NEWS OF THE COUNTY OFFICES AND OFFICERS

Fire Officials Sued by Rudd
Charles H. Rudd late Wednesday filed with the county clerk a suit against W. E. Haggard, fire chief, asking for a writ of mandamus and other relief in connection with the recent granting of a permit by the fire chief and fire committee of the city council to I. B. Johnson to erect a wooden building at 206 West Webb street. He alleges a conspiracy between the fire chief, the committee, consisting of Joe Ell, Manuel Friedly and Claud Penland and John Vaughan, then mayor of Pendleton, to grant this permit in violation of the fire ordinances of the city. Mr. Rudd formerly occupied a building at that address but his building was moved out and a new one erected. He requested the council to revoke the permit but recently by motion of Chairman Ell the request was denied. Mr. Rudd is his own attorney in the case, his first filed since being admitted to the bar.

Declares There's Nothing Quite Like Howard's Buttermilk Cream for Beautifying the Complexion

This good looking young woman tells all good drug and department stores not to take anyone's money unless this delightful new vanishing Cream quickly shows a decided improvement.

The first application of Howard's Buttermilk Cream will astonish you. It creates beauty almost like magic. The most wonderful thing about it is the fact that whilst it turns the dull, most lifeless complexion to radiant beauty and makes red or rough hands or arms snowy white, yet there is not the slightest sign of its use after application. It actually vanishes from sight and the most heated atmosphere will not produce the least stinkiness or greasiness of the skin.

No matter whether you are troubled with a poor complexion, wrinkles, puffiness around the eyes, freckles, crows feet or lines around the mouth, ugly finger nails, or just a simple roughness of the face, hands or arms caused by wind or sun, you will find that any or all of these troubles will quickly disappear with the use of Howard's Buttermilk Cream.

To prove this to your complete satisfaction, get a small quantity to-day at any first class toilet goods counter, with the understanding that they will freely return the purchase money to any dissatisfied user.

Important — Beauty specialists throughout the country who are now being and recommending Buttermilk Cream claim that after a massage with this wonderful cream many a woman looks years younger.

UMAPINE, Feb. 10.—The Hudson Bay Grange held its regular meeting on Friday night with about 50 in attendance. During the lecture hour, a girls' trio and Mrs. J. D. Mr. Lane Hoon master of the grange announced that on the next regular grange meeting after regular business was disposed of, all patrons would be repaired to the lower hall where they

would dance. This is for grangers only.

Also on the next meeting night, a delegate to the state grange will be elected and it is thought a degree team will be organized. On Friday night meeting, R. H. Parker, Irene Hoon, Marjory Frank, and Mr. and Mrs. J. Miller were initiated into the Grange. W. H. Weathers who lies seriously ill at the home of his daughter, Mrs. J. E. At the meeting in the afternoon, Mrs. Edith VanDeusen will address the ladies and talk to them on the subject of hats or millinery. On March 2 and 3 a millinery school will be held and Umapine ladies will make hats for themselves. On this coming Friday, Mrs. VanDeusen will also assist ladies in sewing and all are requested to make some garment on that day. Mrs. Van Deusen is the county demonstration agent.

Mr. Caldwell will be the new secretary and the position will be almost a nominal one from now on. The directors fees for attending the monthly meetings were reduced to \$1.00 per meeting.

GRUEN WATCHES

The Evidence

These legs belong to President-elect Harding. And where have they been? Look at the cockleburs! These little stocking-bugging pests do not grow on the open fairway of a golf course. They're usually in the weeds along the side lines. When a golfer is "off his game" he's usually also off the course. Use your own judgment! The picture was taken at Palm Beach links.

Partnership Saving

It is easy to neglect the teeth. Business interests, dread of the supposed ordeal, the fact that decay is a slow process, all help keep you away from the dentist. You are prone to put off your visit on one pretext or another until the affliction becomes acute. This is wrong. Your dentist and yourself are in partnership to save your teeth—your health. He stands ready to do his part; yet you avoid him as long as you can, although it is certain that periodical visits and proper attention would prevent every painful operation and get far better results than is possible in the latter stages.
