeling as well now as I ever felt in my life and I only wish I had time to go to every home and tell every sick person about this grand medicine."  
 "A year ago last January I had a severe attack of influenza which left me in a terribly weakened condition and my appetite was so poor that I ate little more than enough to keep body and soul together."  
 "My heart palpitated so dreadfully at times that it seemed like it had stopped altogether and I would think my time had come. I was so weak that I couldn't go on the steps without holding to the railing. It was impossible for me to do any housework. I was so nervous that I couldn't drink my tea or coffee without shivering."  
 "My sleep was restless and broken and I would have another spasm and would just have to get up and go to the window so I could breathe."  
 "I finally started taking Tanlac on the advice of a friend and before I had finished taking the second bottle my neighbors could tell I was improving right along. Next it has only taken five bottles to restore my health completely."  
 "My appetite is just splendid now, my nerves are strong and steady, my housework is a real pleasure and I can sleep like a child at night. In fact I never felt better in my life than I do now."  
 "The above remarkable statement was made by Mrs. Sylvia Poster, of 204 S. Davidson St., Buffalo, N. Y., a well-known and highly respected resident of that city."  
 "Tanlac is sold in Pendleton by Thompson Brothers."
