- Feb. 19—Umatilla Rapids Power Site meeting, Walla Walla.
- Feb. 22—Washington's birthday, general holiday.
- Feb. 26—Mass meeting Weston women.

Births numbered 17 while deaths were 19.

**Sim Culley Loses in Fire**  
A bad fire on the Sim Culley ranch at Weston on Wednesday destroyed a large amount of valuable machinery and all of his outbuildings except the house and barn. Reports of the fire reached here this morning. A Best tractor and other costly implements were among the articles destroyed in the blaze.

**A. B. McEwen Passes Away**  
Andy B. McEwen, Umatilla county pioneer, passed away in Portland last evening after a brief illness, at the age of 79 years. His relatives were at his bedside when the end came. Mr. McEwen was formerly a farmer and hardware dealer at Athena and the funeral will be held there. His widow and five children, among them Mrs. L. L. Smith of Pendleton, survive.

**Births Number 17**  
The birth rate in Pendleton kept ahead of the death rate during January, according to the report from the office of Dr. Frank Boyden, city physician.

**Bridge Nearing Completion**  
The new highway bridge across the Snake river connecting Franklin and Walla Walla counties, Washington, is nearing completion. Decking is being placed now and the roadway will next be paved. It is expected that the bridge will be completed and ready for travel by March 1. It bridges the Snake river near Burbank and will do away with ferrying between Burbank and Pasco. When the bridge is dedicated, the Walla Walla Commercial Club will give the Pasco club an oyster feed at the middle of the bridge.

**"Why Men Are Unsaved"**  
"Why Men Are Unsaved" will be the topic of a sermon at the Baptist church tonight by Rev. Milo Dentley. Last night he preached on "Hypocrites."

**Night Is Warm**  
Last night was unusually warm, the minimum being 41, only five degrees lower than the maximum temperature today. The barometer registers 29.50 today and the rainfall measures .11 of an inch.

**City Library Is Closed**  
The city library today is closed, preparatory to its being moved to the county library building. While it is closed and prior to its shift, books that are to be returned may be left at the office of the city recorder on the main floor of the city hall.

**Banks Will Close Tomorrow**  
Pendleton banks tomorrow will have a holiday, in observance of Lincoln's birthday. It is not a state holiday in Oregon, however, and no state or county offices will be closed nor will business houses observe the day.

**Roesch Puts Out New Drink**  
The Roesch Bottling Works has just put on the market a new cereal beverage called Western. New and attractive labels have been designed for the drink and it is already finding a ready market in a number of northwestern cities. This is not a soda water, as has been previously stated, the company said today.

**Wheat Fields Badly Washed**  
Recent rains have washed reservation wheat fields and washed out roads even worse than the rains of the winter of 1919-1920, in the estimation of Harold Maloney, who farms 10 miles east of town. There are gulches in wheat fields higher than a man's height, Mr. Maloney said today, and there is not a field between his ranch and Pendleton that has not suffered damage from the surface water seeking an outlet to the river. Roads have also been badly damaged by the rains.

**Miss Todd Resigns**  
Miss Virginia Todd, for the past two and a half years home secretary of the Umatilla county Red Cross, yesterday resigned her position. The resignation was accepted by the board, but Miss Todd will continue as county secretary. Miss Todd, whose work with the county chapter dates from the time her orders for overseas war service were cancelled because of the end of the war, has won great praise for her ability. She has proved herself an able and efficient worker and has made hosts of friends in Umatilla county. Several applications for the position have been received by Mrs. Thomas Hampton, H. E. Inlow and Mrs. Roy Raley appointed by Chairman Harold Warner, to secure a new secretary.

