## PENDLETON PROVES TOO MUCH FOR THE DALLES AND WINS EASILY, 36-18

Myron Hanley Alone Accounts for 20 Points and Mates All Contribute to Victory; Girls Lose Out by Basket.

Playing a superior game all around, Pendleton high school last night won from The Dalles high at The Dalles by a 36 to 18 score. The victory places Pendleton one step nearer the goal for Eastern Oregon honors, which will be disputed by Baker, which is the only team to hold verdict over the local lads.

Myron Hanley single handed scored more points than the losers made. The steady forward caged 20 of his team's points, shooting from every angle and alternating short with long baskets. Cahill, again at forward in place of Stendal, accounted for six more points and Larry Dick Lawrence was good for eight.

Billy Kramer, playing running guard, chipped in with two points to complete the count. John Henderson, playing his first game as a regular, put up a nice game at guard and while he was not in position to add any scores, held his man down.

The Pendleton girls, meeting the girls' team of The Dalles lost by a basket, the final count being The Dalles 14, Pendleton 12.

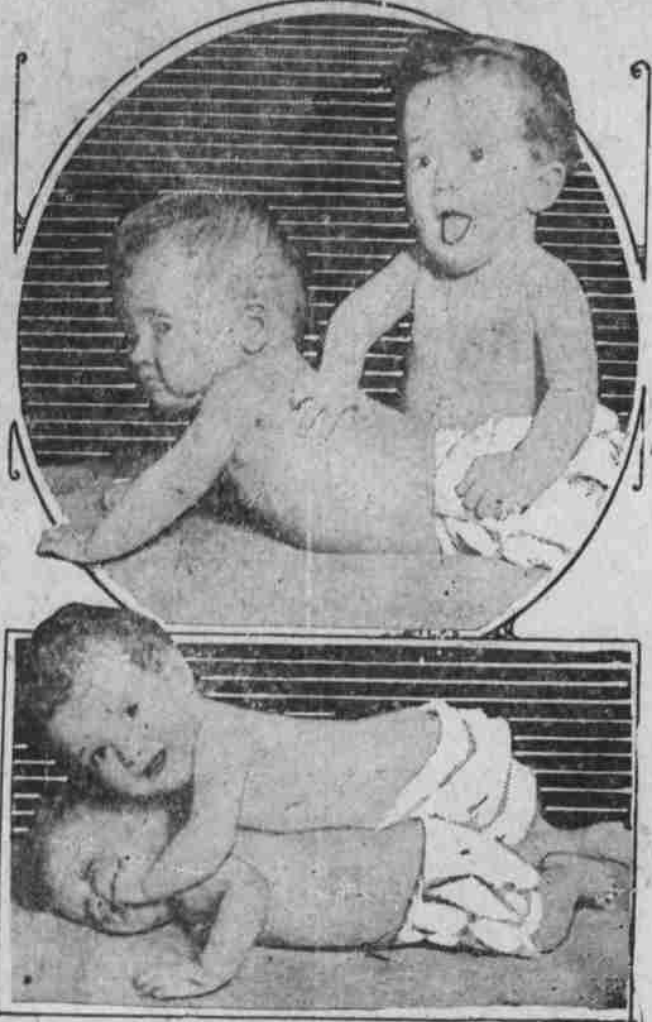

Tonight the Pendleton boys move on to Hood River where they meet the quintet coached by Earl Fiechmann, formerly endleton athletic mentor. A victory over the orchard lads is predicted.

## RITCHIE MITCHELL HAS BEST OF EVERY ROUND IN FIGHT

MILWAUKEE, Wis., Feb. 12.—(A. P.)—Ritchie Mitchell, Milwaukee lightweight, last night outclassed Joe Tiptitz of Philadelphia, having the advantage of practically every round of the 10-period bout, newspaper critics agreed.

Buff Gets Decision.  
NEW ORLEANS, Feb. 12.—(A. P.)—Johnny Buff of Jersey City, was awarded the decision over Frankie Mason of Fort Wayne, Ind., in a 15 round bout here last night. The men are flyweights.

## Head-Lock Barred!

"Lewis the Terrible" gets along without the disputed head-lock, but he employs a wicked check-hold. The lower picture shows him using it on "Kid" Caddock. These doughty "rascals" are the champions and pride of St. Vincent's Foundling Asylum at Chicago—linal which Mrs. Marshall Field III, wife of the Chicago millionaire, is promoting. "Lewis the Terrible" always sticks out his tongue, as above, when in deep thought over his next move.

## RALPH STROUD'S CONTRACT RECEIVED BY SALT LAKE

SALT LAKE CITY, Feb. 12.—(A. P.)—Announcement was made today by President Lane of the Salt Lake baseball club of the receipt of the signed contract of pitcher Ralph Stroud. Stroud was the leading pitcher of the coast league last year.

