

Everybody wants Stylish Clothes

Everybody wants quality. Everybody wants satisfaction. Everybody wants a store that serves. This store offers all. We have the highest quality standards. Our prices are fair. It is well to remember that the sweetness of low price never equals the bitterness of poor quality.

Interesting NEW SUITS

All sorts of interesting notes may be gleaned from this assortment of suits designed especially for early Summer wear. They are slim in line, making for most becoming triguess and youth. The models are most fetchingly trimmed to give them all that exclusive air of distinction.

All fabrics are of first quality, while the tailoring is of a character found only in suits costing many times the price of these. The materials are many and every one in tune with demands of Fashion and the spirit of these turbulent times.

Box effects, ripple peplum or tailored lines in tricotine, gabardine, Poiret twill, jersey etc, sizes 14 to 46.

Notice of Street Improvement
Notice is hereby given that at a regular meeting of the Common Council of the City of Pendleton held at the Council Chambers in Pendleton Oregon on February 23rd, 1921 the following Resolution was duly adopted:

WHEREAS, the City Surveyor of the City of Pendleton did on the 23rd day of February, 1921, under directions and by requirement of the Common Council file in the office of the Recorder of the City of Pendleton, plans and specifications for an appropriate improvement of the following named street in said city:

Grange street from the North Line of Court Street to the South Line of Lewis Street, together with the estimates of the work to be done and the probable cost thereof with a statement of the lots, parts of lots and parcels of land to be benefited by such improvement and the percentage of the total cost of improvement, which each of such lots, parts of lots and parcels of land should pay on account of the benefits to be derived from such improvement, and

WHEREAS, the Council has examined such plans and specifications and estimates and found the same satisfactory and the estimator thereof to be in accordance with the probable cost of such work, and
WHEREAS, the property recommended by the City Surveyor to be included within the boundaries of the district benefited is in the judgment of the Common Council properly to be included within such improvement district and no property is excluded therefrom which should properly be included therein, and

WHEREAS, the improvement of the hereinabove described portion of Grange Street either gravel Bitulithic pavement, Concrete pavement or Warrente Bitulithic pavement on crushed rock or crushed gravel foundation is at this time necessary, therefore, be it RESOLVED by the Common Council of the City of Pendleton that it is expedient to improve and it is hereby proposed to improve Grange Street from the North Line of Court Street to the South Line of Lewis Street, by paving the same with either gravel bitulithic pavement or concrete pavement or Warrente Bitulithic pavement on crushed rock or crushed gravel foundation; such pavement to be constructed and the surface thereof to be finished upon the established grade of said street and the street to have curbs and gutters and all other things in accordance with and as shown in the plans and specifications for the improvement of said portion of said Grange Street from the North Line of Court Street to the South Line of Lewis Street, prepared by F. B. Hayes, City Surveyor, filed with the Recorder of said City on the 23rd day of December, 1920, which said plans and specifications are hereby particularly referred to, and be it further

RESOLVED that the Engineer's estimate of the probable total cost of such improvement, which said City Engineer's estimate was made and prepared by F. B. Hayes, City Surveyor of said City, in the sum of \$2149.50 and was filed with the Recorder of said City on the 23rd day of December, 1920, is hereby included and hereby referred to particularly; and be it further

RESOLVED that the plans and specifications and estimates for such improvement as prepared by the City Surveyor and filed with the Recorder of the City of Pendleton on the 23rd day of December, 1921, be and they are hereby adopted and approved, and be it further

RESOLVED that the cost of making such improvement shall be a charge and lien upon all lots, parts of lots and parcels of land to be benefited by such improvement, and the owners of such lots, parts of lots and parcels of land so specially benefited by such improvement shall be liable for the payment of the costs thereof, and be it further

SCHOOLS WANT DEAN STRUB
Though high school symposiums are still several months off, requests are already coming to Dean John Strub for addresses. This is probably due to the fact that this veteran and popular speaker has each year more requests for addresses than he can fill, and the high schools are booking him early in order to be sure of him.