**Mrs. Taggart Returns**  
Mrs. L. H. Taggart, who is in charge of the ladies' ready-to-wear at The Peoples Warehouse, and who just returned from a visit to New York and other eastern markets, says that gray and navy blue lead among the spring colors. Gray is used extensively for dresses while navy is the favorite for suits. For sport wear, brilliant shades are shown, and English tweeds are popular for sports suits, she says. Taffeta and silk Canton crepe are favored materials for dresses, Mrs. Taggart noticed. Skirts will be exceedingly short, Mrs. Taggart says, and the bouffant hip is still popular, as are ruffled effects. Wrap coats are still popular, she says. Mr. Taggart attended the style show while in Chicago. Mrs. Taggart saw Leon Cohen in New York and says he is much improved in health and has gained 10 pounds in weight.

**Feb. 15 Last Day**  
February 15 is the last day upon which application for grazing on the Umatilla division of the Umatilla National Forest can be made, according to word from the local forest office. For the Wenaha division the last date for receiving applications was January 31. Permits for 22,800 cattle and horses and 149,400 sheep comprise the total which are let each year. The fees fixed for the year 1921 are as follows: For cattle, year-long permits \$1.20 a head; April 1 to October 31 period, 84 cents a head; April 15 to October 31 period, 78 cents a head; horses, year-long permits, \$1.50 a head; April 1 to October 31 period, \$1.05 a head; April 15 to October 31 period, 97 cents a head. The fees to be charged for grazing sheep will be as follows: Year-long permit, 70 cents a head; June 10 to October 15 period, 15 cents a head; June 10 to October 15 period, 12 cents a head.

## HIGH SCHOOL NOTES

**Basketball Teams Leave**—Members of the boys' and girls' basketball teams left this morning for The Dalles where they will meet that city's team tonight in a double header game. Return games will be scheduled later in the season. The boys who made the trip were, Hanley and Cahill, forwards; Lawrence, center; Henderson and Kramer, guards; with Harold Houser going along as the extra man. The boys will play The Dalles tonight and Hood River tomorrow evening. Coach Earl Fleischer is said to have a fine team but the locals expect to show him a defeat similar to the football defeat.  
Members of the girls' team to make the trip are Mary Clarke and Jane Cheney, forwards; Captain Mildred Rogers, center; Iva Dale, side center; Alberta McMonies and Marie Fletcher, guards. Substitutes who went were Katherine McNary, Ruth Minnis and Emily Dohmert. Besides the coaches Mrs. L. L. Rogers and Mrs. W. J. Clarke accompanied the teams.

which will probably be given a space in the annual. Miss Elizabeth Severance, instructor, has found a great deal of material that could be published. The study of drama and the writing of plays will be the next step of the class in the line of writing. Some excellent material was received a short time ago on the subject of Americanism. The Knights of Pythias offered prizes for the three best essays on this subject in the school. All pupils of the higher English classes were required to write the essay which was for 500 to 750 words in length. As yet the winners have not been announced as the time for the decision has been extended.

**Debate Held**—A practice debate was held in assembly yesterday morning before the student body for the

purpose of giving the teams a chance to appear before an audience before the first debate which is to be held this evening in the high school auditorium. A decision was not given to either team so that they would not know their strength and become over-confident. Orville Reeves of the faculty

acted a chairman. The affirmative team will leave tomorrow for Milton while Milton's affirmative team will come here. Miss Ross, debate coach will accompany the team to Milton. WHO IS morally insane today Ask Harding he knows, Oregon tonight.

EDUCATIONAL TOOTH TALK NO. 6

**Ulcerated Teeth**  
Thousands of people have suffered in the past from rheumatism and neuralgia because their diagnosis of the cause was not correct. Physicians prescribed the usual remedies but relief, if it came at all, was only temporary. They doctored the condition and not the cause. The "cause" was ulcerated teeth but neither the physician nor the patient was aware of it. The present-day physician never overlooks the teeth in locating the cause of rheumatism, neuralgia and several other illnesses. One cannot be in good health with ulcerated teeth; these teeth can sometimes be treated successfully—sometimes they must come out. By all means get rid of those pus-pocket formations.  
Consultation Freely Given in all Dental Branches.
