## BRITISH MAKE FRESH OVERTURES TO IRISH

DUBLIN, Feb. 8.—(A. P.)—Rumors are circulating here that the government is making fresh overtures to effect a settlement with Southern Ireland. One report is that the government is trying to bring the Ulster leaders in line with a scheme to persuade the south to accept the partition provided under the Home Rule Act.

Full fiscal autonomy for both sections of Ireland, with an offer of release of political prisoners and amnesty to Irish republicans generally, are included in the propositions by the government, according to the report.

## BURNING AT STAKE IN LOUISIANA INDICATED

MEXICO CITY, Feb. 8.—(A. P.)—The residence of Archbishop of Mexico, the Most Rev. Jose Mora, was bombed early yesterday. A bomb also was exploded at the entrance of the building occupied by Jesuits and American manufacturers of jewelry. There were no casualties. The bombings are believed to have been attempts at sabotage by radical labor elements.

The fronts of the buildings were wrecked.

The archbishop, because of his stand against radicalism and his activity in organizing Catholic workers to combat extremists, has received many threats.

Jesuits and company have had labor trouble for four months and in consequence the factory was closed down for two weeks after refusal to accept the workmen's demands which included a hundred per cent wage increase.

## "The Blue Law Girl"

"The Blue Law Girl" is New York's latest revue feature. Charles Dillingham, manager of the New York Hippodrome, conceived it. Watching the chorus of 300 scampers about the stage attired in revealing costumes, he wondered: "How'll I dress 'em when the blue laws come?" The novelty shown here is the result. Miriam Miller, one of the principal Hippodrome dancers, is shown as "The Blue Law Girl"—today and when the blue laws pass.

## DEMOCRATIC CHAIRMAN MAY CALL NATIONAL CONVENTION MARCH 1

Request Says Purpose is to Keep the Forces of Progress Organized for Continued Constructive Action.

WASHINGTON, Feb. 8.—(A. P.)—Forty nine of the 195 members of the democratic national committee requested Chairman George White to issue a call for a meeting of the national committee March 1 at St. Louis or some other centrally located city.

The request was embodied in a telegram sent Chairman White and to members of the executive committee of 16, recently appointed.

The meeting should be held, the signers declared, "in order that the forces of progress may be organized for continued constructive, patriotic action in the succeeding four years and for a righteous and richly earned victory in 1924."

Spokesmen for the signers said they counted among their number "a clear majority" of the national committee.

Adding that six members of the executive committee supported the move although they did not sign the telegram and that eight national committeemen with whom they were unable to get in touch had indicated support of the movement.

The telegram as made public by national committeemen T. B. Love of Texas, said:

"We the undersigned members of the democratic national committee, proud of the history and traditions of our party, especially of its matchless record of achievement under the leadership of Woodrow Wilson, and aware of the solemn responsibility devolving upon our party to fight constantly for the principles which have ever been its glory; to be always militantly on guard as the champions of the rights of all the people, respectfully urge you to call a meeting of the democratic national committee, to be held March 1 at St. Louis or other centrally located point, in order that the forces of progress may be organized for continued constructive, patriotic action in the succeeding four years and for a righteous and richly earned victory in 1924."

"We congratulate our chairman and his associates upon their valiant and patriotic efforts in the recent campaign under the leadership of the

splendid democratic, James M. Cox of Ohio, and beg to wish for Mr. White many years of happiness and added usefulness upon the retirement which he announced shortly after November 2, his private interests would make it necessary for him to seek."

W. L. Latham, Arizona; Isadora B. Dockweiler, California; Dr. J. W. Morrow, Oregon; P. J. Quinsy, Wyoming; Mrs. H. D. Hawley, Wyoming and Mrs. James D. Finch, Nevada.

When a Millionaire Marries an Actress—

There is usually one of two results—a divorce within a year, or a life of bitter quarrels, suspicion and disillusion; for the love of money and the love of admiration are poor foundations on which to build even a "modern" marriage.

"THE FURNACE" is the story of such a marriage, and the "Furnace" was the hell-fire which the souls of these envious and yet unhappy people were compelled to pass before the dross of convention, jealousy and misunderstanding had been burned away.

No one, married or single, should miss this powerful picture at the Alta this week.