## HELENA POLICE COURT MADE HANDBALL COURT FOR FIREMEN AND COPS

Helena, Mont., Feb. 12.—(A. P.)—The police court of Judge Jones here has been converted into a handball court for firemen and policemen. Only the magistrate's bench is left in the room and when the police and firemen are not playing handball it is used as a court, where minor offenders are tried. The players have the right of possession of the room, however, and when they wish to play the judge moves his court, should it be in session, to other part of the city hall.

## BAN ON HEADLOCK IS DIVIDING MAT SPORTS

BY HENRY L. FARRELL  
(United Press Staff Correspondent)  
NEW YORK, Feb. 12.—Jack Curley's ban on the "headlock" hold in wrestling bouts in New York has divided the ranks of the grapplers and mat fans.

Mostly affected by the edict of the promoter who has become practically the controller of the sport in America, of course, is the heavyweight champion, Ed "Strangler" Lewis who worked his way up and won the title by the "headlock."

Lewis claims that the prohibition of his pet hold will just about ruin him as the most lucrative matcatcher staged in New York and as smaller promoters in other states are following the lead of Curley in outlawing the hold.

Many fans claim the head-lock is not more punishing or brutal than the "sissors" of the former champion, Joe Stetcher, or the toe hold.

Earl Caddock, judged by many fans the best of all the present crop of matmen is among the grapplers who side with Lewis and claim that the hold is not so dangerous that it should be ruled out.

Lewis is highly wrought up over Curley's action claiming that no complaint was made about the hold until he won the title.

Curley bases his action on grounds that the public and the press demanded a ban on the grip after Lewis had injured several opponents.

## JOE MOORE TAKES LEAD IN AMATEUR ICE RACES

## ANNUAL MEETING OF AMERICAN LEAGUE IS MARKED BY HARMONY

Magnates in Session Raise to 15 Per Cent Share of City Post Season Games to go to Baseball Council.

CLEVELAND, O., Feb. 12.—(A. P.)—Complete harmony marked the annual meeting of the American league here today, all of the clubs being represented except New York.

The American league owners adopted a rule that 15 per cent of receipts in city post-season games go to the national baseball council, instead of 10 per cent as formerly.

The rule governing sending of first year players to the minor leagues was amended to make the number unlimited, such first year men, however, cannot be "selected" or drafted players. Formerly the limit was four. The limit also was removed from the number of players to farm out, the previous limit being eight.

Another rule amended permits players who have been in the major leagues for 10 consecutive seasons to demand an unconditional release after waivers have been served on him. Under the former rule a club could claim him within 10 days after the waiver period.

## RULES FOR DOG DERBY LIKE THOSE OF NORTH

ASHTON, Idaho, Feb. 12.—(A. P.)—Dog race rules similar to those in force at the Tucson's Day Dog Derby held every spring at The Pines, Maricopa, and at the old All-Alaska Derby formerly held at Nome, are to be enforced at the fifth annual Ashton race to be held February 22.

The rules follow:  
"Teams must consist of not less than five or more than seven dogs."  
"The same dogs must be worked on

## ANTI-URIC FOR RHEUMATISM

weigh the entire distance of the race in case a dog becomes worn out the driver must bring that dog also, he has the option of having it if he so desires.

"Sticks must be not less than five feet in length. Sticks can be carried on sleigh if so desired but no driver may attach dogs from sleigh for the purpose of pulling himself.

"When a driver is overtaken by a racer from behind he must see either to the extreme left or the extreme right of the road. No interference is permitted with passing teams.

The Ashton course is west of Oro thence south to Vernon and back to the starting point. As nearly the feet of snow cover the trails, fast time is expected.

## ALTA SUNDAY AND MONDAY

"The Mutiny of the Elsinore," the thrilling motion picture of adventure at sea, showing at the Alta Sunday and Monday, reflects vividly some of the most exciting chapters in the adventures career of its author, Jack London. For Jack London was not only a writer of adventure, he lived it as thoroughly, deeply and colorfully as his own heroes.

As a boy he was a professional seaman of the coast of California. At seventeen he shipped before the mast as an able seaman, visiting Japan and the Loo-Choo Sea. At sea he "got drunk and crew hate on his chest." He knew a thing or two about the sea, with him, he has picked up everything at his locality of his career to start on a voyage around the world in a 50-foot skiff.

But Jack London was an expert, a tramp, seal hunter, Alaskan gold prospector, was correspondent, a writer of fiction, a hunter, a swimmer, a fisherman, a writer of honor, an author of search, he works an economic, a writer of a heavy driver himself and a writer of the most powerful adventures of prohibition in his great autobiographical story "John Barleycorn," a self-made man, a man consumed with a brain desire to live life to its fullest.
