

People Here and There

A. H. McBroom, stockman of Pilot Rock, is among the visitors in Pendleton today.

O. W. Stabler, a prominent stock buyer of Nampa, Idaho, is in Pendleton for a few days looking after business interests.

J. W. Durrill, Echo warehouse man, is a business visitor in Pendleton. He will remain here several days before returning to his home.

Mrs. Frank Garrett was a shopping visitor in Pendleton yesterday. Mrs. Garrett and her husband have a ranch about four miles from Helix.

C. J. Manning of Pilot Rock, brought his wife to Pendleton Saturday for treatment at a local hospital. She has been ill for some time.

Henry Howe, volunteer fireman and well known in Pendleton, has left for the E. P. Marshall ranch, where he will be employed during the summer.

Vernice Marr, rancher, is in Pendleton from Weston Mountain. Mr. Marr has recently been farming in the Antelope country but has disposed of his property and is now contemplating buying or renting in the Weston district.

A. H. Robertson, Condon grain man, was a business visitor in Pendleton Saturday. Mr. Robertson is a Caledonian and among the Scots of Gilliam county is known as "Sandy." He recently gave an address "The Immortal Memory" at a big Bobby Burns anniversary dinner held by the Condon Caledonian Club.

NEWS OF THE COUNTY OFFICES AND OFFICERS

Secure Marriage License.

A license to wed was issued Saturday evening to Arthur Le Roy Howard of Umatilla and Ida May Walker of Pendleton.

Will Recommit Inmate.

County Judge I. M. Schanep will recommit a number of persons adjudged insane to the state asylum this afternoon and tomorrow as a result of a recent law being declared unconstitutional. The law provided that a justice of the peace may commit a person to the asylum and was recently found to be unconstitutional. Judge Schanep will recommit a number of insane persons recently committed by justices of the peace.

MANY LIVES—ARE LOST

(Continued from page 4)

The responsibility for the wreck was placed on the shoulders of Eugene Long of the Michigan flyer. Examination of the block system showed two blocks were set against him. The fireman said he saw the signals set but the engineer failed to slow down. Long was spirited away by railroad officials following the wreck, in order to protect him against any demonstration of relatives and friends of those in the wreck.

WEDS SWEETHEART'S "DOUBLE."

Here is the wedding of Lawrence Kelly and Dolly Green, 17-year-old Akron girl, (also shown above) at Denver, Colo. city hall. Kelly thought he was marrying Dolly's "double," Mildred Gardner, of Texas. One Chaplain Goodheart is shown performing the ceremony. After the wedding Dolly confessed that she and Mildred traded lives—names, sweethearts, friends and jobs—when they met in Texas last November and discovered their striking resemblance. Kelly is now in jail in Colorado, on a forgery charge. When told of Dolly's confession, which annuls the ceremony, Kelly said he loved her and would wed her again when he is released. Dolly agrees.

NEWS NOTES OF PENDLETON

Opera Shop on Court
Otto Nelson, local automobile mechanic, has opened an auto repair shop on east Court and Summer streets.

Distillate to Arrive
A carload of distillate, ordered through the Umatilla County Farm Bureau is expected to arrive tomorrow for distribution in Pendleton.

Tough Luck for John
John Chloupek, the son of Mr. and Mrs. R. E. Chloupek, is spending his seventh birthday in bed today. John while at play on Saturday, fell off a board and broke his left arm above the elbow.

Mrs. Smart Has Accident
Mrs. Thomas Smart, 304 College street, is confined to her home on account of injuries received when she slipped and fell Saturday night. Although the injuries are painful, her condition is not serious.

Road is Improved
Fanchio Subbelfield, who operates the stake to Pilot Rock, says that the road is in much better condition than it has been for many months in the past. The warm weather of last week has done much to dry out the road in that region.

Returns from Weston
J. C. Kuhns, supervisor of the Umatilla National Forest, returns Saturday evening from Weston where he attended a meeting of the advisory board of the Weston and Summerville Stockmen's Association. Assessments were levied at the meeting.

