Knights Celebrated Birthday.
 Local Knights of Pythias fittingly observed the anniversary of the founding of the order with a special program last evening. Judge J. W. Maloney, past grand chancellor officiated as chairman. Speakers were Judge S. A. Lowell and Rev. W. A. Gressman, new pastor of the Christian church of Pendleton, who spoke on the subject of Chinese and Near East relief. During the evening music was furnished by the Knights of Pythias orchestra.

Odd Fellows to Heppner.
 Several score of Odd Fellows of this city and county will be at Heppner Friday evening and Saturday of this week to take part in the district convention to be held there by the lodges of Umatilla and Morrow counties. There has been discussion of a special train out of Pendleton Friday morning to accommodate the delegates but thus far no arrangements for the special train have been completed. It was announced however, by H. W. Hicks, traveling passenger agent, that a special chair car will be attached to train No. 1 Friday morning and also on Saturday morning, if needed. The railroad company will furnish a special train if so requested. It is possible that a number of members will make the trip by auto provided road and weather conditions permit.

Laundry Re-painted.
 The Domestic Laundry on Court street is being renovated on the interior. The walls have been painted white throughout the plant.

No Wheat Market Today.
 Because today is Washington's birthday, the Chicago wheat market is closed and no report was received by the Overbeck & Cooke Co. brokerage office.

River is Clearing.
 The cold weather prevailing during the last few days has caused the Umatilla river to drop rapidly and become more clear. The water is now clearer than it has been any time for two weeks.

Falls in Pool.
 William Kirtley, formerly of this city lost his footing while doing carpenter work at the University of Oregon gymnasium recently and fell into the swimming tank. He was unhurt by the accident.

Takes New Position.
 Mr. and Mrs. Robert Nagler, well known local musicians, will in future make their home in Yakima, where Mr. Nagler has accepted a position with Low's State Theatre in that city. They will be missed from local musical and social circles as both are popular.

Miss Nelson Honored.
 Miss Helen Nelson, a student at the University of Oregon, was among the four college women presented with a letter sweater by the student body. Miss Nelson won the sweater for her work as a member of the Varsity swimming team. She is the daughter of Mr. and Mrs. David Nelson of this city.

Wheat Fields Washed.
 Large gullies have been washed in some of the wheat fields of the county as a result of recent rains. It is reported that some of the fields north of Cayuse have been made to resemble some of the trench marked fields of France. Taken the county over it is not believed the loss will be of any consequence.

Postfrymen Will Meet.
 The newly formed Umatilla county cooperative poultry club will hold a meeting at the library auditorium on Thursday evening. This organization was formed two weeks ago and is now said to have 17 members. It is the desire of the organization to include all poultry growers in the county and to further cooperative buying and selling. The officers of the club are Fred E. Schmidt, president; Miles Sparger, vice president and E. E. Meaza, secretary-treasurer.

Local Boy is Fighter.
 Delbert Dodger, who lived in Pendleton up to four years ago, attended Hawthorne school and was a paper seller for the East Oregonian, is earning a reputation as an amateur boxer in California. Young Dodger's fighting name is "Chick Roach" and he is scheduled for a bout with "Red Mulholland" by the American Legion at Vallejo on March 9. During the winter he was in several bouts in California and newspaper clippings telling of his record have been received by Robert McGee.

Directors Are Named.
 Directors for the Northwest Hay and Grain Show, to be held here during Round-Up week this year, are James H. Sturgis, of this city; C. B. Ingalls, of Dufur; Victor Smith, of Moro; M. O. Hulden, of Heppner; J. S. McKannon, of Alsea; C. E. Barling, of Walla Walla; E. K. Wiley, of Broadview, Idaho; C. V. Cardon, of Bozeman, Montana, and S. J. Cully, of Weston. The directors, with David Nelson, president; L. L. Rogers, vice-president; L. C. Scharpf, treasurer and Fred Bennett, secretary, will constitute the executive board.

Want Washington Grain Bill.
 It is reported here that on the conclusion of the legislative session at Salem President Roy W. Riner, of the state senate, will visit the Washington legislature at Olympia for the purpose of urging that legislature to enact a grain bill similar to the one just passed by the Oregon legislature. In Washington the grain growers are said to be suffering under identically the same conditions that prevail here due to the difference between the federal grain grading standards and the exports grain tests. Consequently it is felt that the Washington legislature may enact legislation similar to Oregon when the facts are made clear. As far as is known here the farmers of Washington have not taken any action looking to a new grain bill at Olympia.

George Washington

Born 22 February 1732 Died 20 December 1799

Washington, our statesman who ascended to an eminence attained by few men in the history of nations, was a man of integrity and a firm believer in a Divine Leader. After one of his great military successes, he wrote to a friend in Virginia: "The hand of Providence has been so conspicuous that he must be worse than an infidel that lacks faith, and more than wicked that has not gratitude enough to acknowledge his obligations."
