Franc Notes in Display
The American National Bank today put on display a window full of franc notes in connection with their cabinet display of small home savings account banks. A few French coins are also shown with the currency.

Lyceum Number Probably March 9
The next of a series of lyceum numbers being given by Pendleton lodge of Elks for their members, friends and families, will probably be given on the night of March 9, according to Frank J. Quinlan, secretary of the lodge. There are two numbers still to be heard in Pendleton. The others have all attracted a large number of Elks and interspersed with the lodge's monthly informal dancing parties, have helped keep full the social season.

Holds on Liquor Have Effect
Far fewer drunks have appeared in police court than usual during the past few days. The cause is attributed by some to two recent raids conducted by the sheriff's office in which considerable liquor was confiscated. The 50 gallons taken from the Bill Hart party and the liquor in the Graham raid are believed to have cut down the present supply considerably. There were two drunks in police court on Monday, Feb. 14 and two on Feb. 19, making but four in the past 16 days.

Business Uninterrupted.
Despite the fire yesterday, the Smythe-Lomergan Co. is able to meet the demand for creamery products. Two hundred gallons of ice cream were saved and placed in The Delta cold storage owned by George Gray. Temporary office quarters have been established at the Burroughs Wood Yard and the Pacific Fruit & Produce Co. Yesterday there was some slight shortage of cream and the condensed variety was used at one of the local hotels, but the creamery is able to fully supply patrons today.

Are There Any Agents Here?
Are there any life insurance agents in Pendleton and, if so, how long have they been here? is the question which a man in Portland asks in a letter received today by the Pendleton Commercial Association. The man desires to come here to open up the field. Secretary C. K. Cranston laughed up his sleeve several times when he read the letter. The frequent requests for information about Pendleton, indicating that persons think it a small undeveloped village afford the secretary considerable amusement.

Local Girls Win by Point.
Pendleton high school girls' basketball team last night defeated La Grande by a 2 to 25 score, after trailing the visitors during a greater portion of the game. The first half ended with La Grande in the lead and during the second period the scoring saw-sawed giving the game more than ordinary interest. Mary Clarke for the locals, accounted for 15 points and Marjorie O'Brien, for the visitors, was high point winner with 18 scores. The game at La Grande a few weeks ago was won by La Grande. After the game a banquet and dance in honor of the visitors was given.

Scouts to Meet Mondays.
Last night at the seventh meeting of the boy scouts it was decided to meet each Monday evening at 7 p. m. hereafter. The next meeting will be Monday, February 21. Raphael Raymond was elected secretary of the organization. The scout master was elected treasurer. An invitation to the boy scouts from the Wenaha Camp Fire girls of the Methodist church to a party February 26 was accepted by unanimous vote. Norris Graham and Bruce Hawks took the written examination for tenderfoot scouts. Others took the test on knot tying. Dr. R. C. Ellsworth begins next week a series of six talks on cex hygiene.

Fight Not Coming March 12.
The proposed boxing card to be staged by Pendleton Post, American Legion, will not be held on Saturday night, March 12, as tentatively announced a few days ago. A member of the committee in charge today said that it probably would be held two weeks later, although no definite arrangements have been made. The card which was announced was also strictly tentative and embodied the suggestions of the legion's matchmaker. The post plans to give another card within the next four or five weeks but decided that the last night of the Pendleton Automobile Show would be an inauspicious time for such a venture.

Man Breaks Fire Hose
C. W. Loveland today was fined \$25 by Recorder Thomas Fitz Gerald for driving over a fire hose yesterday morning at the Smythe-Lomergan fire. He is alleged by the arresting officer to have broken two ordinances, one for driving over the hose and another for driving an auto closer than 200 feet to a fire while being fought. The hose which the man crossed, it is alleged, was broken, a new 50 foot section this being destroyed. The man did not stop after breaking the hose, the arresting officer testified, he obtained the license number of the car and apprehended the man. Judge Fitz Gerald said today that he would continue to assess heavy fines against drivers of cars who in any way interfere with the work of fire fighters.

The Dalles Games to Be Played
Games between Pendleton and The Dalles high schools will be played by both the boys and girls basketball teams of the local institution on Friday night, the administration announced today. These will be return contests for the games played in the mid-Columbia city last Friday night. The boys won and he girls lost in the first contests. Pendleton will be represented by its second team in the game next Friday and unless some county basketball games are scheduled for the week following, the coming contest will close the season for the local teams. It was mutually agreed between Pendleton and La Grande that the scheduled games will not be played, the one last night having been cancelled at the request of the Union county lads.
