NEWS NOTES OF EASTERN OREGON'S MOST ECONOMICAL SHOPPING CENTER

We have again arranged a full bin of DRESS and COAT BUTTONS and have attached a price of 10c per dozen for buttons that originally sold as high as 90c per doz.

During THE SURPRISE PACKAGE SALE one of our enthusiastic men customers bought 17 of the 50c surprises. He says that he drew everything imaginable, all the way from infants rubber pants to fine silk waists and expensive wool sweaters. He says he sure got his money's worth.

SHES RIGHT A lady told her neighbor the other day that if you want your money's worth in shoes then buy them in the B. B. She said, as we've always told you, "It's the best shoe bargain shop in all Eastern Oregon."

THE \$2.98 GINGHAM STREET DRESS SALE is proving more than successful. We expected a good business in these dresses, they're going to all be wiped out before the sale gets fairly started. 500 good dresses don't last long.

They say that people move like sheep—where one goes the whole crowd goes. They've started in on the REMNANTS and it seems that everybody wants remnants. One customer bought \$17 worth several days ago and ever since that time we've had a constant rush on the Remnant tables. Did you see the neat BROWN OXFORDS that were recently placed on sale here? Come in and see them.

GOOD PERCALE APRONS at 98c Sounds good—doesn't it?

"THE BEST BARGAINS I'VE SEEN FOR SEVERAL YEARS," that's what one customer said yesterday about the bin filled with \$2.98 Silk Waists. They should be good values when some of them sold originally as high as \$14.99.

THE STOCKINGS FOR WOMEN AND CHILDREN sounds good. Sounds like old times. Don't confuse those stockings with the short leg ones, nor the thin, filmy ones so often offered you. These are good stockings.

IT PAYS TO ADVERTISE. It pays both you and us. Our yesterday's ad mentioned boys' extra strong shoes at \$3.49. As a result of the ad we sold these shoes just as fast as we could fit them. There are still a good many left. They're money's worth.

OUR CLEAN UP SALE OF MIDDIES IS PROVING POPULAR. Middies for women and children sell 98c to \$1.98.

BIBLE USED AT WASHINGTON'S INAUGURATION WILL BE USED BY PRESIDENT-ELECT HARDING

WASHINGTON, Feb. 24.—(A. P.)—President-elect Harding plans on taking the oath March 4 to press his lips to the bible used at the first inauguration of George Washington.

In accord with Mr. Harding's wishes, Elliott Woods, superintendent of the capitol, arranged today with the St. Johns Lodge No. 1, A. F. & A. M., of New York, for the use of the bible. It will be brought by a committee of Masons.

The records show that this will be the fourth occasion on which there has been a departure from the usual custom of having the clerk of the supreme court furnish the bible.

RESULT OF BULLET WOUND ROBBER DIES

HARRISON, Ark., Feb. 24.—(U. P.)—Henry Starr, a notorious southwest bandit, died as a result of a bullet received last week while leading his gang in a bank robbery.

Starr was shot shortly after he gave up his resolution to "go straight," which was made at the time he was paroled from prison, at Oklahoma. It is said he resumed his bandit career because he was in debt and needed "easy money." Starr did not die hated by the section of country he terrorized. He was generally accepted as a "spec" in the twentieth century Robin Hood. He always boasted he never committed a murder or fired a shot during his many escapades.

RIVALS FOR POLISH PRESIDENCY.

NEW YORK, Feb. 23.—Ignace Padurewski, shown at left, is going to run for president of Poland next fall. The famous pianist is not in accord with the policies of Provisional President Pilsudski, general and military hero. Padurewski regards Pilsudski as too socialistic. Padurewski's appeal has been to the "classes"; Pilsudski's to the "masses."

PLENTY OF BREATHING SPACE AT CENTER OF POPULATION.

You might expect the new U. S. center of population to be overcrowded, but it isn't. There's plenty of room. It's on J. E. Herrin's farm, near Spencer, Owen county, Ind. Above are Herrin, his wife and two sons, Joe and Walter. The location of the "hub" with reference to the Herrin homestead, is being pointed out by the girl sitting in the yard and (on the left) Miss Frances Herrin, who was born in the now famous Owen county, is standing where Herrin will erect a marker. Below is Main street in the town of Spencer. It has about 2500 people.

200,000 MEN WORK TO SUPPORT RATS

WASHINGTON, Feb. 24.—(A. P.)—You can save \$2 by killing a rat. The United States government says so.

"This country produces \$2,000,000,000 worth of food annually to feed our rats," W. B. Bell of the Biological survey declares. "In another way, \$2,000,000,000 men in the United States are devoting their labor to maintaining 100,000,000 rats."

Bell then sent out the following rat facts:

That they have caused more deaths than all wars.

Carry Boreonic plague and other diseases almost as fearful.

Are man's most dangerous animal or insect enemy.

Breed five or six times a year, producing about 16 each litter.

Bell recited that rat borne diseases had cost 9,999,999 lives in India in one epidemic and about 25,000,000 in Europe through the "Black Death."

Rats like David Harum's dog, have enough fleas to "keep 'em from worry."

"In over just been a rat." Bites of these fleas, he said, spread bubonic plague.