Duties Will Begin
Mrs. Charles Haynes, new clerical secretary for the Red Cross, will begin her duties tomorrow. She will work part time. The home service and relief work will be carried on by a social worker yet to be appointed. Miss Virginia Todd, retiring home service and Red Cross secretary, will be chapter secretary.

'Lodge Night' at Church
Thursday night, March 3, has been designated "Lodge Night" at the Christian church, as all lodge members in the city will be asked to hear Rev. W. A. Grossman, evangelist. Special music is being planned by Joseph N. Scott, choir leader. The sermon will be "Put on the Test." The special meetings will continue each night this week except Saturday. Large attendance, both morning and evening marked the services Sunday. McDonald's organ, which gave good music which was greatly appreciated. The sermon this evening at 7:30 will be on the subject, "How the Put the Devil to Flight."

Farmers to Experiment
West end farmers are planning to experiment with irrigated wheat, says Fred Bennion, county agent. Dicklow wheat, the leading variety in Idaho, which shows a high yield and commands the best price, is the seed chosen. In future, Mr. Bennion states, the farmers plan to grow mostly alfalfa with cultivated crops such as potatoes and corn, and some wheat as well. Among those who will give the wheat a trial are Lee Savely of Butter creek; J. G. Pearson, of Stanfield; H. O. Thompson and W. T. Roberts of Umatilla; Ed Jackson, Henry Sommerer, J. H. Reid and others of Hermiston.

Debaters "Ligated In"
Because two members of the Pendleton high school debating team listened in at a debate between Pilot Rock and Echo recently the local team has been withdrawn from the contest by Principal Landreth. The team would have contested with Stanfield and Heppner but the withdrawal of the team leaves the race between those two towns. A Heppner newspaper has reported Pendleton as having been disqualified for unethical work. The facts however as given by Principal Landreth are that the team was withdrawn by local action and not through any proceedings by the debating league.

Things You Don't Know About People You Do Know.

JOHN D. ROCKEFELLER rides a bicycle but doesn't pedal it himself. He hires a man to push it while he steers.

Dentists Attend Clinic
A number of dentists from Baker, Pilot Rock, Hermiston, La Grande and other cities of eastern Oregon, attended the dental clinic held in Pendleton Sunday afternoon. Drs. Gulek and Jones of Portland gave the demonstrations.

Dog Taxes Due
Dog taxes are due on March 1, according to the police department and unless the proper tags are affixed to the canines they will be taken up. A city-wide campaign is to be instituted to round up all offending animals.

Moves Into New Office
The office of the superintendent of schools is being moved today into a portion of the old city library which has been remodeled. The new quarters will be much more commodious than the old. The fire department boys are taking possession of the room vacated by the superintendent. The balance of the old library rooms will be occupied by the boys' club.

New Men Take Office
A feature of the monthly meeting of the Commercial Association to be held tomorrow evening will be the induction into office of the new president and other officials chosen at the February meeting. James H. Sturgis becomes president and Louis Scharff, vice president. Claude Barr, secretary, has not yet arrived but he is believed here he will get here by March 14 or sooner. The Barrs will have their home in the Security Apartments.

Seeking Boys' Club Man
In addition to the task of raising \$2500 for the boys' club and community service work here the committee in charge is also devoting attention to the task of finding a good man to handle the work when started. Three men suggested thus far are John R. Chase, of San Francisco, who has had recreation experience in the army; Leroy B. Hanley of W. S. C., a brother of Dick Hanley, local football coach, and William Wieland, of Roseville, Calif., who has had four years of experience with the recreation department in playground and industrial supervision at Oakland, Calif. The boys committee headed by Dr. Guy Boyden chairman, is preparing to start Wednesday on their drive for money for the club. It is being emphasized, however, that the community service work will not be confined to the boys' club. At a meeting Saturday evening the community service council considered the subject of a lycium course for next winter. After considerable discussion the matter is left with a committee for more thorough investigation.

