DALLES TEAM MEETS DEFEAT AT HANDS OF LOCAL QUINTETS

Pendleton Succeeds in Taking Both Games From Their Visitors; Girls Game Played First Then Boys Followed.

The Pendleton high school's "second best" boys basketball team last night showed The Dalles first team the road to defeat in a game for which the score was 20-23, while the local high's girls first team won from the visiting girls quintet, score 30-13.

The girls game was played first and proved to be somewhat one sided for the local girls. Pendleton's guards did not give The Dalles a chance to shoot any baskets and Pendleton's forwards Mary Clarke and Jane Cheney were too fast for the visitors. With the accuracy of Pendleton's forwards and the excellent team work of the locals the score ended 30-13. Miss Kathleen Meloy varsity O. A. C. basketball player for three years refereed the game.

Pendleton's second string men came in the first of the game strong and with several points ahead of the visitors. The Dalles however regained and at the end of the first half they led the locals by one point the score being 14-15. Henderson was strong as a guard and kept the visiting forwards from getting many shots at the basket. The Pendleton team came back strong in the second half and with the shooting of many fouls made by The Dalles team kept the score even during most of the play. The last four minutes of play was the fastest of the whole game. The score was even and both teams were fighting hard for additional points. Pendleton however got the lead and defeated them by three

points. The final score being 23-20. Henderson and Holmgren were stars for the locals. While Harris was the outstanding player for the visitors. The Pendleton boys and coach are being congratulated on their victory as it was not expected of the green men. After the first team was declared ineligible the coach set upon the training of the team that played the game last evening. Gus Buray refereed. The lineup and points scored were as follows:

Boys
The Dalles—Harris (10) f.; O. Mann (4) f.; E. Mann (2) c.; Wright & Deardorf (2) g. Warramark, sub g. (2).
Pendleton—H. Houser f., Holmgren (12) f., Laing c., Henderson (9) g., Saunders (2) g.

Girls
The Dalles—Lottie Bennett f., Doris Bennett f., Jennie Pratt c., Mabel King s. c., Eunice Bolton g., Ruth Crofton g., Gertrude Fredden, sub. f., Isabel Crofton, sub c.

WILLIE JACKSON GIVEN DECISION OVER DUNDEE

NEW YORK, Feb. 26.—Willie Jackson received the judge's decision over Johnny Dundee, at the end of a 15-round bout here at Madison Square Garden last night. The two New York lightweights fought a fast battle.

Jackson weighed 133 3-4 pounds at 2 o'clock this afternoon and Dundee three pounds lighter. It was their tenth ring meeting.

Jackson's superiority last night was demonstrated decidedly but Dundee gave a wonderful exhibition of gameness and ring strategy.

OREGON U. INVITED TO SEND FOOTBALL TEAM TO HONOLULU

University of Hawaii Asks for Game to be Played Xmas Day in Islands; Utah Aggies Not Interested.

HONOLULU, Feb. 26.—(A. P.)—The football team of the University of Oregon has been invited to meet that of the University of Hawaii in a game here next Christmas Day, it was announced today by the student council of the local institution.

Proposals to play here on that day, made to Utah Agricultural College of Logan, and Occidental College, Los Angeles, failed to bring fruit, it was announced.

confinement if they peeked out into the corridor.

Many times a day footsteps passed the door. Sometimes there were light steps and I imagined women were passing. To the horror of other men in the cell with me, I occasionally moved the slide the least bit in hope of getting a glimpse of my wife. I became bolder and bolder. The corridor was so dark it was difficult to recognize the people who were passing.

Finally, in sheer desperation, I pushed the slide far back one day when light footsteps were audible. To my horror the eye of the guard almost touched mine. He opened the door and asked me if I could read Russian. I admitted I could and explained to him that my anxiety about my wife was responsible for the violation of regulations.

I was immediately taken to a dark cell in the cellar. It was full of hungry rats. Water and sewer pipes ran all around the walls and there was so much gas I felt I was choking. I began pounding on the door but the guard warned me not to and threatened to put me into a still lower cell if I didn't keep quiet.

At the end of three hours I was so badly overcome by the gas that I pounded on the door in desperation and asked to see the commissar who was in charge of the prison. The guard was apparently uneasy about my condition and called the commissar.

"I told the commissar my anxiety about my wife and asked him if he

TREATMENT RECEIVED IN RUSSIAN PRISON

BERLIN, Feb. 26.—(A. P.)—Bolshevik prison methods lack all elements of decency and civilization," says M. Schwartz, California socialist and labor leader who with his wife was thrown into Bolshevik prisons in Moscow for four months after he had failed to voice approval of the Bolshevik government. His wife died of the effects of a hunger strike started while in prison, as he made known in previous statements.

"My first two months were the worst," Mr. Schwartz said after arriving in Berlin. "My wife, who could not speak a word of any language but English, was taken from me. I did not know whether she was in the same prison, or what had become of her. I could not get a word of satisfaction from any of the prison officials.

There was a small peephole in the door of my cell which opened into the main corridor. This had a little slide over it and there was a sign in Russian warning the inmates of the cell that they would be placed in solitary

BEFORE AND AFTER CHILDBIRTH

Mrs. Williams Tells How Lydia E. Pinkham's Vegetable Compound Kept Her in Health

Overpeck, O.—"Lydia E. Pinkham's Vegetable Compound helped me both before and after my baby was born. I suffered with backache, headache, was generally run down and weak. I saw Lydia E. Pinkham's Vegetable Compound advertised in the newspapers and decided to try it. Now I feel fine, take care of my two boys and do my own work. I recommend your medicine to anyone who is ailing. You may publish my testimonial if you think it will help others."—Mrs. CARIE WILLIAMS, Overpeck, Ohio.

For more than forty years Lydia E. Pinkham's Vegetable Compound has been restoring women to health who suffered from irregularities, displacements, backaches, headaches, bearing-down pains, nervousness or "the blues."

Today there is hardly a town or hamlet in the United States wherein some woman does not reside who has been made well by it. That is why Lydia E. Pinkham's Vegetable Compound is now recognized as the standard remedy for such ailments.

would not have peeped through the hole under the same condition. He was moved by my appeal and asked me if I would promise not to repeat the offense if he let me back into my old cell.

"You may be sure I promised, and I kept my promise. I had companions in my old cell and there weren't any rats and gas there. I can't tell you how terrible it is to be confined alone. Even if one's companions have no common language, human companionship makes a cell more endurable. Solitary confinement, such as my wife endured for two months, is the most horrible punishment that can be inflicted.

"Think of a cultivated, refined American woman being treated as she was by the Bolsheviks! It is no wonder that her constitution was so undermined by her jail experiences that she died shortly after we were released. But her blood is no the hands of Lenin and Trotsky and Chitcher-in (Foreign Minister). She appealed to them repeatedly for a hearing and so did I. She finally effected our release by her hunger strike, but her strength was not sufficient to survive the awful agony she endured."

PAIGE

If you stepped into a New Series 5-passenger Paige Glenbrook without knowing its make or price and experienced its power, speed and general excellence in actual performance, we would be willing to make this prophecy:

After a single demonstration of its capabilities you would price the Glenbrook at five hundred dollars more than it costs.

That is because there are no existing standards by which the New Series Glenbrook can be compared. It has established its own standards.

There is only one way to prove such strong statements—to ride in the car.
