MEMBERS ENJOY VISIT.

Pendleton members of the Neighbors of Woodcraft who were guests of the La Grande chapter on Tuesday greatly enjoyed the visit. An amusing feature of the trip was the "arrest" of the four Pendleton delegates who arrived in the evening, by Chief of Police Smith and the Pendleton delegation which arrived in the morning.

The following, from the La Grande Observer, gives the program:

Grand Ronde Circle 47, Neighbors of Woodcraft entertained Friendship Circle of Pendleton, at the Eagles hall on Tuesday.

A chicken dinner was served at one o'clock, the table being beautifully decorated with a huge cake with the letters on it, as a centerpiece, and red and white carnations and white hyacinths.

In the afternoon, the following program was given under the direction of Miss Maud Crouter: Address of Welcome, by Laura Head; response, Mrs. Dorothy Thomas of Pendleton; vocal duet, Margory Maguire and Daisy Robbs; recitation, Burnett; violin solo, Clara Fitzgerald, accompanied by Dave Stewart; vocal solo, Mrs. Bachman, accompanied by Frances Osborne; recitation, Nell Guilbanks; vocal solo, Eunice Fowler, accompanied by Clark Fitzgerald on the violin and Dave Stewart at the piano; recitation, Nellie Daggert; vocal solo, Daisy Robbs, accompanied by Frances Osborne; a play, "Photograph Gallery," by the Mesdames, Hallford, Parker, Allstott, Robbs, Bachman, Sidney Happersett, Daggert, Buel, Carney, Hough, Burnett, Miss Crouter and Bertram Robinson; violin solo, Clark Fitzgerald, accompanied by Dave Stewart.

The drill team consisting of Neighbors Allstott, Bachman, Parker, Crouter, MacDowell, Happersett and Daggert and led by Lucie Buel, captain, put on the drill work in a very creditable manner.

In the evening, lunch was served at the hall, after which lodge was in session, at which time the drill work was again put on at the special request of the Pendleton delegation.

The Pendleton ladies present were: Mrs. Ida Clark, Mrs. Dorothy Thomas, Mrs. Agnes Doherty, Mrs. Ida Olsen, Mrs. Thie Walters, Mrs. Hattie Ferguson, Mrs. Lillian Traylor, Mrs. Sophie Thompson and Mrs. Anna Robertson.

VAST SUMS USED TO BUILD NEW HIGHWAYS

HARRISBURG, Pa., Feb. 24.—(U. P.)—With the record of having built in two years 856 miles of 18-foot roadway of durable nature, the Pennsylvania state highway department is completing plans for the 1931 construction season. During the coming year the department hopes to beat the record set by itself in 1929, when 413.87 miles of durable thoroughfare were put down.

The 65 miles of road built in 1919 and 1920 by the state of Pennsylvania consisted of reinforced concrete, plain concrete, bituminous top on a concrete base, brick and sheet asphalt. The maintenance division of the state highway department of Pennsylvania entirely resurfaced 377 miles of macadam road. Its surface treatments covered 1500 miles of macadam.

During the four years beginning with 1919 Pennsylvania will have approximately \$150,000,000 available for road work. A portion of this is federal aid. Bonds will be sold totaling \$50,000,000. The state appropriations make up about \$29,000,000. Receipts from automobile license fees during these four years will reach \$50,000,000. Various counties of Pennsylvania

have issued bonds and made loans to a total of approximately \$14,000,000. Several counties in addition to those mentioned plan very heavy loans for the coming season.

During 1921 it is expected that Pennsylvania receipts from automobile license fees will total \$9,000,000. All receipts from this source are devoted to the maintenance of roads on the state highway system, which comprises 19,225 miles. Pennsylvania has learned that macadam does not stand up under modern traffic methods. Pennsylvania therefore, is putting its money into durable highways.

Governor Sprout and State Highway Commissioner Sadler have introduced a new thought in road building. They refuse to permit the use of bond issue money for a type of road the life of which is shorter than the life of the bond. Short-lived roads they say, should be built from current revenues. Pennsylvania's \$50,000,000 in bonds is to be put into roads which will still be in existence after the maturity of the bonds.

Co. is planning to remove the stockyard adjacent to Thompson street and to use the tract for warehouses. In this case it is felt the railroad company may block traffic across its property and thus make Bluff street a blind street unless it be connected with Thompson.

New Paving District.

Routine procedure in connection with paving projects, new or under way consumed much of the council's time last evening. An ordinance was passed providing for the grading on Lincoln street between Mark and Lacey and resolutions were adopted for paving on Jefferson and Grand streets. Assessments for paving district No. 72 were reported, totalling \$3,575 and the matter was referred to the street committee.

GIRLS

The Simple, Easy Way to Beauty—Buttermilk.

A delightful new vanishing cream containing true buttermilk makes you look years younger or your money back.

The first application of Howard's Buttermilk Cream will astonish you. It creates beauty almost like magic, but the most wonderful thing about it is the fact that whilst it turns the duldest and most lifeless complexion to radiant beauty and makes red or rough arms snowy white, yet there is not the slightest sign of its use after application. It actually vanishes from sight and the most heated atmosphere will not produce the least shininess or greasiness of the skin.

There is no secret about it nor is there any doubt about the result—it's just common ordinary Buttermilk in the form of a wonderful cream gently massaged with the finger tips around the corners of the eyes and mouth.

To prove this to your complete satisfaction obtain a small quantity of Howard's Buttermilk Cream at any drug or department store on the money back if dissatisfied plan. The directions are simple and its costs so little that any girl or woman can afford it.
