### NEW YORK WOULD TAX COMMERCIAL SPORTS

NEW YORK, Feb. 7.—(By Henry L. Farrell, U. P. Staff Correspondent.)—Highly commercialized sports in New York will be forced to pay a handsome toll toward the maintenance of state government by the new administration, according to the belief in political circles here.

Gov. Miller has announced the intention of calling sport writers of the state together for a conference on the advisability of putting all professional sports in the state under one head and levying a substantial per centage of the receipts to help pay the expenses of government.

From other circles it is learned that while the boxing law will not be fundamentally changed, amendments will be adopted to change its governing body, reduce the commercial feature of the sport and increase the state taxes from five to fifteen per cent.

One of the assemblymen recently announced that he would introduce a bill making five dollars the top price of a boxing show.

Canon Chase, Brooklyn clergyman, who led the fight against the passage of the Walker Bill at the last session of the legislature, also served notice on the governor that he would renew his efforts at this session with a campaign to repeal the boxing bill and the Sunday baseball bill.

The three metropolitan major league baseball teams made close to a million and a half dollars last season without having to pay the tax that is assessed on boxing.

The coming season promises returns of equal proportion and as Gov. Miller's hobby seems to be conservation of public money and increase of the treasury funds it seems very logical that baseball will be forced to help carry the tax payer's burdens.

If admission prices for boxing are limited to a \$5 top price and a fifteen or twenty per cent tax is levied on the receipts in addition to the ten per cent federal tax, boxing will be voted out just as much as if the Walker Bill would be repealed. Bouts could not be staged under those conditions.

Racing is also due to come in as a greater contributor to the state coffers, it is understood.

### BOISE GIVEN TWO BIG ARMISTICE DAY GAMES

MOSCOW, Idaho, Feb. 7.—Southern Idaho football enthusiasts have been assured of a two-year program of intercollegiate football as the result of arrangements for 1921 and 1922 announced by A. J. Priest, graduate manager of athletics at the University of Idaho here. The speedy University of Wyoming team will appear against Idaho at Boise next Armistice Day and the University of Utah will face Coach Kelley's eleven in the capital city November 11, 1922.

Strenuous attempts were made to obtain either Oregon or Colorado, said Manager Priest, "but Oregon had a tentative date with Washington which could not be avoided and Colorado made arrangements for a trip to the middle west which made the journey to Boise impossible. Wyoming, which has always had the reputation of turning out fast, aggressive teams looked better, as a prospective opponent, than any of the other institutions considered."

Coach Kelley is already making plans for the coming season. His present program includes brief spring training for all football men who are not candidates for the track or baseball teams.

### STOP ITCHING ECZEMA

Penetrating, Antiseptic Zemo Will Help You

Never mind how often you have tried and failed, you can stop itching, eczema quickly by applying Zemo. Furnished by any druggist for 35c. Extra large bottle, \$1.00. Healing begins the moment Zemo is applied. In a short time usually every trace of eczema, tetter, pimples, rash, blackheads and similar skin diseases will be removed.

This play was under the auspices of the Parent-Teachers' Association which organization has also begun a campaign for a motion picture machine and a gymnasium.

### BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets Are a Harmless Substitute

Dr. Edwards' Olive Tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. For 17 years he used these tablets (a vegetable compound mixed with olive oil) in his private practice with great success.

They do all the good that calomel does but have no bad after effects. No pains, no griping, no injury to the gums or danger from acid foods—yet they stimulate the liver and bowels. Take Dr. Edwards' Olive Tablets when you feel "lumpy" and "heavy." Note how they clear clouded brain and perk up the spirits. 15c and 30c a box.
