ELIGIBILITY OF LOCAL HIGH SCHOOL PLAYERS WILL BE PASSED UPON

State Board of Athletic Control Meets Saturday in Portland to Consider Protest of Baker on Status of Five.

Are Pendleton's basketball stars, Myron Hanley, Dick Lawrence, Kenneth Stendal, Billy Kramer and Charley Cahill, disqualified by their having received gold footballs from the Pendleton Rotary Club for their part in winning the football championship of Eastern Oregon? Are Hanley and Stendal disqualified again because they have resided here only since September 1, with Coach Dick Hanley as guardian?

These questions, raised by the school authorities at Baker, will be settled by the state board of athletic control in Portland on Saturday. H. M. Dutton, of La Grande, is president on the board and his associates are J. A. Churchill, vice president and W. J. Mischler, secretary. Baker will be represented by its principal at the hearing.

Baker's protest was filed on the day of the first Pendleton-Baker game at Baker, several days after the second semester in the local high school had opened. All players on the squad had resided in Pendleton and attended school through a full semester and were thus unquestioned as to their residence. The board may be called upon to decide whether the tokens given by the Rotary Club can be said to have any intrinsic value. If they have, by decision of the board, the boys would either be obliged to give them back or be ineligible to compete.

Baker, in its protest, has referred to the "adoption" of Myron Hanley and Kenneth Stendal by Dick Hanley. The papers signed and on file with the county clerk are guardianship, not adoption papers. They could refer only to the first semester of residence at any rate, the local school authorities recently pointed out, as the boys in

IDAHO MEN WORK OUT FOR BIG INDOOR MEET

MOSCOW, Idaho, Feb. 10.—(A. P.)—University of Idaho track athletes have begun serious training in preparation for the all-Inland Empire indoor meet to be held in Spokane February 22. More than 20 men have been reporting for daily conditioning stunts performed in the university gymnasium.

Strenuous efforts are being made to develop a sprinter to step into the shoes left tenantless by Jack Riechmold of the 1919 team. Robert Leitch of Lewiston, who showed sensational flashes of speed on the football field last season is considered the most promising of the short distance men now in training.

Idaho is expected to make a strong showing in the middle distance events. Horton McCallie of Kamiah, who won the 440 yard dash in the northwest conference last spring; E. G. Van Hoesen of Mesa, who placed second in the conference half mile in 1920; Raymond Marsh of Moscow, who will run the mile as well as the 800, and Purdy Eaton of Mountain Home, a capable quarter-mile, are among those who will probably be entered in the Spokane meet.

Idaho entrants in the weight events will be Neil Irving of Rupert and Pat Perrine of Nez Perce, the latter a member of the last American Olympic team. Irving and Perrine took first and second respectively in the shot-put and the javelin throw in the 1920 northwest conference meet.

TO STOP LIQUOR TRAFFIC PORTLAND, Maine, Feb. 10.—(A. P.)—Shipment of liquor in bond through this port from Europe to Canada will be stopped by the decision announced at Washington today that the shipment of liquor from one foreign country to another via the U. S. is illegal according to Collector of Customs C. M. Sleeper.

BAKER WINS CONTEST FROM LA GRANDE FIVE BY SCORE OF 31 TO 20

Pendleton Has Game This Week End at The Dalles and Hood River After which it Meets Union County Quintet.

Baker high school's basketball team (trimmed La Grande 31 to 20 in the Union county city Tuesday night, in their first meeting of the season. Baker previously has broken even with Pendleton high school in four games, two played on each team's home floor. The Pendleton squad will meet La Grande Friday night, Feb. 18, in one game their first of the season. A return game, to close the season, will be played with La Grande March 4. As a result of the games between the three schools, claims for the championship of Eastern Oregon likely will be made.

Coach Dick Hanley and his athletes will board train Friday for The Dalles, where, tomorrow night, the high school team of the mid-Columbia city will be met. The Dalles has been going well this season but ran into a snag in the form of White Salmon high school last week end.

On Saturday night the Hood River team will be met at Hood River. This quintet is coached by Earl Fleischmann, who directed athletics in Pendleton during 1919-1920. The Dalles will be given a return game on the Pendleton floor on February 25.

Come changes in the Pendleton line up probably will be made for the western trip, on the basis of the showings made in the Baker series here. Despite the fact that the locals won the first game against Baker, there was some dissatisfaction evident at the team work, or rather lack of it, displayed.

NO! NO! THE HAT!!

The hat's the thing It's one of the newest for spring. The rest of the picture simply shows that there's more than one way of displaying a hat. Another way would be to stand it on a steel frame. "I Feel as Tho' I Could Not Drag Thru the Day's Work"

is the complaint of many a woman in the household, office or factory. After suffering pain, feeling nervous, dizzy, weak and dragged-down by weaknesses of her sex—with eyes sunken, black circles and pale cheeks—such a woman is quickly restored to health by the Favorite Prescription of Dr. Pierce. Changed, too, in looks, for after taking Dr. Pierce's Favorite Prescription the skin becomes clear, the eyes brighter, the cheeks plump. It is purely vegetable and contains no alcohol.

Druggists sell it in tablets or liquid, or send Doctor Pierce, at Invalids' Hotel in Buffalo, N. Y., 10 cents for trial package.

REDDING, CALIF.—"Dr. Pierce's Favorite Prescription is perfectly wonderful. I owe everything to this medicine. When I was passing thru middle age I suffered everything. Finally, I decided to take Dr. Pierce's Favorite Prescription. It stopped the headaches, the pains and the hemorrhages. I never had any more trouble. It really is great."—MRS. R. B. CHICAGO BOXING CODE SPICED WITH TUSSELE

CHICAGO, Feb. 10.—(A. P.)—The council hearing on the proposed state law to authorize boxing was interrupted today by a fist encounter between "Tommy" White, former featherweight champion, and Alderman J. H. Lyle. The encounter occurred outside the council chamber while scores of aldermen, businessmen and club women were discussing provisions of the proposed law. It resulted from White's advocacy of a clause permitting decision contests.

The men were separated by spectators after several blows had been struck.

NEW YORK, Feb. 10.—(A. P.)—An international tournament, which will bring together recognized amateur boxing champions of the U. S. and England, is being planned for here in May.

It is proposed to have the winners of the English amateur athletic association and the amateur athletic union championship contests, scheduled to be held almost simultaneously in London and Boston, compete for international honors.

An invitation from the officers of the A. A. U. has been dispatched to the officials of the English A. A. English boxing matches are usually held about April 1. By holding the international contests a month later ample time would be given British contenders to arrive here and become acclimated.

JACK JOHNSON ORDERED TO TRIM SAILS A BIT

OMAHA, Feb. 10.—(A. P.)—Jack Johnson, former champion heavyweight, has found some of his former liberties at Leavenworth federal prison curtailed as a result of too much self-administration, according to Deputy U. S. Marshal Emmet Quinley, who returned from a trip to the prison today.

According to the official, after Jack had staged a friendly bout at the prison on Thanksgiving day and had indulged later in a private turkey dinner he exhibited so much pride and enthusiasm about the prison yards that he was finally ordered to do some real toil and is constantly kept "close to shore."

P.)—The offer received from Boston University, Boston, Mass., for a football game with the University of Oregon team to be played in Boston November 12, today was rejected by the athletic council of the University of Oregon.
