SECOND STRING QUINT WILL COMPLETE YEAR ON BASKETBALL FLOOR

All First Team Players But John Henderson Affected by Ruling of State Board and Subs Will Finish Schedule.

Second string basketball men at Pendleton high school will finish out the 1921 schedule, with the exception of the game scheduled for March 4 against La Grande. The decision of the state board of control, for high school athletics put the local first team on the shelf for the remainder of this season on account of their having been presented with gold footballs by the Pendleton Rotary Club.

John Henderson, only man on the first squad who did not get a gold football, will be eligible to finish out the schedule. Harold Houser, sub forward, who had first team experience last year, and John Saunders, all-around experienced sub, are both eligible for neither played football.

Dick Lawrence, center; Charles Cahill, captain and guard; Bill Kramer, guard; and Myron Hanley, forward, were ruled out of play until March 15 because of the board's ruling on the tokens. Kenneth Sigdal, who did not make the last trip also was a trophy winner.

Omer Adkinson and Lawrence Warner, who have been turning out for basketball all season and playing with the second team, probably will make the best bids for places on the new team that will have to be drilled to take the floor during the remainder of the season. A fairly fast quintet can still be formed from material at the school and the games with The Dalles and La Grande still will provide a lot of entertainment, it is believed at the school.

With the basketball season virtually "shot," interest at the school is expected to turn soon to track. As soon as weather conditions get better in March, turnouts probably will start in this sport. There are more lads in the school with track qualifications than in any of the spring sports and with no chance of there being any more technicalities to run against, the school expects to put out a winner.

TOLEDO CITY MANAGER TO ISSUE NO BOXING PERMITS

DAYTON, Ohio, Feb. 15.—(A. P.)—Boxing was given a death blow here yesterday when City Manager W. C. Barber said he would issue no more permits for matches to be staged within the city limits.

He based his refusal on the ground that boxing is against a state law.

CHICAGO, Feb. 15.—(A. P.)—Joe Weiling, the Chicago lightweight, accompanied by Eddie Mahoney, a Pacific Coast lightweight, left here last night for Hot Springs, Ark., to train a week in preparation for his eight round championship contest with Benny Leonard in St. Louis, February 23.

CONGRESSMAN OUT FOR FEDERAL JUDGE LANDIS SCALP AS BALL LEADER

Representative Welty, of Ohio, Starts Move to Impeach Famous Chicago Jurist Because of \$50,000 Job.

WASHINGTON, Feb. 15.—(A. P.)—On charges of high crimes and misdemeanors, Federal Judge K. M. Landis of Chicago, was impeached in the house Monday by Representative Welty, democrat, of Ohio, because of his acceptance of the office of supreme arbitrator of baseball, while still a judge.

The charge disregarded an opinion by Attorney-General Palmer that Judge Landis was within the law, and that there was no law making such acceptance a crime. The opinion was rendered recently by the attorney-general on request of Mr. Welty.

Before proceeding Mr. Welty refused a request by Senator Dial, democrat, South Carolina, to include in the general indictment statements attributed to the judge in refusing to send to jail a young Chicago III. bank clerk, because of the belief that bank officials were responsible for the clerk's speculations by failure to pay him a living wage.

Bank Clerk Parole Target.

Senator Dial then announced he would file complaint against Judge Landis with the department of justice. He characterized Judge Landis' statement that the bank clerk's employers were in a measure responsible for the youth's theft of \$36,000 as "the most bolshevik doctrine I ever heard" and added that if the action taken in paroling the clerk amounted to encouragement of such acts as those of the clerk "it is striking at the foundations of our government."

"There were no comments when Mr. Welty concluded the reading of the indictment. Of his own motion, as is customary, the indictment was referred to the judiciary committee. Less than a third of the members present voted, and scattering "noes" were heard. Representative Sherwood, democrat, Ohio, clapped his hands.

The next step will be by Mr. Welty, who will appear possibly this week before the judiciary committee, with witnesses. The committee has the power to dismiss the charges and report to the house and adoption of a resolution to impeach Judge Landis.

Belief was expressed in house circles that the case would be thrown out by the committee. In view of the opinion by the attorney-general, in that event, the end would come before adjournment March 1. Adjournment, however, would not stop proceedings should the committee find enough evidence to send the case to the house.

House Is Grand Jury.

In impeachment proceedings the committee acts in a similar capacity to a jury of the peers. The house is the grand jury and if the house indicts it transmits its findings to the senate, which becomes the trial court. It requires only a majority vote for the house to indict, but a two-thirds vote by the senate to convict.

Chairman Volstead of the committee said that Mr. Welty probably would appear before the committee within a week. The retirement of the accused from congress next month has not been heard, the chairman explained, if the committee decides Mr. Welty has made a prima facie case, Judge Landis will have the right to be heard.

In his statement Mr. Welty declared Judge Landis in his long career had done much good, but that if he wanted to retain the confidence and respect as a judge "the most diverse himself from the flesh pots of illegal combinations." There were five specific charges, chief of which was he neglected his official duties for "another sinful occupation not connected therewith."

AFriend of the Family

Over fifty years ago a young physician practiced widely in Pennsylvania and became famous for his uniform success in the curing of disease. This was Dr. R. V. Pierce who afterwards established himself in Buffalo, N. Y., and placed one of his prescriptions, which he called his "Golden Medical Discovery," in the drug stores of the United States so that the public could easily obtain this very remarkable tonic, corrective, and blood-maker. Dr. Pierce manufactured this "Discovery" from roots and barks without alcohol—a corrective remedy, the ingredients of which nature had put in the fields and forests, for keeping us healthy. Introduce pure red blood into the system, and health is assured. When you feel run-down, out of sorts, blue and despondent try the energizing influence of this reliable tonic. You can obtain Golden Medical Discovery in tablet or liquid form at all drug stores, or send 10c for a trial package to Dr. Pierce's Laboratory in Buffalo, N. Y.

WIFE TAKES HUSBANDS ADVICE

And Is Made Well Again by Lydia E. Pinkham's Vegetable Compound

Springfield, Mass.—"The doctor told my husband that I had to have an operation, otherwise I would be a sickly woman and could not have any more children on account of my weakened condition. I refused to have the operation. My husband asked me to try Lydia E. Pinkham's Vegetable Compound and to see if it would not help me. For the first four months I could do but little work, had to be down most of the time, was nervous and could eat hardly anything, but my husband was always reminding me to take the Vegetable Compound, which I did. Of my eight children the last one was the easiest birth of all and I am thankful for your Vegetable Compound. I recommend it to my friends when I hear them complaining about their ills."—Mrs. M. NATALE, 72 Fremont St., Springfield, Mass.

Sickly, ailing women make unhappy homes, and after reading Mrs. Natale's letter one can imagine how this woman was transformed by her restoration to health. Every woman who suffers from such ailments should give Lydia E. Pinkham's Vegetable Compound a fair trial. It is surely worth while.