HIGH SCHOOL NOTES

Inter-Class Series Begins—Members of the sophomore and freshmen classes will meet this evening for the first of a series of inter-class indoor baseball games. All classes have selected teams and have elected captains. The juniors and seniors will mix tomorrow evening, at the same time. The Junior class won the basketball games and they expect to come up strong in baseball.

New Teacher Arrives—C. B. Harris, graduate of the University of Nebraska, has arrived to fill the vacancies left in the high school faculty by the illness of Marion Hays. Mr. Harris will teach physics, chemistry and general science. He has had a great

"NOBODY CAN KNOW WHAT I SUFFERED"

Portland Woman Enjoying Splendid Health for First Time in Years.

"I am now enjoying splendid health for the first time in many years and owe it all to Tanlac," said Mrs. Bertha Carlson of 434 Quinby St., Portland. "Nobody but myself can know what I suffered from nervousness and indigestion during all those years. I never had any relish for food, and when I forced myself to eat a hearty meal I always paid the penalty. I had to be always taking medicine for constipation, my kidneys were diseased and my back hurt like it would break in two."

"I was so nervous I couldn't get any restful sleep and many a night I lay awake suffering and wondering if there was nothing that could help me. But Tanlac has relieved me of every one of my troubles."

"Why, I just want to be eating all the time and my stomach never bothers me a bit. I have gained so much in weight I can hardly get my clothes on and just feel fine. I have been so delighted with the way Tanlac has restored my health that I got my son to taking it and he has already been helped wonderfully. Tanlac is certainly a grand medicine."

Tanlac is sold in Pendleton by Thompson Brothers.

Track Season Open—This evening marks the opening of Pendleton's track season. All members who are to participate in track or the cross country will meet in the gymnasium this evening for a conference with Coach Richard Hanley. Several men will be out for all events as there are many men in the school who will develop into excellent track material. Several letter men are back from last year and with additional material Pendleton high should have an excellent track season. Baseball will probably be run in connection with track so that the school will be represented in both the spring sports.

Special Meeting of Student Body—Called—Gilbert Struve, president of the Associated Student Body called a special meeting today for the purpose of discussing two amendments to the present constitution. The amendments were proposed by Shirley Hevel. They call for the lengthening of the number of games to be played to win a school letter in either basketball or football. The question has been discussed several times before and the amendment has met with defeat each time. For awhile the arguments grew strong for and against the amendment and both sides were well presented. As the constitution now reads the substitutes are not to receive letters unless the coach is willing to let them play the necessary number of halves to receive the first team letter. The purpose of the amendment is to lengthen the number of halves so that only those on the first team will receive letters. The amendments will be voted upon next week after they have been thoroughly talked over by the students.

How To Break Up a Cold
It may be surprising to many to learn that a cold may be completely broken up, in most instances, in one or two day's time. To do this, prompt action is necessary. The first symptoms of a cold are: a dry, loud cough and a profuse watery discharge from the nose. Take Chamberlain's Cough Remedy every hour as soon as those symptoms appear and it will counteract the effects of the cold and soon restores the system to a healthy condition. When the cold is unusually severe, you should also go to bed and stay in bed until all symptoms of the cold have disappeared. One or two days in bed, now, is better than two or three weeks later on. This applies particularly to persons of middle-age or older.

This May Interest You
If you have coughs or colds you will certainly be interested in the experience of Thomas O'Brien, Marysville, Mo., which he relates as follows: "I have taken Chamberlain's Cough Remedy off and on for several years and it has always cured these complaints promptly. It gives me better satisfaction than any other cough medicine I have used."

As Advertised
You will find Chamberlain's Tablets just as advertised. Easy to take and mild and gentle in effect. For constipation they are excellent.

Something You Should Know
An agreeable purgative of the bowels without any unpleasant effect is produced by Chamberlain's Tablets. They should be taken immediately after supper.
