HEAVY RAINS REMOVE CAMAS PRAIRIE SNOW

(East Oregonian Special.) UKIAH, Feb. 17.—The snow is melting fast under a heavy rain a few nights ago, followed by a strong chinook wind, and now the ground is covered with water and slush, making it very disagreeable to get around. An ice jam was formed just above town Saturday, forcing the water through the south end of town and Mrs. Maggie Walker and family had to get out of their house Saturday as the water was up to the floor. The hills are bare off rapidly and things had the appearance of a general spring breakup, but Sunday night was a cold night and everything froze up and Monday it was snowing again.

Another social dance was given at B. V. Peterson's hall Saturday night, which was well attended. Sandwiches, cake and coffee were served and were enjoyed by all.

Mrs. Lowell Pendley of North Carolina, Mrs. J. M. Curtis and Mrs. R. W. Moore of Washington, sisters and brother of J. S. Moore of Ukiah, and

STRENGTHEN THAT BENT BACK

No need to suffer from that tired dead ache in your back, that lameness, those distressing urinary disorders. Pendleton people have found how to get relief. Follow this Pendleton resident's example.

Wm. McGregor, blacksmith, 711 Lillooet St., says: "Kidney complaint came on and I was so bad I couldn't bend my back to get under a horse. I was all tired out and my kidneys acted irregularly and the secretions were painful in passage. I had no strength at all and my back was lame and sore. After a short use of Doan's Kidney Pills, all the trouble disappeared. My health is now excellent and by back is good and strong. I give Doan's Kidney Pills the credit." (Statement given November 25, 1912.)

On June 17, 1920, Mr. McGregor said: "I have just as much faith in Doan's Kidney Pills as when I endorsed them before. I gladly confirm all I said in praise of Doan's for they never fail to give me excellent relief from kidney ailments."

GENERAL SOCIAL

(Continued from page 1.)

Red Cross social workers go into families and discover if there are defectives, dependents, delinquents, etc. Workers then find means to remedy these conditions. It should be remembered, however, that the aid of charitable organizations is as greatly needed now as in the past. The new plan merely systematizes charity and social service work in general.

W. W. Green Speaks
Miss Ewing also spoke last night on remedial measures for juvenile delinquency and her talk was followed by one from W. W. Green, county school superintendent, who spoke on school bills in the legislature. The associations wired to Salem their endorsements.
